## Vision

Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

## Core Values

We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

## Mission

BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

## College Announcements

**Emergency Closure:** BC will cancel on-campus classes and close its offices if severe weather or emergency conditions make the campus unsafe. Call (425) 401-6680 for a recorded message about the closure status of the college. Emergency closure information is also posted at [www.bellevuecollege.edu/status/](http://www.bellevuecollege.edu/status/), and [www.schoolreport.com](http://www.schoolreport.com), and normally announced over local radio and TV stations. Online courses will continue as scheduled even when the college's physical campus is closed.

**Changes in Schedule Information:** Every effort is made to ensure that information in this publication is accurate. Changes to courses may occur after printing. Unforeseen changes in funding, staffing, curricula, or policies may require the college to change provisions of the Credit Class Schedule or Course Catalog, or to add or withdraw courses, without prior notice. For continually updated information, go to [www.bellevuecollege.edu](http://www.bellevuecollege.edu) and click on "Classes." Comments about this publication may be sent to [sharon.berg@bellevuecollege.edu](mailto:sharon.berg@bellevuecollege.edu).

**Equal Opportunity/Antidiscrimination:** Bellevue College does not discriminate on the basis of race or ethnicity; creed; color; national origin; sex; marital status; sexual orientation; age; religion; genetic information; the presence of any sensory, mental, or physical disability; gender identity or veteran status in educational programs and activities which it operates. ## ***The Immortal Life of Henrietta Lacks* selected for 2012-2014 BC Reads!**

If you are looking for a fascinating read, join our faculty and students in reading the BC Reads! selection for 2013-2014: *The Immortal Life of Henrietta Lacks*. This non-fiction work by award-winning science writer Rebecca Skloot took more than 10 years to research and write and became an instant New York Times bestseller.

While her name was Henrietta Lacks, scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet in 1950,

as she lay dying of cancer, her cells – taken without her knowledge – became one of the most important tools in medicine. The first “immortal” human cells grown in culture, they are still alive today. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Though her cells had launched a multimillion-dollar industry that sells human biological materials, Henrietta Lacks remains virtually unknown, and was buried in an unmarked grave.

BC Reads! is sponsored annually by the Library Media Center. Instructors from many disciplines integrate each year's common book into student learning experiences. BC students who read the book are eligible to enter to win a scholarship to be awarded spring quarter. Interested students should visit [http://bellevuecollege.edu/lmc/bcreads\\_scholarship.html](http://bellevuecollege.edu/lmc/bcreads_scholarship.html) for more information. Instructional materials are available at <http://bellevuecollege.libguides.com/content.php?pid=439365&sid=3597192>

## **Annual Student Art Exhibit in Progress**

Work by students in BC's art program will be on display through September 27 in the college's art gallery, Gallery Space, during the Bellevue College Annual Student Art Exhibit. During Summer Quarter, the Gallery Space is open Tuesday, Wednesday and Friday from 9:00 am – 1:00 pm.

Pieces in this exhibit represent the best of this year's work as nominated by Art Department faculty. Nearly three dozen works by current Bellevue College student artists are in a variety of media, including photography, ceramics, sculpture, drawing, painting, and video. Events in the Gallery Space are always free and open to the public.

Bellevue College is fortunate to offer coursework in drawing, design, darkroom and digital photography, printmaking, sculpture and metal fabrication, woodworking, painting, ceramics, and various special topics.

Gallery Space is located in room D271, above the Library Media Center on the south courtyard of the college's main campus (3000 Landerholm Circle SE). Contact Chad White, Gallery Director, at [chad.white@bellevuecollege.edu](mailto:chad.white@bellevuecollege.edu) for an appointment or if you need special accommodations.

## Your First Time Going to College?

### Step 1: Apply for Admissions

Apply at [bellevuecollege.edu](http://bellevuecollege.edu).

### Step 2: Assess English and Math Skills

Take the assessment at the Assessment Office, 1st floor, B132F.

