# **Bellevue College Vision, Core Values and Mission**

Vision: Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

**Core Values:** We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

**Mission:** BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

# Why Bellevue College?

Founded in 1966, BC has half a century of proven achievement as a leader in higher education, providing strong academic preparation and the resources to help our student's succeed in today's world.

# BC is the third largest college in the state of Washington.

With its long history of innovation and national recognition for exemplary programs, BC is the college of choice for 33,000 students annually who come here to learn, grow and enrich their lives, including over 1,700 international students from more than 74 countries.

**BC strengthens our diverse community** by helping students access educational and career opportunities in a supportive environment that encourages success, critical thinking, innovation, service, and lifelong learning. BC is committed to maintaining a campus environment in which all students feel welcome to participate in campus life. We value different backgrounds in our students, faculty and staff and are committed to maintaining a diverse student and employee population.

# Benefits BC has to offer:

- Lower Tuition Cost
- Smaller Class Sizes
- > Closer Contact with Faculty

# **Fast Facts:**

- ) 17,000 students per quarter / 33,000 annually
- Over 1,700 international students from 74 countries per year
- 1,900 Running Start students from 30 school districts

## Who are BC students?

You'll find a very diverse campus at BC: ethnicities, cultures, interests and age.

- Median age is 23.7 years
- Ages range from 16 to 64 years
- > 56% are female / 44% male
- > 47% seek a transfer degree

- > Vibrant Learning Community
- Support Programs & Resources
- > Online, Evening & Weekend Classes
- More than 1,000 students with disabilities served
- 1,091 full- and part-time faculty members and 547 staff members
- Average class size is 22.6 students per class

42% seek a professional/technical degree or certificate, including

baccalaureate students

> 34% receive scholarships or grants

# Your Educational Investment

# Bellevue College is an excellent educational value, providing high academic quality and affordable tuition.

## A college education:

- Secures your economic future: the earnings gap between young adults with and without bachelor's degrees has stretched to its widest level in nearly half a century
- Provides an expanded understanding of the world and personal growth
- Exposes you to new subjects and discovery of an interest, passion or aptitude you did not know you possess

## Attending Bellevue College helps you:

- > Pay lower tuition rates for your first two years of college
- > Get the basic classes completed before transferring to a university
- Reduce and/or postpone student loan debt, potentially saving thousands of dollars for those who need financial assistance

## How much will it cost?

Attending BC costs about one-third the cost of attending a four-year Washington state college like the University of Washington, based on the average cost to attend for two years (about 90 credits) and you can earn an associate's degree in the process!

Please check *www.bellevuecollege.edu/tuition/* for Non-Resident, International and Bachelor's degree rates.

\*Rate based on resident tuition effective at time of publishing. Figure does not include summer quarter. Always check the college website for the most current information. \*\*Figure based on the average cost for Washington residents to attend a Washington state college.

# Lower cost does not mean lower quality.

Research has shown that our transfer students do as well or better than students who start directly at a four-year university.

"My parents saved more than \$100,000 by sending me and my siblings to Bellevue College for our first two years of college."

# **Educational Options**

# BC gives you educational options with a range of pathways.

# **Bachelor's Degrees**

Opportunity awaits our bachelor's degree graduates. Grow professionally and financially by pursuing educational goals in programs designed to accommodate both individuals new to higher education and working professionals. BC currently offers twelve bachelor's degrees with more in the works.

# 6 SPRING 2017

# How to Become a BC Student

# Bellevue College is an open enrollment school so getting started is easy! Your first step is applying for admissions.

We do not require SAT, ACT, high school transcripts or a minimum GPA.

We accept all students who meet requirements in one of the following categories\*:

- Any applicant who has graduated from high school, or is 16 or 17 years old with a proof of a GED completion, or is 18 years of age or older.
- > Currently enrolled high school students who successfully assess into collegelevel English. However, these students are admitted quarter-by-quarter and are not considered "continuing students" unless they have been admitted through the Running Start program.
- Selected applicants who meet the qualifications for selective-admissions programs. Some selective-admissions programs have enrollment limits and cannot accept all qualified applicants.
- If you are still in high school, you may be eligible for one of BC's High School Programs such as Running Start.

\*Some exceptions for entrance to the college are made on a case-by-case basis if you do not meet eligibility criteria.

