## Earlier Application and Registration Deadlines for Student Success

Students who show up ready for class on the first day are generally more successful than those who start late, according to Matt Groshong, Bellevue College interim registrar. His comment is based on national research on the effect of late registration on student success.

BC is therefore implementing major changes in application and registration procedures effective winter quarter to increase the number of students present the first day of class and ready to learn. They include:

**December 23, 2014 is the deadline to apply for winter quarter.** Applications received after December 23rd will be processed for Spring Quarter 2015.

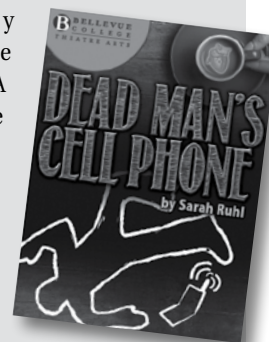

**January 4, 2015 is the deadline for online registration.**

**Instructor permission is required for course registration beginning January 5, 2015** the first day of the quarter. Late registration approval is at the discretion of each instructor.

More information on these and other important changes beginning winter quarter are available at [www.bellevuecollege.edu/registration/winterquarteriscoming/](http://www.bellevuecollege.edu/registration/winterquarteriscoming/).

## Dead Man's Cell Phone Opens November 13

An incessantly ringing cell phone in a quiet café. A stranger at the next table who has had enough. And a dead man – who left a lot of loose ends. So begins “Dead Man’s Cell Phone,” a wildly imaginative comedy written by Sarah Ruhl.

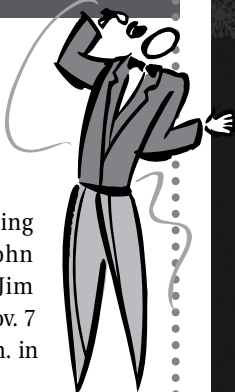

“Dead Man’s Cell Phone,” is performed by BC students, produced by BC’s Department of Theatre Arts, and is directed by Tammi Doyle. It is appropriate for adults and children 12 and older. Performances will be held Nov. 13-15 and Nov. 20-22 at 7:30 pm in the Stop Gap Studio Theatre in the Carlson Theater.

Tickets are \$12/10 for general admission/students & staff and can be purchased through [www.brownpapertickets.com](http://www.brownpapertickets.com).

## Jazz Night Concert features BC's Vocal Jazz and Jazz Band

The public is invited to attend the Jazz Night Concert of BC's Vocal Jazz, directed by Thomas Almli, and BC's Jazz Band, featuring Seattle jazz pianist John Hansen, directed by Jim Sisko. The concert is Nov. 7 at 7:30 p.m. to 9:30 p.m. in the Carlson Theater.

Tickets are \$7 general admission and \$5 student/staff/seniors/military. You can pre-purchase your tickets online through [www.brownpapertickets.com](http://www.brownpapertickets.com) or 1-800 838-3006.

## Keep tabs on winter weather closures

Snow and other weather conditions will not close the BC campus unless:

- Current local weather conditions severely restrict travel to and from campus, or
- Campus roadways, parking lots, walkways and buildings cannot be safely maintained.

There are several ways to find out if a campus closure is in effect:

- Receive e-mail and text messages through the BC Alert System (sign up at [www.bellevuecollege.edu/alerts](http://www.bellevuecollege.edu/alerts)) – also to be used for all types of emergency information

- Visit the emergency information website at [www.bellevuecollege.edu/public\\_safety](http://www.bellevuecollege.edu/public_safety) or link to it from the home page

- Call BC's emergency information line at (425) 401-6680 or the main campus line at (425) 564-1000

- Visit [www.SchoolReport.org](http://www.SchoolReport.org) or subscribe to their emergency e-mail and text message service

- Listen for school closure announcements on local radio or television stations

**Online classes continue as scheduled even if the physical campus is closed!**

## Payment Information

Winter 2015	
Registration Transaction Date	Payment Deadline
Nov. 14 – Dec. 22	Within 7 calendar days (of each course registration)
Dec. 23 – Dec. 28	Dec. 29
Dec. 29 & after	Same day as registration

Tuition and fees must be paid by the deadline. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the time for payment.