- Bring your BC SID#, a valid photo ID and a credit/debit card or check to pay fee.
- No appointment needed. Just drop-in. Go to [bellevuecollege.edu/enrollment/assessment](http://bellevuecollege.edu/enrollment/assessment) to view the assessment schedule.
- The assessment is not timed, but plan for about 2-3 hours.

### Step 3: Meet with a New Student Advisor to Select Your Classes

*You are required to meet with an advisor prior to registering for classes.* On or after your assigned registration appointment time, drop-in during the following hours:

#### New Student Advising Hours

May 28th – September 19th (closed July 4th & Sept. 2nd)

Monday – Wednesday: 10:00 a.m. – 4:30 p.m.

Thursday: 10:00 a.m. – 3:00 p.m.

Friday: No new student advising

### Step 4: Register for your Classes and FYE

You receive hands-on assistance with online registration immediately following your advising session. There are two freshman student success programs: the Comprehensive Success Initiative (CSI) and the First Year Experience (FYE). Your advisor will help you identify into which one you are required to enroll.

@ Bellevue College

### Step 5: Pay Your Tuition

**Fall quarter tuition and fees are due by August 15th.** After August 15th, tuition and fees are due immediately. There is a grace period of 7 calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. There is no grace period once the quarter has begun.

## Need help with registration?

See page 7 or go to [bellevuecollege.edu/enrollment/registration/help/](http://bellevuecollege.edu/enrollment/registration/help/) for step-by-step directions or come to the Registration Office in the Student Services Building.

## Transferring-in or have Prior College Experience?

### Step 1: Apply for Admissions

Previous BC students who have been absent for four or more quarters must re-apply at [bellevuecollege.edu](http://bellevuecollege.edu).

### Step 2: Determine Completion of Prerequisites and English/Math Placement

- **Prerequisites:** If you have taken courses from another institution that meet our course prerequisites, visit [bellevuecollege.edu/enrollment/transfer/prerequisites](http://bellevuecollege.edu/enrollment/transfer/prerequisites) to learn about the procedure to clear prerequisites for registration purposes.
- **Math and English:** If you have not completed a 100-level math and/or English course, take the skills assessment prior to meeting with an advisor. Learn more at: [bellevuecollege.edu/enrollment/assessment/testing](http://bellevuecollege.edu/enrollment/assessment/testing)

### Step 3: Meet with an Academic Advisor

While meeting with an academic advisor is recommended, it is not required. Academic advisors provide an unofficial review of your previous credits and assist with course selection.

#### University Transfer Advising:

- Business transfer, (425) 564-2331 or go to D110
- Science, Computer Science, Pre-med, and Engineering transfer, (425) 564-2321 or go to L200
- All other university transfer majors, (425) 564-2212 or go to B232

#### Professional Technical Advising (career preparation programs):

- Nursing and public health related, (425) 564-2012 or go to R130
- Radiation and Imaging Programs, (425) 564-2316 or go to A251
- IT and Business related, (425) 564-2311 or go to A254

For Advising Center Hours visit: [bellevuecollege.edu/advising](http://bellevuecollege.edu/advising)

### Step 4: Register for Classes

Register for classes on or after your registration time at [bellevuecollege.edu](http://bellevuecollege.edu).

### Step 5: Pay Your Tuition

**Fall quarter tuition and fees are due by August 15th.** After August 15th, tuition and fees are due immediately. There is a grace period of 7 calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. There is no grace period once the quarter has begun.

- A technology fee of \$3.50 per credit 1-10 credits and \$3.50 per credit beyond 18 credits.
- An environmental sustainability fee of \$1.00 per credit with a \$10. Maximum.
- Certain courses require fees for laboratory use, licensing, and other costs. These fees are identified in the class schedule

### Course fees

Certain courses require fees for laboratory use, licensing, internet service provider, etc. These fees are identified in the class listings

### Fee for Distance Education Courses

Online courses have a per class fee that pays for hardware, software and licensing. For details visit <http://bellevuecollege.edu/distance/tuition/>.

