## New Performance Season Begins

### These Shining Lives Opens Nov. 12

*These Shining Lives*, by Melanie Marnich, opens the 2015-2016 performance season at Bellevue College. The play is performed by BC students, produced by BC's Department of Theatre Arts, and is directed by Tammis Doyle. Performances are Nov. 13-15 and Nov. 20-22 at 7:30 pm in the Stop Gap Studio Theatre within Carlson Theater.

"The Roaring 1920's" – life is changing for American Women – vote, smoke, better jobs outside the home. The Radium Dial Company offers such jobs with good pay and easy work. The fact that the work itself poisons the women is at first refuted then ignored. Catherine and her friends are dying but considered expendable. This true story is based on a small group of women who refused to allow the company that stole their health to kill their spirits – or endanger the lives of those who came after them.

### Festival of Student Plays Opens Dec. 5

**DIRECTIONS:** A Festival of 10-Minute Plays by Students will be performed Saturday, Dec. 5, at 7:30 p.m. and Sunday, Dec. 6, at 2:30 and 7:30 p.m. at the Stop Gap Theatre on the Bellevue College campus. Always original, often funny and sometimes moving, these new plays showcase Bellevue College writers, directors and actors. For more Information call (425) 564-3114.

### Comprehensive Fee

A student voted \$1.50 per credit fee (\$15 maximum per quarter) is used to provide services for no additional charge. These services include (but are not limited to) transportation management, unofficial transcripts, and a catalog.

### Student Transportation Fee (Garage Debt Payments)

A student voted \$1.70 per credit fee (\$17 maximum per quarter) to support the funding

for the college parking garage and subsidize student bus passes.

### Environmental Sustainability Fee

A fee of \$1.00 per credit (\$10 maximum per quarter). A student-body-initiated fee to fund environmental projects.

### Technology fee

The technology fee (\$3.50 per 1-10 credits and \$3.50 per credit beyond 18) ensures credit students access to college-managed e-mail, the

Internet, and many software packages in a quality academic learning environment.

### Course Fees

Certain courses require fees for laboratory use, licensing, Internet service provider, etc. These fees are identified in the Credit Class Schedule; tuition and fee waivers generally do not apply.

### E-learning Fee

An eLearning fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all classes. This covers hardware, software, licensing and maintenance fees for the online resources.

### E-learning Waiver

NON-RESIDENT students enrolled in only online classes may be eligible for a tuition reduction. For more information, call Enrollment Services at (425) 564-2222 or e-mail [enrollment@bellevuecollege.edu](mailto:enrollment@bellevuecollege.edu) and ask about the "e-Learning Waiver".

## Costs for Self-Support Programs

### Tuition for Self-Support Credit Programs

Some programs are self-supporting – that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. Students pay the full tuition and fees, regardless of residency status. Self-support fees are listed with courses in the quarterly Credit Class Schedule. Self-support credit programs include upper division Interior Design, Alcohol & Drug Counseling and Fire Science.

### Continuing Education

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

## Payment Information

Winter Quarter 2016	
Registration Transaction Date	Payment Deadline
Nov. 13 – Dec. 20	Within 7 calendar days (for each course registration)
Dec. 21 – Dec. 27	December 28
Dec. 28 & After	Same day as registration

Tuition and fees must be paid by the deadline. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the time for payment.

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/wccba/waci600.html> or at the cashier's office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

## Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at [www.bellevuecollege.edu/enrollment/calendar/deadlines/](http://www.bellevuecollege.edu/enrollment/calendar/deadlines/). If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit [www.bellevuecollege.edu/tuition/](http://www.bellevuecollege.edu/tuition/) for more information about refunds.

## Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied.

## Transcript Fee

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to [www.bellevuecollege.edu/records/](http://www.bellevuecollege.edu/records/).

## Interdisciplinary Studies

SOCIAL SCIENCE DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

## BITE ME 2.0: FOOD SECURITY & SUSTAINABILITY • 10 OR 11 CR

Drive-thru or dining room table? Factory-processed or home-grown? Broccoli, barley, beans or edible food-like substances? What's cheap about cheap food? Is all food equal? What is real? Do you eat for nutrients, taste or cost? The focus of this course is the impacts of lifestyle choices in regard to food. We will examine our behaviors, choices, and responsibilities and consequences of our actions to our communities, nation and the entire globe by investigating ecosystem interconnections. Through our readings and discussions, we will evaluate diverse opinions and values in order to scrutinize our own personal beliefs.
