POWER OF ONE **CONFERENCE**

**Coalition
through
Community**

April 20-22, 2017

Bellevue, Washington

Hosted by

We are thrilled to have you all here.

As part of our duties as host, we will provide an atmosphere that is respectful, open, and widely accessible. Participants should also adhere to those same standards.

There will likely be disagreements during this intense work we will be doing this weekend. In those tough moments, we hope to foster an understanding of difference that emphasizes civil discussion and social interaction rather than hostile argument.

It's also important to note that every participant is at a different spot in his/ her/ their/ zir journey. The fact that he/ she/ they/ ze are at the conference is a great step forward. Be mindful when engaging in civil discourse that levels of knowledge and experience can vary.

All Gender Restrooms

Please find the map of all gender restrooms on the back cover of this program. On Saturday, the restrooms closest to the cafeteria will also be designated All Gender. If ever you don't feel comfortable, please look for folks wearing "I Will Go With You" buttons.

Allies

We do ask that allies give space to the LGBTQ participants of Power of One. We are not asking you to be silent, but rather we are asking that you be mindful of honoring the voices and experiences of those who are in the LGBTQ community. Do not tell us how to think, feel, act.

Classes

Bellevue College classes are in session on Friday, April 21. We ask that you be respectful and quiet when moving between conference sessions.

Consent for Physical Interaction

Consent should not be assumed. Each of us is responsible for making sure we have consent in every social and sexual situation. If you are unsure about touching (hugging, handshakes, etc) or intercourse, you must determine how the other person feels before initiating the social or sexual activity.

Counseling

We will have an on-call counselor throughout the event, as well as an on-site counselor during the HIV Testing on Friday. On Saturday, we will have a counselor available by phone from 10:00 am–5:00 pm at 425-229-5100.

Late Night Shuttles

The Embassy Suites has graciously agreed to have a 10:00 pm shuttle run from the back of the C building to their front door. Bellevue College will have a shuttle running at 10:00 pm to the Hyatt House and the Silver Cloud. These two hotels are walkable, so we ask that this shuttle be reserved for people who have mobility issues. Please do not walk alone during the conference, but rather walk in groups.

Photo Policy

Please ask for consent before taking photos. All rainbow lanyards mean “do not photograph.” Please honor these two policies.

Prayer/Meditation Room (D110G)

This room will be open 9:00 am–10:00 pm Friday and Saturday of the conference. If you need a quiet, safe space for reasons other than religious/spiritual ones, please contact a member of the Power of One planning committee at the check-in desk.

Ropes Course

We have a cap of 20 for each Ropes Course session. Instructors ask that you please wear tennis shoes and movement-friendly clothes for the sessions. Release forms need to be completed on Thursday night.

Social Media

On Facebook, Instagram and Twitter, please tag photos & posts #Po1BC.

BELLEVUE
COLLEGE

Dear Community,

Thank you so much for joining us for the 2017 NASPA Region V Power of One Conference. Bellevue College is thrilled to host this event, and we hope that what you (and we) learn leads to a better understanding and appreciation of diverse perspectives, and sparks courageous conversations here, and in your own communities after.

This is an important opportunity to better understand how we can support our LGBTQ student and staff community members, and engage in strategies to help ensure their success. The theme 'Coalition through Community' is particularly resonant in a time when divisiveness is on the rise. However when we strengthen our own commitment to inclusion and pluralism, and reflect on what we can change within ourselves so that we're more open and appreciative of each person's unique self, we strengthen our community, and build a brighter future for all.

Welcome to Bellevue College, and thank you for your dedication in helping students reach high, and dream big.

BELLEVUE
COLLEGE

The Office of Equity and Pluralism is honored to help host the Power of One conference at Bellevue College (BC) this year. As a cisgendered woman of color with an English as a second language background, I feel this is an important conference for me. We all share several intersections of our identity. Hosting an LGBTQiA-centered learning and community-building event is one way to ensure that we are in this together. The Power of One Conference is not the result of our efforts only, but the beginning of our collaborative work at Bellevue College. I thank all the Bellevue College LGBTQ Task Force members who have worked/continue to work diligently, as well as the BC community which has supported them in their work.

Learning is not only intellectual work, but also emotional and empathetic work. I look forward to learning more so that I can serve all students who hold many intersections of identity more holistically with my heart. Learning happens both privately and publicly. The Power of One Conference helps us to learn in a courageous space where we can ask questions, share our values and learn from each other.

Warm welcome,

Interim Vice President for Diversity

Dear Power of One Conference Attendees,

On Behalf of Multicultural Services (MCS), we would like to first welcome you to Bellevue College. Let us say we are honored to have the Power of One Conference here on our campus.

We are also writing to affirm that we stand in solidarity with the LGBTQIA Community. In addition to our LGBTQ Resource Center and Campus at large, MCS is here to walk beside you and provide support through active allyship.

While there are multiple support systems always in place, we want to emphasize that we pride ourselves with being a safe place for all students, and that we are committed to advocating for students' rights and safety.

Please do not hesitate to seek us out (B Building, 2nd Floor) during the conference.

Welcome from the Mayor of Bellevue

Greetings:

As mayor, I am pleased to welcome the Power of One LGBT Student Leadership Conference to Bellevue.

Welcome to Bellevue, Washington, a vibrant, modern and growing city that offers the ultimate in shopping, dining and cultural attractions, surrounded by magnificent natural beauty and outdoor spaces—all within easy strolling distance. We encourage you to get out and explore our many parks located throughout the city. In fact, Bellevue is known as a “city in a park,” boasting nearly 100 parks that range from ball fields to beach parks and from forested wilderness with hiking trails galore to manicured meadows and even a botanical garden.

Bellevue’s central location in the Puget Sound region provides the opportunity to experience all that the greater Seattle area has to offer. Within minutes, you can explore Seattle’s culture and history, visit Kirkland’s waterfront parks and galleries or tour Woodinville’s Wine Country, home to 90 wineries and some of the world’s best wines. You can even quench your taste for adventure with a day-trip to nearby mountains for hiking, biking or skiing. I encourage you to go to VisitBellevueWashington.com to get more information about visiting our city.

On behalf of the City of Bellevue, I hope you enjoy this conference, hosted by Bellevue College.

Sincerely,

Mayor John Stokes

CEO of Grist/Former Washington State Representative Brady Piñero Walkinshaw

Brady Piñero Walkinshaw brings years of experience working in the state on issues of environmental stewardship, fair wages, shared economic growth, and social justice. In 2013, Brady was appointed to represent the 43rd district in the Washington State House, a district which encompasses much of central Seattle.

A lifelong Washingtonian, Brady's mother and her family immigrated to the United States from Cuba, while his father's family traces back for generations in Washington State. Both parents inspired an ethic of hard work and compassion for those in need. He lives on Capitol Hill with his husband, Micah Horwith, a Seattle native and a marine biologist with the State's Department of Natural Resources.

Piñero Walkinshaw will be addressing the difficulty of working across constituencies, and how that work is imperative for social change.
