## Expect a Magical Evening at "CARNIVAL"

BC students will perform magic tricks and exhibit their newly acquired circus skills in BC's winter drama production of the musical *Carnival*. They will perform under the big top in Carlson Theater March 11-14. Performances begin at 7:30 p.m.

With book by Michael Stewart and music and lyrics by Bob Merrill, the 1962 Tony Award for Best Musical went to this lovely show about a girl who finds herself working in a traveling circus. The musical is based on the 1953 film *Lili*. Lilly is excited by Marco, the Magician, charmed by

the Puppets she works with and is fearful of Paul, the puppeteer she begins to love. The production received support from the School of Acrobatics and New Circus Arts in Seattle. SANCA is the largest circus school in the United States. The public is invited. General tickets cost \$12, \$10 for students. Tickets are available at 1-800-838-3006 or <http://www.brownpapertickets.com/event/1082887>.

### Other productions coming Spring quarter:

**God of Carnage** by Yasmina Reza, directed by Derik Radcliffe, produced by Stage Fright Student Drama, April 16-18, Stop Gap Studio Theatre

In this year's student directed drama two sets of parents attempt to discuss a fight between their sons. What begins as a calm adult discussion soon descends into childish chaotic violence. This 2009 Tony Award winner for Best Play is a brilliant look at the many levels and ways to avoid and embrace conflict and resolution.

**The Witch of Blackbird Pond** by Y. York, adapted from the book by Elizabeth George Speare, May 28-June 6, Stop Gap Studio Theatre

Set in 17th century Puritanical New England, this Newbery Award winning novel sets Kit, a teenager from Barbados against her strict relatives in colonial Connecticut. Because of her friendship with a shunned Quaker woman and her own joyous behavior, Kit finds her own freedom and life in danger.

## April 14 date set for 16th Annual BC Foundation Become Exceptional Luncheon

## Excitement Mounting for BC's Annual Earth Week Celebration

Bellevue College students and faculty are gearing up for another jam-packed Earth Week celebration set for April 20-24. The week will feature educational events. Other events include lectures, a film series, and a farmers market.

Earth Week, sponsored by BC's Sustainability and Science Association and Office of Sustainability, began about a dozen years ago as an effort to promote environmental awareness and sustainable use of our planet's resources, timed to coincide with Earth Day celebrations around the world, which

occurs April 22 this year. From engaging students in discussions on ecological issues to learning about innovative ways to implement a sustainable lifestyle, the goal is to produce exciting and educational events to inspire and bring environmental and sustainability awareness to BC students.

"Earth Week gives our students and the public the opportunity to learn more about how sustainability and environmental issues are connected to everything we do," said Dr. Robert Viens, dean of the college's

Science Division and organizer of Earth Week. "It's vital for the college to incorporate this ethic into our teaching to provide our students the skills they need to live and work in a healthy, sustainable world."

March 30 & after	Same day as registration

Tuition and fees must be paid by the deadline. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the time for payment.

You may pay by check through the mail, or by check or cash at the cashier's office. ## Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at [www.bellevuecollege.edu/enrollment/calendar/deadlines/](http://www.bellevuecollege.edu/enrollment/calendar/deadlines/). If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit [www.bellevuecollege.edu/tuition/](http://www.bellevuecollege.edu/tuition/) for more information about refunds.

## Drop for Non-Payment

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). **Interdisciplinary Studies****SOCIAL SCIENCE DIVISION**

Interdisciplinary Studies (IDS) courses combine the study of two or more subjects into one integrated "learning community," usually for ten or more credits. Each IDS course features a theme (such as sustainability or social justice) that forms a common thread across disciplines. The focus of these courses is YOU. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. The student-centered, discussion-oriented format of these courses encourages and supports different points of view and creates a social climate that promotes collaborative learning. For additional information regarding the IDS program, contact Tim Jones at (425) 564-2010 or [tim.jones@bellevuecollege.edu](mailto:tim.jones@bellevuecollege.edu).

**DOUBLE FEATURE: THE HISTORY OF FILM & MUSIC • 15 CR**

An historical survey of film through an examination of the great collaborative teams. Course topics include visual, auditory, and written aspects of cinema, as well as the trends and techniques generated by successful collaborations. Students in the English 101/271 portion will engage these topics through discussion, readings and by using college-level academic writing conventions.

The curriculum is occupational and life skills based taught through scaffolded instruction and universal design. All OLS courses focus on developing critical thinking skills, soft skills, and self-determination skills. Courses incorporate service learning in the community with local businesses as a way to help students utilize new skills outside of the classroom. - 2. Register in person or online:** [www.bellevuecollege.edu/registration/](http://www.bellevuecollege.edu/registration/)
