In these programs you pay the full fee, regardless of your residency status. Self-support fees are listed with courses in the quarterly class schedule.

For details of each fee, please visit <http://bellevuecollege.edu/enrollment/tuition/>.

Fee for Continuing Education Courses

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

Payment Information

Tuition and fees must be paid within seven (7) calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not

extend or renew the seven (7) original calendar days. **Registrations on or after the first day of the quarter require immediate payment at the time of registration.** There is no grace period once the quarter has begun. If you register after the third day of the quarter, you must obtain a blue permission card from the instructor to enroll. If you register on or after Oct. 7, you must obtain a red permission card from the instructor and pay a late registration fee for each course in addition to regular tuition and fees. You are responsible for learning the exact amount of tuition and fees due. Find this information from your class schedule online at <http://bellevuecollege.edu/services/schedule.asp>.

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/uccba/uaci600.html> or at the cashier's office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier's office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the third day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at <http://bellevuecollege.edu/enrollment/calendar/deadlines/>. If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under \$25 will not be processed but will be applied to the next academic quarter. Visit <http://bellevuecollege.edu/enrollment/tuition/> for more information about refunds.

Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection

service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied. Transcript Fee

English – Combination Classes

ARTS & HUMANITIES DIVISION

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

Interdisciplinary Studies

ARTS & HUMANITIES DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is you. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

Projected Annual Course Offerings

Basic List 2013-2014 Now Available Online

To assist students and advisors with academic planning, each year the college prepares a basic list of course offerings and the quarters they are expected to be offered. Other courses may be added to meet program needs. Use the Annual Course Catalog for class descriptions and the quarterly schedules for details about classes that quarter, such as time, days, place, instructor, and prerequisites. In the list, courses with prerequisite information are indicated by asterisks (*). Special Topics courses vary by quarter in numbering (i.e.) 194 Summer, 195 Fall, 196 Winter, 197 Spring, but are the same course in each quarter.
