Disclaimer: *The listing of graduates, degrees, and academic honors in this program is preliminary and subject to final degree requirement evaluation. The posting of the earned degree on the official transcript record in the Registrar's Office remains the official testimony of possession of the degree.*

Academic Regalia

Academic regalia refers to the clothing worn during academic ceremonies at colleges and universities. It's historically traced to 12th century English universities. In the United States, from colonial times until the civil war, students wore gowns to class on a daily basis. In 1893, a system was established to create a uniform code for caps, gowns and hoods which designate various degrees and the sources of the degrees. Today's academic dress is established by the American Council on Education which approves the Intercollege Commission guidelines on academic costume.

Gowns

There are three types of gowns: bachelor's gowns, master's gowns and Ph.D. gowns. Associate degree students wear bachelor's gowns. The sleeve style distinguishes the three types of gowns. A bachelor's degree gown has typical straight bottomed sleeves. A master's degree gown features an unusual sleeve style with oblong sleeves and an arc cut away with a slide for the wrist opening. Doctoral robes are characterized by a bell shaped sleeve that is trimmed with three bars of velvet across the sleeve.

Hoods

Hood types are distinguished by their length. Master's hoods are three and one-half feet long, and Doctor's hoods are four feet in length. The lining of the hood represents the official colors of the school from which the wearer earned their degree. The velvet colors indicate the field of study.

Caps

There are two styles of caps worn at academic ceremonies. An academic tam is a type of flat cap worn with doctoral regalia. It may come with four, six or eight sides and is made of velvet. All other degree regalia is worn with the mortarboard.

Honor Cords

Honor cords are two intertwined lengths of gold cording. They are awarded to Bachelor degree students who have achieved a 3.6 GPA or higher, and to Associate degree and certificate students who have achieved a 3.5 GPA or higher.

Red, white and blue cords are worn by graduating veterans who are recognized for their academic achievement and service to the country.

Phi Theta Kappa Honor Society members have the option of wearing Phi Theta Kappa cords or wearing a Phi Theta Kappa stole.

Stoles

Recognized student associations and programs that support academic achievement may use stoles to denote student participation.

Tassels

Tassels are worn on the right side until after a degree has been conferred, upon which time graduates move them to the left.
