Bellevue College Vision, Core Values and Mission

Vision: Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

Core Values: We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

Mission: BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

Why Bellevue College?

Founded in 1966, BC has half a century of proven achievement as a leader in higher education, providing strong academic preparation and the resources to help our student's succeed in today's world.

BC is the third largest college in the state of Washington.

With its long history of innovation and national recognition for exemplary programs, BC is the college of choice for 33,000 students annually who come here to learn, grow and enrich their lives, including over 1,700 international students from more than 74 countries.

BC strengthens our diverse community by helping students access educational and career opportunities in a supportive environment that encourages success, critical thinking, innovation, service, and lifelong learning. BC is committed to maintaining a campus environment in which all students feel welcome to participate in campus life. We value different backgrounds in our students, faculty and staff and are committed to maintaining a diverse student and employee population.

Benefits BC has to offer:

- › Lower Tuition Cost
- › Smaller Class Sizes
- › Closer Contact with Faculty
- › Vibrant Learning Community
- › Support Programs & Resources
- › Online, Evening & Weekend Classes

Fast Facts:

- › 17,000 students per quarter / 33,000 annually
- › Over 1,700 international students from 74 countries per year
- › 1,900 Running Start students from 30 school districts
- › More than 1,000 students with disabilities served
- › 1,091 full- and part-time faculty members and 547 staff members
- › Average class size is 22.6 students per class

Who are BC students?

You'll find a very diverse campus at BC: ethnicities, cultures, interests and age.

- › Median age is 23.7 years
- › Ages range from 16 to 64 years
- › 56% are female / 44% male
- › 47% seek a transfer degree
- › 42% seek a professional/technical degree or certificate, including baccalaureate students
- › 34% receive scholarships or grants

Your Educational Investment

Bellevue College is an excellent educational value, providing high academic quality and affordable tuition.

A college education:

- › Secures your economic future: the earnings gap between young adults with and without bachelor's degrees has stretched to its widest level in nearly half a century
- › Provides an expanded understanding of the world and personal growth
- › Exposes you to new subjects and discovery of an interest, passion or aptitude you did not know you possess

Attending Bellevue College helps you:

- › Pay lower tuition rates for your first two years of college
- › Get the basic classes completed before transferring to a university
- › Reduce and/or postpone student loan debt, potentially saving thousands of dollars for those who need financial assistance

How much will it cost?

Attending BC costs about one-third the cost of attending a four-year Washington state college like the University of Washington, based on the average cost to attend for two years (about 90 credits) and you can earn an associate's degree in the process!

1/3

Educational Institution	Cost for Two Years
Bellevue College (Associate Degree)	\$8,958 + fees*
Public Four-Year University (~90 credits)	\$22,640 + fees**

Please check www.bellevuecollege.edu/tuition/ for Non-Resident, International and Bachelor's degree rates.

*Rate based on resident tuition effective at time of publishing. Figure does not include summer quarter. Always check the college website for the most current information. **Figure based on the average cost for Washington residents to attend a Washington state college.

Lower cost does not mean lower quality.

Research has shown that our transfer students do as well or better than students who start directly at a four-year university.

"My parents saved more than \$100,000 by sending me and my siblings to Bellevue College for our first two years of college."

Educational Options

BC gives you educational options with a range of pathways.

How to Become a BC Student

Bellevue College is an open enrollment school so getting started is easy! Your first step is applying for admissions.

We do not require SAT, ACT, high school transcripts or a minimum GPA.

We accept all students who meet requirements in one of the following categories*:

- › Any applicant who has graduated from high school, or is 16 or 17 years old with a proof of a GED completion, or is 18 years of age or older.
- › Currently enrolled high school students who successfully assess into college-level English. However, these students are admitted quarter-by-quarter and are not considered “continuing students” unless they have been admitted through the Running Start program.
- › Selected applicants who meet the qualifications for selective-admissions programs. Some selective-admissions programs have enrollment limits and cannot accept all qualified applicants.
- › If you are still in high school, you may be eligible for one of BC’s High School Programs such as Running Start.

**Some exceptions for entrance to the college are made on a case-by-case basis if you do not meet eligibility criteria.*

For more information, go to: www.bellevuecollege.edu/admissions/eligibility/

Interested in learning more? Attend a BC Information Session.

We invite you to attend an information session to learn more about our degree and certificate programs, the admissions application process, assessment, advising, college programs and resources and more. Sign up now at www.bellevuecollege.edu/admissions/infosessions/.

For the steps to getting started, see page 8.

“BC is one of the best colleges around. It has strong programs and allows students to transfer credits to four-year colleges.”

Financing Your Education

Bellevue College is an economical way to begin your college education. There are multiple ways to pay for your BC education including need-based financial aid and a host of scholarships. Payment options include:

- › **Tuition Payment Plan (Self-Pay):** The Tuition Payment Plan allows for a convenient automatic payment of your tuition and fees in monthly installments each quarter. Visit www.bellevuecollege.edu/enrollment/financial/pplan/.
- › **Financial Aid and Grants:** Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, State Need Grants, BC Grants, State or Federal Work Study, Stafford Loans Subsidized/Unsubsidized, and Parent Loans (PLUS). To get started, visit the BC financial aid website at fa.bellevuecollege.edu/.
- › **Scholarships:** The Bellevue College Scholarship Resource Program helps students locate funding for their education. To learn more, visit www.bellevuecollege.edu/scholarships/. The BC Foundation also provides opportunities for scholarships. Visit their website at www.bellevuecollege.edu/foundation/scholarships/.
- › **Third Party Funding:** Options include state or federal tuition programs, Guaranteed Education Tuition Program (Get 529 Plan), or employee funded tuition.