## Residency for Tuition Purposes

If you are classified as a non-resident and would like to know how to become eligible to pay resident tuition, please call the Residency Office at (425) 564-4143 for information, or go online to [www.bellevuecollege.edu/enrollment/admissions/eligibility](http://www.bellevuecollege.edu/enrollment/admissions/eligibility). Note: Non-resident students enrolled in **only online classes** may be eligible for a tuition reduction. For more information, please call (425) 564-2222 or email [enrollment@bellevuecollege.edu](mailto:enrollment@bellevuecollege.edu) and ask about the "Distance Education Waiver".

Self-supporting programs charge the same amounts for residents and non-residents.

## Costs for Self-Support Programs

### Tuition for Self-Support Programs

(ie: Upper division Interior Design, lower level Alcohol & Drug Counseling, Fire Science, etc.)

Some programs are self-supporting - that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. In these programs you pay the full fee, regardless of your residency status. Self-support fees are listed with courses in the quarterly class schedule.

For details of each fee, please visit <http://bellevuecollege.edu/enrollment/tuition/>.

### Fee for Continuing Education Courses

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

## Payment Information

Tuition and fees must be paid within seven (7) calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not

extend or renew the seven (7) original calendar days. **Registrations on or after the first day of the quarter require immediate payment at the time of registration.** There is no grace period once the quarter has begun. If you register after the third day of the quarter, you must obtain a blue permission card from the instructor to enroll. If you register on or after Oct. 7, you must obtain a red permission card from the instructor and pay a late registration fee for each course in addition to regular tuition and fees. You are responsible for learning the exact amount of tuition and fees due. Find this information from your class schedule online at <http://bellevuecollege.edu/services/schedule.asp>.

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/uccba/waci600.html> or at the cashier's office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

## Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the third day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at <http://bellevuecollege.edu/enrollment/calendar/deadlines/>. If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit <http://bellevuecollege.edu/enrollment/tuition/> for more information about refunds.

## Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection

service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied. Transcript Fee

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to [www.bellevuecollege.edu/enrollment/records/](http://www.bellevuecollege.edu/enrollment/records/).

## Student Confidentiality/Records: FERPA

Notice is hereby given that all students at Bellevue College are protected by the Family Educational Rights and Privacy Act (FERPA), of 1974. The college has adopted institutional procedures in compliance with Public Law 93-380, FERPA. Your privacy is protected with certain restrictions on the disclosure of your student educational records and information. You have the following rights, protection and privacy of your educational records at Bellevue College.

- 1) The right to inspect and review your student education records within 45 days, the college receives a written request for access. Students must submit a written request to the Associate Dean of Enrollment Services identifying the record(s) they wish to inspect.
- 2) The right to request the amendment of the student's educational records the student believes inaccurate. A written request identifying the records in question and justification of why it is inaccurate must be sent to the Associate Dean of Enrollment Services.
- 3) The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. The college will disclose the following directory information (name of student, degree or certificate awarded, dates of attendance, athletic statistics, scholarships received, membership or position in BC student government or honor society, part-time or full-time student status, previous schools attended, BC e-mail address.) Exceptions to disclose includes those records requested by subpoena, in emergency situations, in compliance with the Solomon Amendment (Military requests), Department of Education requests, IRS Hope Scholarship and Lifetime Learning tax credit programs and information provided to the National Student Clearinghouse. Students may request through written notice, that the college does not release directory information at the Student Services Office.
- 4) The right to file a complaint with the US Department of Education concerning alleged failures by Bellevue College to comply with the requirements of FERPA.

The name and address which administers FERPA is:

Family Policy Compliance Office, US Department of Education  
400 Maryland Avenue, SW, Washington DC 20202-4605

## Limitation of Liability

The college's total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.

## Spend your money on fun, not fines!

**Don't get caught unprepared this Fall Quarter when all Summer student permits expire!**

## State Support for Community & Technical College Students

Through *Opportunity Pathways*, Washington State provides a variety of financial aid programs to help students and their families pay for college. Pursuant to RCW 28B.15.0681, the following table indicates average state support by tuition category for students attending community and technical colleges for the academic year 2012-2013.

