

ADVANCED PLACEMENT POLICY

College Credit for Advanced Placement Exams

Please note that AP scores are subject to re-evaluation at institutions outside the CTC system, including baccalaureate institutions both inside and outside of Washington. Students are encouraged to explore how AP credit may be applied at such institutions if there is an intention to transfer.

To obtain college credit at BC: Contact [College Board](#) and request an official AP score report sent to Bellevue College (code #4029). No credit will be given if the same course is taken at BC. Credit will be awarded on basis of official AP results, not transcript notation.

The following policy is applicable to Bellevue College only.

Keys to the numbers and symbol used in the following chart:

* Credits that have no BC equivalent are identified as 1XX or 2XX

* “&” is a common course identifier recognized among Washington State Community and Technical Colleges