For more information, go to: www.bellevuecollege.edu/admissions/eligibility/

# Interested in learning more? Attend a BC Information Session.

We invite you to attend an information session to learn more about our degree and certificate programs, the admissions application process, assessment, advising, college programs and resources and more. Sign up now at *www.bellevuecollege.edu/admissions/infosessions/.* 

## For the steps to getting started, see page 8.

# **Financing Your Education**

"BC is one of the best colleges around. It has strong programs and allows students to transfer credits to four-year colleges."

Bellevue College is an economical way to begin your college education. There are multiple ways to pay for your BC education including need-based financial aid and a host of scholarships. Payment options include:

- Tuition Payment Plan (Self-Pay): The Tuition Payment Plan allows for a convenient automatic payment of your tuition and fees in monthly installments each quarter. Visit www.bellevuecollege.edu/enrollment/financial/pplan/.
- Financial Aid and Grants: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, State Need Grants, BC Grants, State or Federal Work Study, Stafford Loans Subsidized/Unsubsidized, and Parent Loans (PLUS). To get started, visit the BC financial aid website at fa.bellevuecollege.edu/.
- Scholarships: The Bellevue College Scholarship Resource Program helps students locate funding for their education. To learn more, visit www.bellevuecollege.edu/scholarships/. The BC Foundation also provides opportunities for scholarships. Visit their website at www.bellevuecollege. edu/foundation/scholarships/.
- Third Party Funding: Options include state or federal tuition programs, Guaranteed Education Tuition Program (Get 529 Plan), or employee funded tuition.

# Transferring-in or Prior College Experience?

# 2

Determine English & Math Placement

You can do this in a variety of ways at Bellevue College, all through Bellevue College's Testing Services Office. You must obtain your Math and English course placements before attending a new student advising session. Please see Testing Services, including placement testing options: www.bellevuecollege.edu/testing/.

# 3

# Attend a Bellevue Advising & Registration Kickoff (BARK) Session

Sign up for a new student advising session at *www.bellevuecollege. edu/advising/first-time* or visit Academic Advising on the 2nd floor of B-building to sign-up in person. Bring your English and Math assessment scores to your session. You will receive information at BARK to assist you in choosing your first quarter classes.

# Register for Classes, including First Quarter Student Success Course

You will receive hands-on assistance with online registration as part of your BARK session. There are different options for your first quarter student success course: The First Year Experience (FYE), MCS Scholars, or STEM to Stern. You will register for one of them as part of your first quarter schedule. Determine Completion of Prerequisites

If you have taken courses from another institution that meet our course prerequisites, visit *www.bellevuecollege.edu/transfer/prereq-uisites/* to learn about clearing perquisites for course registration. Once registered for classes, request an official credit evaluation by going to *www.bellevuecollege.edu/transfer/review/*.

# Meet with an Academic Advisor

While meeting with an academic advisor is recommended, it is not required prior to registration for students with previous college credits. To learn more about Academic Advising or how to schedule an appointment, visit www.bellevuecollege.edu/advising/meet or call (425) 564-2212.

# **4** Register for Classes

Register for classes on or after your assigned registration time by visiting www.bellevuecollege.edu/registration/register/.

# English – Combination Classes

**ARTS & HUMANITIES DIVISION** 

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

### **ENGLISH COMPOSITION AND** WOMEN WRITERS - 10 CR

This course looks at the influence of women writers from the past (Virgina Woolf, Adrienne Rich, Anaiis Nin, Audre Lorde, Anne Sexton, Maya Angelou) on women writers of the present (Maggie Nelson, Chimamanda Ngozi, Jeannette Winterston, Zadie Smith, Lena Dunham, Roxane Gay). We will look at gender representation, female sexuality, domesticity and motherhood, and the ways in which the women who came before have helped question. alter, resist, subvert, and reimagine these topics for the women of today.

#### THE RESEARCH PAPER & KING ARTHUR. THE ROUND TABLE & THE GRAIL • 10 CR

This course explores the historical basis for King Arthur and analyzes various legends that relate to Arthur, his knights, and their quest for the grail. Of import is to query why these legends, which have been reinterpreted and rewritten since at least the 1100s, continue to hold such allure. Materials from this course will constitute the basis for student research papers.

