

USA HIGH SCHOOL TRANSCRIPT GRID FOR MATH PLACEMENT

This transcript grid is valid for any US public and private high school, as well as homeschooled students.

- Your high school transcript can be used to place into math courses at Bellevue College.
 - The use of this grid is one option amongst multiple alternative placements. You can inquire about other options if you find this grid does not reflect your ability.
 - In addition, if you feel prepared for a class exceeding the placement guaranteed in this grid, please consider taking the ALEKS Placement Exam, Entrance Exam or Readiness Quiz to try to gain entry.
- For further questions or concerns, contact Bellevue College’s Placement and Testing Services team at testing@bellevuecollege.edu, or stop by U115 on Bellevue College’s main campus.

To Placement Service Staff,

Please ensure that you provide clear guidance to students regarding the following information:

- **Placement into Math 153 does not guarantee the credit of Math&152.**
- **As some universities may require Math&152 credits to transfer Math 153 credits, it is recommended to consider to take Math&152 before Math&153.**