You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

## Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at [www.bellevuecollege.edu/enrollment/calendar/deadlines/](http://www.bellevuecollege.edu/enrollment/calendar/deadlines/). If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit [www.bellevuecollege.edu/tuition/](http://www.bellevuecollege.edu/tuition/) for more information about refunds.

## Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied.

**English – Combination Classes****ART & HUMANITIES DIVISION**

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

**ENGLISH COMPOSITION AND AMERICAN LITERATURE: ESSENTIAL BLACK VOICES • 10 CR**

This ENGL& 101–ENGL 261 combo class helps you complete the English Composition and American Literature requirements through an exciting exploration of contemporary African American literature. We will study a wide range of contemporary African American authors and their unique voices across genres, understanding how culture and history shape literature, and how literature in turn re-creates culture and history of our living world. Throughout the quarter, we will study canonical African American writers such as Toni Morrison, Zora Neal Hurston, James Baldwin, and Langston Hughes among others. Two novels (required to purchase) and a few short stories and poems (to be posted on Canvas for your free access) will be assigned for reading. There will be two major essay assignments (3–4 pages each) and a few short response assignments. If you have any question about the course, please feel free to contact the instructor, Hyesu Park ([hyesu.park@bellevuecollege.edu](mailto:hyesu.park@bellevuecollege.edu)).

**Interdisciplinary Studies****SOCIAL SCIENCE DIVISION**

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

**BITE ME 2.0: FOOD SECURITY & SUSTAINABILITY • 10 OR 11 CR**

Drive-thru or dining room table? Factory-processed or home-grown? Broccoli, barley, beans or edible food-like substances? What's cheap about cheap food? Is all food equal? What is real? Do you eat for nutrients, taste or cost? The focus of this course is the impacts of lifestyle choices in regard to food. We will examine our behaviors, choices, and responsibilities and consequences of our actions to our communities, nation and the entire globe by investigating ecosystem interconnections. Through our readings and discussions, we will evaluate diverse opinions and values in order to scrutinize our own personal beliefs

# Distance Education is Now eLearning!

We have changed our name to better reflect an expanded focus on learning via electronic media and educational technology for online, hybrid, and face to face classes. Virtual education offered through our online and hybrid eLearning delivery helps accommodate your busy lives!

## How to Get Started in eLearning Classes

- 1. Apply for admission:** If you are new to BC – at [www.bellevuecollege.edu/admissions/](http://www.bellevuecollege.edu/admissions/) or see page 4 for in-person instructions.
- 2. Register in person or online:** [www.bellevuecollege.edu/enrollment/registration/register/](http://www.bellevuecollege.edu/enrollment/registration/register/)  
You will see several code numbers in class descriptions:
  - **O** stands for Online
  - **A, B, or C** are section designators when there are multiple offerings of the same class.
  - **S** stands for state support.
  - For example, an OAS class is an Online class, section A, and State supported.
- 3. Pay fees:**
  - **A \$52.50 eLearning fee is added to the per-class cost for all classes.** This covers hardware, software and licensing and maintenance fees for the online resources.
  - Additional course fees vary in eLearning due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
  - If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar's Office each quarter to have your tuition adjusted after registering for classes. Phone (425) 564-2222.
  - Check the website for details: [www.bellevuecollege.edu/elearning/](http://www.bellevuecollege.edu/elearning/)
- 4. Buy your textbooks:** Online from the BC Bookstore at [bcc.collegestoreonline.com](http://bcc.collegestoreonline.com). Check the website for days and hours or call (425) 564-2285.
- 5. Log in to Canvas:** [www.bellevuecollege.edu/elearning/](http://www.bellevuecollege.edu/elearning/)