	Resident Undergraduate	Nonresident Undergraduate
Total Instructional Support Per FTE Student	\$6,282	\$6,282
(Less Operating Fees Paid)	(\$3,217)	\$8,052
<b>Net State Support Per FTE Student</b>	<b>\$3,065</b>	—

The following table indicates the amount of state supported financial aid including that provided from the local institutional financial aid fund (3.5%)

	Resident Undergraduate	Nonresident Undergraduate
State Financial Aid	\$861*	\$0**
Institutional Financial Aid	\$94	\$0**

\*Includes State Work Study, State Need Grant, and all other financial aid programs administered by the WSAC, and SBCTC administered programs: Opportunity Grants and Worker Retraining Financial Aid. \*\*State and Institutional financial aid is not available to nonresidents.

Note: Data source provided by the State Board for Community and Technical Colleges is available upon request.

## Go to the BC website to register for classes!

### To register online, you'll need:

- Item numbers for classes you want to take (use the online Schedule Planner, or check the Credit Class Schedule; determine alternates)
- Your Student ID number and Personal Identification Number (PIN)
- Registration access – A current student or a returning student who earned credits in any of the four previous quarters or new students who submitted an admissions application with the non-refundable fee will be assigned an access time, viewable at <http://bellevuecollege.edu/services/appointment.asp>.

All registering students will receive registration information, including your access time, via your e-mail. If you don't receive this information, make sure the college has your correct e-mail address; check the website or visit the Student Services Center. You may register for classes on the Web from your assigned access time through the second day of the academic quarter. You may drop or withdraw from classes on the Web until the end of the seventh week of the quarter.

**Entry Code:** a 5-digit number you get from the division office, allowing you to register for a class that requires prerequisites or "permission of instructor."

**Audit:** taking a class (and paying the tuition and fees) without getting a grade or credits; if you audit a class it will appear permanently on your transcript records with a designator of "N." (Request in-person only)

**Wait List Feature:** Registration for most credit courses at BC uses a Wait List process, offering students a fair and consistent method to enroll in a full class if openings occur. Students can add their name to the Wait List; the student will be automatically enrolled in the class when a space occurs through the third day of the quarter. You may add or remove your name:

- **Online** at the registration website: [www.bellevuecollege.edu](http://www.bellevuecollege.edu)
- **In Person** at the Registration Office: Student Services Building

Check your schedule DAILY to learn if you have been enrolled in the waitlisted classes and to be informed of any resulting changes to your tuition and fees. Registering into another section of the same waitlisted class will cause you to be dropped from the Wait List section. Students who have not been registered via the waitlist process by the first day of classes should go to the class on the first day for further instructions.

## English – Combination Classes

### ARTS & HUMANITIES DIVISION

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

## ENGLISH COMPOSITION AND INTRODUCTION TO EUROPEAN LITERATURE • 10 CR

This class combines college composition at either 101 or 271-2 level with English 210, World Literature, which this quarter will be selected from English literature of the twentieth century.

**ENGLISH COMPOSITION AND AMERICAN LITERATURE I • 10 CR**

"The universe is wider than our views of it." Henry David Thoreau. This course surveys the early American literary scene. And what a scene it was. Authors and works vary, but typically include Dickinson, Franklin, Thoreau, Hawthorne, and Melville. Linked to two college composition courses, students can develop clear, effective academic writing skills. The class is run as a learning community with seminars and group presentations.

## Interdisciplinary Studies

### ARTS & HUMANITIES DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

### OF MICE & MATTER: CRIME SCENE INVESTIGATION • 15 CR

Do you need biology & chemistry for an allied health field or a transfer degree? Of Mice & Matter is an integrated learning community. Through hands-on activities you will learn how to use biology and chemistry to solve crimes! Accelerate your entry into Anthropology and Physiology while learning science through the lens of forensics and anthropology! Then you will be able to answer the question "Who Dunnit?".

**Parent Education & Early Learning****HEALTH SCIENCES, EDUCATION & WELLNESS INSTITUTE**

Join a weekly class for you and your child to learn and have fun together. Classes for parents and their infants or toddlers meet once per week. Preschoolers attend a cooperative preschool on multiple days with parent participation. We also offer hands on science exploration and creative arts.

