BELLEVUE
COLLEGE

Vision

Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

Core Values

We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

Mission

BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

College Announcements

Emergency Closure: BC will cancel on-campus classes and close its offices if severe weather or emergency conditions make the campus unsafe. Call (425) 401-6680 for a recorded message about the closure status of the college. Emergency closure information is also posted at www.bellevuecollege.edu/status/, and www.schoolreport.com, and normally announced over local radio and TV stations. Online courses will continue as scheduled even when the college's physical campus is closed.

Changes in Schedule Information: Every effort is made to ensure that information in this publication is accurate. Changes to courses may occur after printing. Unforeseen changes in funding, staffing, curricula, or policies may require the college to change provisions of the Credit Class Schedule or Course Catalog, or to add or withdraw courses, without prior notice. For continually updated information, go to www.bellevuecollege.edu and click on "Classes." Comments about this publication may be sent to sharon.berg@bellevuecollege.edu.

Equal Opportunity/Antidiscrimination: Bellevue College does not discriminate on the basis of race or ethnicity; creed; color; national origin; sex; marital status; sexual orientation; age; religion; genetic information; the presence of any sensory, mental, or physical disability; or veteran status in educational programs and activities which it operates... Please see policy 4150 at www.bellevuecollege.edu/policies/.

We are Celebrating BC's 50th Anniversary

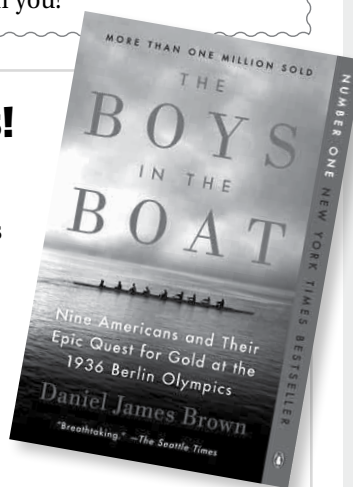

BC turned 50 in January and we celebrated with an ice-skating party with the rink set up right on campus. Hot chocolate and s'mores made it even more fun. Special events and programs are planned all year long at various locations to observe this momentous year. The

celebration will culminate with a gala January 2017. More information on each event will be announced closer to the event date. Check the 50th Anniversary website at www.bellevuecollege.edu/50years/ for the latest news. If you have event ideas, photos or memorabilia you'd like to share, please email 50th@bellevuecollege.edu. We would love to hear from you!

"The Boys in the Boat" BC Reads! Book of the Year

This year's BC Reads! book is Daniel James Brown's "The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Olympics". It tells the remarkable, true story of the eight-oar University of Washington rowing team, nine young men from working-class families that won the gold medal for the United States in the 1936 Berlin Olympics. The author's website quotes author Timothy Egan's comment that it is a "well told history, packed with suspense and a likable bunch of underdogs at the heart of an improbable triumph."

Brown, a California transplant, resides in east King County. He came across the idea for the story when a neighbor asked him to visit her elderly father, Joe Rantz – who was one of the boys in the boat. Rantz told Brown the story, and Brown, a seasoned author, recognized that it was a great story

Boats on exhibit in BC Library

In conjunction with BC Reads! selection "The Boys in the Boat," two wooden racing shells on loan from the George Pocock Rowing Foundation are hanging above the atrium area in the Bellevue College Library, D126. A 27-foot single and a 45-foot four-person boat, both hand-built in the early 1970s, are on display through March 23. George Pocock, who also built the racing shell used by the UW crew during the 1936 Olympics, built the racing shells. The public is welcome.

Two New Bachelor's Degrees Approved

Bellevue College recently received approval from the Northwest Commission of Colleges and Universities (NWCCU) to offer two new bachelor's degree programs: Health Promotion Management (HPM) and Healthcare Management and Leadership (HCML). They will provide area residents with affordable paths to family-wage jobs in these growing fields. They raise the total number of four-year degrees offered at BC to 10.

The HPM BAS program helps prepare its graduates to manage in the development and lead sustainable, research-based employee or community-based wellness programs. The 90-credit evening class program includes a mix of hybrid and online courses one to three evenings per week.

The HCML BAS curriculum is built around the essentials of leadership with emphasis on the business and administrative functions of healthcare. The degree helps prepare its graduates to become supervisors, managers and administrators within hospitals, clinics and healthcare centers.

The two programs officially begin classes fall quarter and are accepting applications now.

Your First Time Going to College?

Step 1: Apply for Admissions and Determine Funding

Apply for admissions at www.bellevuecollege.edu. If applying for Financial Aid, apply early and be aware of deadlines.

Step 2: Assess English and Math Skills

Take the assessment at Testing Services, 1st floor, B building. Bring your BC SID#, a valid photo ID and a credit/debit card or check to pay the fee. Go to www.bellevuecollege.edu/testing/compass/ to view the assessment schedule and to learn more.

Step 3: Attend a Bellevue Advising & Registration Kickoff (BARK) Session

Sign up for a session here: www.bellevuecollege.edu/advising/meet/first-time/ or visit Academic Advising on the 2nd floor of B-building to sign-up in person. Bring your English and Math assessment scores to your 90-minute session. You will receive information at BARK to assist you in choosing your first quarter classes.

Step 4: Register for your classes, including a first quarter student success course

You will receive hands-on assistance with online registration as part of your BARK session. There are two first quarter student success courses: The First Year Experience (FYE) and the Comprehensive Success Initiative (CSI). You will enroll into one of them as part of your first quarter schedule.

Step 5: Pay Your Tuition

See payment deadlines on page six, or visit www.bellevuecollege.edu/registration/payments/.

Need help with registration? Go to:
www.bellevuecollege.edu/registration/help/

for step-by-step directions or come to the Registration Office in the Student Affairs building.

Transferring-in or have Prior College Experience?

Step 1: Apply for Admissions and Determine Funding

Apply for admissions at www.bellevuecollege.edu. If applying for Financial Aid, apply early and be aware of deadlines.

Step 2: Determine Completion of Prerequisites

If you have taken courses from another institution that meet our course prerequisites, visit www.bellevuecollege.edu/transfer/prerequisites/ to learn about the procedure for clearing prerequisites for course registration. Once registered for classes, request an official credit evaluation by going to www.bellevuecollege.edu/transfer/review/.

Step 3: Meet with an Academic Advisor

While meeting with an academic advisor is recommended, it is not required prior to registration for students with previous college credits. To learn more about Academic Advising or how to schedule an appointment, visit www.bellevuecollege.edu/advising/meet or call (425) 564-2212.

Step 4: Register for Classes

Register for classes on or after your assigned registration time by visiting www.bellevuecollege.edu/registration/register/.

Step 5: Pay Your Tuition

See payment deadlines on page six, or visit www.bellevuecollege.edu/registration/payments/.

Please note that all tuition and fee rates are subject to change by the Board of Trustees and/or the Washington State Legislature. Additional fees are described below. *Self-Support degrees currently include Healthcare Technology & Management, Information Systems & Technology, Interior Design, and Nursing. State-Support degrees currently include Radiation & Imaging Sciences.

Comprehensive Fee

A student voted \$1.50 per credit fee (\$15 maximum per quarter) is used to provide services for no additional charge. These services include (but are not limited to) transportation management, unofficial transcripts, and a catalog.

Student Transportation Fee (Garage Debt Payments)

A student voted \$1.70 per credit fee (\$17 maximum per quarter) to support the funding

for the college parking garage and subsidize student bus passes.

Environmental Sustainability Fee

A fee of \$1.00 per credit (\$10 maximum per quarter). A student-body-initiated fee to fund environmental projects.

Technology fee

The technology fee (\$3.50 per 1-10 credits and \$3.50 per credit beyond 18) ensures credit students access to college-managed e-mail, the

Internet, and many software packages in a quality academic learning environment.

Course Fees

Certain courses require fees for laboratory use, licensing, Internet service provider, etc. These fees are identified in the Credit Class Schedule; tuition and fee waivers generally do not apply.

E-learning Fee

An eLearning fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all fully online classes designated by this symbol: . This covers hardware, software, licensing and maintenance fees for the online resources.

Non-resident Online Student Waiver

NON-RESIDENT students enrolled in only online classes may be eligible for a tuition reduction. For more information, call Enrollment Services at (425) 564-2222 or e-mail enrollment@bellevuecollege.edu and ask about the "e-Learning Waiver".

Costs for Self-Support Programs

Tuition for Self-Support Credit Programs

Some programs are self-supporting – that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. Students pay the full tuition and fees, regardless of residency status. Self-support fees are listed with courses in the quarterly Credit Class Schedule. Self-support credit programs include upper division Interior Design, Alcohol & Drug Counseling and Fire Science.

Continuing Education

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

Payment Information

Spring Quarter 2016	
Registration Transaction Date	Payment Deadline
February 12 – March 20	Within 7 calendar days (for each course registration)
March 21-27	March 28
March 28	Same day as registration

Tuition and fees must be paid by the deadline. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the time for payment.

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/wccba/waci600.html> or at the cashier's office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at www.bellevuecollege.edu/enrollment/calendar/deadlines/. If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit www.bellevuecollege.edu/tuition/ for more information about refunds.

Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied.

Transcript Fee

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to www.bellevuecollege.edu/records/.

Competency Based Online (CBO) Classes

Students participate in a self-paced online course with the support of a student Navigator. Students will complete a pre-test to identify their strengths and weaknesses, allowing them to fast forward through course topics that they understand well. Once proven competent in all course topics, students receive credit and can move on; instructor permission required. *See BTS on page 15 for course listings.*

English – Combination Classes

ARTS & HUMANITIES DIVISION

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

Interdisciplinary Studies

SOCIAL SCIENCE DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

INTER 145 Mind Your Language: The Psychology of Intercultural Communication • 10 CR

Have you ever wondered about the interconnectedness between your individual thoughts, your culture, and your environment and how those factors come into play in your everyday communication style and social interactions? Join with us on an adventure examining the relationship between psychology, culture, and interpersonal communication. We will spend time in an active learning environment exploring issues of identity, acculturation, perceptual attributions, values and beliefs, conflict, verbal and nonverbal behavior, and prejudice through a psychological and social interaction-based lens.

Receive 10 credits from the following courses:

- CMST&210 Interpersonal Communication (5 CR) or
- CMST 280 Intercultural Communication (5 CR), and
- PSYC 240 Social Psychology (5 CR) or
- PSYC 250 Cross Cultural Psychology (5 CR).

INTER 150 Fighting for the Planet: The Political Economy of Climate Change • 10 CR

The science is in. Climate change is threatening life on the planet. Unless humans radically reduce the burden we place on the earth, we are headed for disaster. Unfortunately, the global community has done very little to battle climate change. Indeed, key policy decisions of the last decade push us in precisely the wrong direction; calling for faster economic growth and higher levels consumption. How is this possible? Are we in denial? Why are our leaders ignoring the facts? And, most importantly, what can you do to become more knowledgeable and engaged with environmental issues? This class will address these questions and explore the relationship between capitalism, our political system, and the nature of the environmental crisis.

Receive 10 credits from the following courses:

- ECON 100 Introduction to Basic Economic (5 CR) or
- ECON 250 Economics of Sustainability (5 CR), and
- POLS& 101 Introduction to Political Science (5 CR) or

Busy Schedule? Consider BC Online!

eLearning or virtual education offered through our online and hybrid eLearning delivery helps accommodate your busy lives. eLearning courses focus on learning via electronic media and educational technology. Please note, classes with this  symbol will have an additional \$10.50 per credit (up to 5 credits) added to the per-class cost. The following pages show our range of courses offered through eLearning.

Getting Started...

- 1. Apply for admission:** If you are new to BC – at www.bellevuecollege.edu/admissions/ or see page 4 for in-person instructions.
- 2. Register in person or online:** www.bellevuecollege.edu/registration/
You will see several code numbers in class descriptions:
 - **O** stands for Online
 - **A, B, or C** are section designators when there are multiple offerings of the same class.
 - **S** stands for state support.
 - For example, an OAS class is an Online class, section A, and State supported.
- 3. Pay fees:**
 - An eLearning fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all fully online classes designated by this symbol . This covers hardware, software, licensing and maintenance fees for the online resources.
 - Additional course fees vary in eLearning due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
 - If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar's Office each quarter to have your tuition adjusted after registering for classes. Phone (425) 564-2222.
 - Check the website for details: www.bellevuecollege.edu/elearning/
- 4. Buy your textbooks:** Online from the BC Bookstore at bcc.collegestoreonline.com. Check the website for days and hours or call (425) 564-2285.
- 5. Log in to Canvas:** www.bellevuecollege.edu/elearning/

Hybrid Classes: On Campus & Online

Hybrid courses combine campus classroom sessions and online, giving you the best of both worlds. The combination makes it so that you can come to campus less often, but still have face-to-face classroom interaction with your faculty and fellow students. See department listings (pages 9-37) for more details.

HEALTHCARE MANAGEMENT & LEADERSHIP BAS

The importance of healthcare quality, frustrations about healthcare expenses, the growing aging population, and the introduction of new diseases into our society demand healthcare leaders and managers who possess new skills.

This degree allows students to undertake healthcare management as their chief area of study. With curriculum built around the essentials of leadership and emphasis on the business/administrative functions of healthcare, graduates will be poised to become successful supervisors, managers and administrators within hospitals, clinics and healthcare centers.
