Course Description and Objectives: وصف الصف والأهداف :

Welcome to Arabic 121. This course is designed to introduce you to the Modern Standard Arabic language (MSA) used throughout the Arab World. In addition, each Arab country has its own dialect, which is derived from the MSA. This course is geared toward writing Arabic Alphabet,

pronunciation, and basic grammar using: speaking, listening, reading, and writing. This involves intensive classroom interaction and out-of-class assignments.

The course objective is to develop fluency in pronunciation and writing of Arabic letters, acquire basic language structure and vocabulary, and learn about the culture and diversity in the Arab-speaking World.

Learning Arabic is challenging but a highly rewarded process that requires patience and practice. We are all going to make this class a fun experience.