Steps to Getting Started @ BC

Your First Time Going to College?

START HERE

1

Apply for Admission & Determine Funding

Apply for admissions at www.bellevuecollege.edu.
If applying for Financial Aid,
apply early and be aware of deadlines.

Transferring-in or Prior College Experience?

2

Determine English & Math Placement

You can do this in a variety of ways at Bellevue College, all through Bellevue College's Testing Services Office. You must obtain your Math and English course placements before attending a new student advising session. Please see Testing Services, including placement testing options: www.bellevuecollege.edu/testing/.

2

Determine Completion of Prerequisites

If you have taken courses from another institution that meet our course prerequisites, visit www.bellevuecollege.edu/transfer/prerequisites/ to learn about clearing prerequisites for course registration. Once registered for classes, request an official credit evaluation by going to www.bellevuecollege.edu/transfer/review/.

3

Attend a Bellevue Advising & Registration Kickoff (BARK) Session

Sign up for a new student advising session at www.bellevuecollege.edu/advising/first-time or visit Academic Advising on the 2nd floor of B-building to sign-up in person. Bring your English and Math assessment scores to your session. You will receive information at BARK to assist you in choosing your first quarter classes.

3

Meet with an Academic Advisor

While meeting with an academic advisor is recommended, it is not required prior to registration for students with previous college credits. To learn more about Academic Advising or how to schedule an appointment, visit www.bellevuecollege.edu/advising/meet or call (425) 564-2212.

4

Register for Classes, including First Quarter Student Success Course

You will receive hands-on assistance with online registration as part of your BARK session. There are different options for your first quarter student success course: The First Year Experience (FYE), MCS Scholars, or STEM to Stern. You will register for one of them as part of your first quarter schedule.

4

Register for Classes

Register for classes on or after your assigned registration time by visiting www.bellevuecollege.edu/registration/register/.

5

Pay Your Tuition

See payment deadlines on page 41, or visit www.bellevuecollege.edu/registration/payments/.

Section OCS will incorporate a kitchen chemistry theme, which will focus on food chemistry. Please visit www.bellevuecollege.edu/chemistry/courses/chem110 for more information.**"Why do onions make you cry?"****"Why let wine breathe?"****Curious about the science of cooking?****Sign up for CHEM&110 OAC!**

Learn about the chemistry of beer, cheese, bread, candy, and more while eating great food!

Requirements: Kitchen, food, curiosity, and an appetite!

Investigate real life... with the scientific method!

- ✓ Gain experience in a lab setting using the scientific method
- ✓ Design and execute a research project of your choosing
- ✓ Use state of the art instrumentation to obtain data

English – Combination Classes**ARTS & HUMANITIES DIVISION**

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

Interdisciplinary Studies**SOCIAL SCIENCE DIVISION**

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

BITE ME 2.0: FOOD SECURITY & SUSTAINABILITY • 10 OR 11 CR

Drive-thru or dining room table? Factory-processed or home-grown? Broccoli, barley, beans or edible food-like substances? What's cheap about cheap food? Is all food equal? What is real? Do you eat for nutrients, taste or cost? The focus of this course is the impacts of lifestyle choices in regard to food. We will examine our behaviors, choices, and responsibilities and consequences of our actions to our communities, nation and the entire globe by investigating ecosystem interconnections. Through our readings and discussions, we will evaluate diverse opinions and values in order to scrutinize our own personal beliefs.

ARE YOU WHO YOU THINK YOU ARE: BIOLOGY, RACE AND THE FINDING OF SELF • 11 CR

Who are you? Where do you come from? What information is hidden in your DNA? Come with us on a journey into your past that can help you figure out directions for the future. We will explore the connections between the 'facts' that science provides us, and the stories that we construct to explain what those 'facts' mean. Let's explore race and biology, and figure out who we are.

Parent Education

HEALTH SCIENCES, EDUCATION & WELLNESS INSTITUTE

Join a weekly class for you and your child to learn and have fun together. Classes for parents and their infants or toddlers meet once per week. Preschoolers attend a cooperative preschool on multiple days with parent participation. We also offer hands on science exploration and creative arts. Every class offers an age appropriate children's program along with parenting information providing support, skills and knowledge to help with the task of raising healthy families. Parent and child classes are located in the communities of Carnation, Snoqualmie, Sammamish, Issaquah, Bellevue, Renton and Mercer Island. Registration is ongoing. For more information please visit www.bellevuecollege.edu/parented or call (425) 564-2365.

Busy Schedule? Consider BC Online!

eLearning or virtual education offered through our online and hybrid eLearning delivery helps accommodate your busy lives. eLearning courses focus on learning via electronic media and educational technology. Please note, classes with this  symbol will have an additional \$10.50 per credit (up to 5 credits) added to the per-class cost. The following pages show our range of courses offered through eLearning.

Getting Started...

1. Apply for admission:

If you are new to BC, go to www.bellevuecollege.edu/admissions/ or see page 8.

2. Register in person or online:

www.bellevuecollege.edu/registration/

You will see several code numbers in class descriptions:

- O stands for Online
- A, B, or C are section designators when there are multiple offerings of the same class
- S stands for state support
- For example, an OAS class is an Online class, section A, and State supported.

3. Pay fees:

- A fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all fully online classes designated by this symbol . This covers hardware, software, licensing and maintenance fees for the online resources.

- Additional course fees vary in eLearning due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.

- If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar's Office each quarter to have your tuition adjusted after registering for classes. Call (425) 564-2222.

- Check the website for details: www.bellevuecollege.edu/elearning/

4. Buy your textbooks: Online from the BC Bookstore at bcc.collegestoreonline.com. Check the website for days and hours or call (425) 564-2285.

5. Log in to Canvas:
