Internet, and many software packages in a quality academic learning environment.

### Course Fees

Certain courses require fees for laboratory use, licensing, Internet service provider, etc. These fees are identified in the Credit Class Schedule; tuition and fee waivers generally do not apply.

### E-learning Fee

An eLearning fee of \$10.50 per credit (5 credit class = \$52.50) is added to the per-class cost for all fully online classes designated by this symbol: . This covers hardware, software, licensing and maintenance fees for the online resources.

## Costs for Self-Support Programs

### Tuition for Self-Support Credit Programs

Some programs are self-supporting – that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. Students pay the full tuition and fees, regardless of residency status. Self-support fees are listed with courses in the quarterly Credit Class Schedule. Self-support credit programs include upper division Interior Design, Alcohol & Drug Counseling and Fire Science.

### Continuing Education

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

## Payment Information

Summer Quarter 2016	
Registration Transaction Date	Payment Deadline
May 13 – June 12	Within 7 calendar days (for each course registration)
June 13 – 19	June 20
June 20 & after	Same day as registration

Tuition and fees must be paid by the deadline. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the time for payment.

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/wccba/waci600.html> or at the cashier's office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

## Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at [www.bellevuecollege.edu/enrollment/calendar/deadlines/](http://www.bellevuecollege.edu/enrollment/calendar/deadlines/). If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit [www.bellevuecollege.edu/tuition/](http://www.bellevuecollege.edu/tuition/) for more information about refunds.

## Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied.

## Transcript Fee

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to [www.bellevuecollege.edu/records/](http://www.bellevuecollege.edu/records/).

# Hybrid Classes: On Campus & Online

Hybrid courses combine campus classroom sessions and online, giving you the best of both worlds. The combination often means you come to campus less often, but still have face-to-face classroom interaction with your faculty and fellow students. See department listings (pages 9-21) for more details.
