EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Bellevue College is planning to revise its expressive activity policy to clarify rights and responsibilities and adopt WAC 132H-142 as its policy. This is a timely issue due to recent events on college and university campuses across the United States that have given rise to a renewed interest in policies and procedures around expressive activities and the use of higher education facilities.