# **Interdisciplinary Studies**

SOCIAL SCIENCE DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

#### INTER 145 Bite Your Tongue: The Psychology of Intercultural Communication • 10 CR

Have you ever wondered about the interconnectedness between your individual thoughts, your culture, and your environment and how those factors come into play in your everyday communication style and social interactions? Join with us on an adventure examining the relationship between psychology, culture, and interpersonal communication. We will spend time in an active learning environment exploring issues of identity, acculturation, perceptual attributions, values and beliefs, conflict, verbal and nonverbal behavior, and prejudice through a psychological and social interaction-based lens.

#### INTER 150 Fighting for the Planet: The Political Economy of Climate Change • 10 CR

The science is in. Climate change is threatening life on the planet. Unless humans radically reduce the burden we place on the earth, we are headed for disaster. Unfortunately, the global community has done very little to battle climate change. Indeed, key policy decisions of the last decade push us in precisely the wrong direction; calling for faster economic growth and higher levels consumption. How is this possible? Are we in denial? Why are our leaders ignoring the facts? And, most importantly, what can you do to become more knowledgeable and engaged with environmental issues? This class will address these questions and explore the relationship between capitalism, our political system, and the nature of the environmental crisis.

#### INTER 175 What is Black: Blackness in the Modern Diaspora • 10 CR

What is Black? Who gets to be black and who doesn't? And how does the range of colors of black skin impact the experiences of people who meet this category? Come with us on a journey into Blackness as we explore the peoples of the African Diaspora where ever we may find them. Through history, art, music, literature, science, scholarship, governance, business and every other field of endeavor. This class will take a look at the myriad ways that people throughout the world live their blackness. And remember you don't have to be black to appreciate Blackness!

SELECTIVE DEGREE PROGRAM

Unlike any other program in the nation, Occupational & Life Skills (OLS) at Bellevue College is an accredited degree program for adults with learning disabilities. In our uniquely supportive program, students learn to identify and develop a career pathway, grow interpersonal skills, build life-long friendships, and gain marketable, worplace-ready skills. OLS creates a guided pathway for graduating students to become gainfully employed, contributing citizens. Since the inception of our program, 85% of our graduates are employed and 30% enjoy upward career mobility. For more information, please visit our website at www.olsatbellevuecollege.com.

HEALTH SCIENCES, EDUCATION & WELLNESS INSTITUTE

Join a weekly class for you and your child to learn and have fun together. Classes for parents and their infants or toddlers meet once per week. Preschoolers attend a cooperative preschool on multiple days with parent participation. We also offer hands on science exploration and creative arts. Every class offers an age appropriate children's program along with parenting information providing support, skills and knowledge to help with the task of raising healthy families. Parent and child classes are located in the communities of Carnation, Snogualmie, Sammamish, Issaguah, Bellevue, Renton and Mercer Island. Registration is ongoing so call to join a class anytime.

# Busy Schedule? **Consider taking BC eLearning Classes!**

eLearning or virtual education offered through our online and hybrid eLearning delivery helps accommodate your busy lives. eLearning courses focus on learning via electronic media and educational technology. Please note, classes with this 💻 symbol will have an additional \$10.50 per credit (up to 5 credits) added to the per-class cost. The following pages show our range of courses offered through eLearning.

# Getting Started...

**1.** APPLY FOR ADMISSION: If you are new to BC, go to www.bellevuecollege.edu/admissions/ or see page 8.

- **2.** REGISTER IN PERSON OR ONLINE: www.bellevuecollege.edu/registration/ You will see several code numbers in class descriptions:
  - **0** stands for Online
  - **A**, **B**, or **C** are section designators when there are multiple offerings of the same class
  - **S** stands for state support
  - For example, an OAS class is an Online class, section A, and State supported.

#### **3.** PAY FEES:

- A fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all fully online classes designated by this symbol . This covers hardware, software, licensing and maintenance fees for the online resources.
- Additional course fees vary in eLearning due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
- If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar's Office each quarter to have your tuition adjusted after registering for classes. Call (425) 564-2222.
- Check the website for details: www.bellevuecollege.edu/elearning/

**4. BUY YOUR TEXTBOOKS:** Online from the BC Store at *bcc.college* storeonline.com. Check the website for days and hours or call (425) 564-2285.

**5. LOG IN TO CANVAS:**