Every class offers an age appropriate children's program along with parenting information providing support, skills and knowledge to help with the task of raising healthy families. Parent and child classes are located in the communities of Carnation, Snoqualmie, Sammamish, Issaquah, Bellevue, Renton and Mercer Island. Registration is ongoing so call to join a class anytime. For additional information, class schedules and registration forms visit our Parent Education website at: [www.bellevuecollege.edu/parented](http://www.bellevuecollege.edu/parented), or call (425) 564-2365.

# How do we see? What is light?

## Discover the physics of light & color in PHYS 105.

From optical devices to 3D movies, you will learn the art of perspective and get a perspective on art. This hands-on class earns science lab credit and is intended for anyone interested in light and color without a physics background. It will especially serve students whose field of interest involves visual art.

See this page for course listing.

## How to Get Started in Distance Education Classes

- 1. Apply for admission:** If you are new to BC – at [www.bellevuecollege.edu/enrollment/admissions/apply/credit](http://www.bellevuecollege.edu/enrollment/admissions/apply/credit) or see page 4 for in-person instructions.
- 2. Register in person or online:**  
[www.bellevuecollege.edu/enrollment/registration/register](http://www.bellevuecollege.edu/enrollment/registration/register)  
You will see several code numbers in class descriptions:
  - **O** stands for Online
  - **A, B, or C** are section designators when there are multiple offerings of the same class.
  - **S** stands for state support.
  - For example, an OAS class is an Online class, section A, and State supported.
- 3. Pay fees:**
  - **A \$52.50 Distance Education fee is added to the per-class cost for all classes.** This fee covers hardware, soft-

ware and licensing and maintenance fees for the online resources.

- Additional course fees vary in Distance Education due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
  - If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar's Office each quarter to have your tuition adjusted after registering for classes. Phone (425) 564-2222.
  - Check the website for details: [www.bellevuecollege.edu/distance/tuition](http://www.bellevuecollege.edu/distance/tuition)
- 4. Buy your textbooks:** Online from the BC Bookstore at [bcc.collegestoreonline.com](http://bcc.collegestoreonline.com). Check the website for days and hours or call (425) 564-2285.
  - 5. Log in to Canvas:** <http://bellevuecollege.edu/distance/classroom.asp>

# Hybrid Classes: On Campus & Online

Hybrid courses combine campus classroom sessions and online, giving you the best of both worlds. The combination makes it so that you can come to campus less often, but still have face-to-face classroom interaction with your faculty and fellow students. See department listings (pages 9-40) for details about days, times, rooms, instructors, prerequisites, etc.

# Opportunity awaits our bachelor's degree graduates

## BC now offers five bachelor's degrees:

### **NEW!** Nursing (RN-BSN)

Builds upon the academic foundations and experience of the Associate Degree prepared nurse. The RN to BSN program enhances professional values and role development, scholarly inquiry, leadership, communication skills, health information technology and community and public health. This prepares graduates to be managers of care, providers of care and active members of the profession.

### **NEW!** Healthcare Technology and Management (BAS)

A career-oriented bachelor degree program designed to prepare individuals to successfully compete for jobs that require knowledge of the healthcare system, information technology knowledge and skills, and supervisory or management skills. The degree program is designed for individuals with IT and/or healthcare preparation and experience.

### ■ Interior Design (BAA)

Offers a broadly based and professionally-relevant curriculum that embraces the responsibility of preparing and inspiring the designers of the future. The BAA program is accredited as a professional level degree by the Council for Interior Design Accreditation (CIDA). The degree offers a combination of core courses, general education and electives that helps students achieve their career goals.

### ■ Information Systems and Technology (BAS)

Provides students with a broad base of theoretical and technical knowledge, as well as specialized knowledge in one of four concentration areas: application development, business intelligence, systems administration and information security.

### ■ Radiation and Imaging Sciences (BAS)

A career-oriented bachelor degree program designed to prepare radiation and imaging professionals to successfully compete for jobs that require highly developed technical skills, advanced certifications or supervisory and management skills. The degree completion program is designed for certified professionals in radiologic technology, diagnostic ultrasound, radiation therapy, or nuclear medicine.
