Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

Core Values

We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

Mission

BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.
State colleges, including Bellevue College, have offered credit for prior learning for many years, but recent legislation calls for colleges to offer more options. Expansion will increase the number of adult students completing certificates, degrees and credentials. Prior Learning Assessment (PLA) will reduce the cost of a degree by awarding course credits for knowledge and skills developed through prior learning through work and life experience; through military training and experience; and through formal and informal education and training from in-state and out-of-state institutions including foreign institutions.

Prior learning assessment (PLA) is the process used to evaluate previous life experience for academic credit, accomplished in several ways, including standardized tests, course challenge examinations, portfolio assessment, and crosswalks between work-based learning and college courses.

Lui Yi, who has an office in BC’s Institute for Business and Information Technology (IBIT), is currently co-teaching Business 101 with BC faculty member Irene Ferrante. In the coming months, Yi may accept other teaching assignments and is available to provide guest lectures and will participate in other college activities throughout the year.

Lui Yi is Deputy Director of the Department of Public Management at Donghua University and serves as Associate Professor for the Public Administration department and has taught courses in Management Science, Etiquette Science, Government Performance Management, Business Administration and Secretarial Science. She has led many research projects, been the recipient of several awards, published numerous scholarly articles and authored books in her area of expertise.
Getting Started @ BC

Your First Time Going to College?

Step 1: Apply for Admissions
Apply at www.bellevuecollege.edu.

Step 2: Assess English and Math Skills
Take the assessment at the Assessment Office, 1st floor, L bldg.
- Bring your BC SID#, a valid photo ID and a credit/debit card or check to pay fee.
- No appointment needed. Just drop-in. Go to www.bellevuecollege.edu/enrollment/assessment to view the assessment schedule.
- The assessment is not timed, but plan for about 2-3 hours.

Step 3: Sign-up to Attend a New Student Group Advising Session
You are required to receive academic advising prior to registering for classes. Visit depts.bellevuecollege.edu/advising/ or call (425) 564-2212 to learn more about your advising session and to sign up for an available day and time. You will need to bring your BC SID# and assessment scores to your session.

Step 4: Register for your Classes and FYE
You will receive assistance with online registration immediately following your advising session. There are two freshman student success programs: The Comprehensive Success Initiative (CSI) and the First Year Experience (FYE). Your advisor will help you identify into which one you are required to enroll if you will be attending BC during Fall Quarter as well.

Step 5: Pay Your Tuition
Tuition and fees must be paid within seven calendar days after registration, or by the first day of the quarter, whichever comes first. Once the quarter begins, payment is due immediately at the time of registration.

Transferring-in or have Prior College Experience?

Step 1: Apply for Admissions
Previous BC students who have been absent for four or more quarters must re-apply at www.bellevuecollege.edu.

Step 2: Determine Completion of Prerequisites and English/Math Placement
- Prerequisites: If you have taken courses from another institution that meet our course prerequisites, visit www.bellevuecollege.edu/enrollment/transfer/prerequisites to learn about the procedure to clear prerequisites for registration purposes.
- Math and English: If you have not completed a 100-level math and/or English course, take the skills assessment prior to meeting with an advisor. Learn more at: www.bellevuecollege.edu/enrollment/assessment/testing/.

Step 3: Meet with an Academic Advisor
While meeting with an academic advisor is recommended, it is not required. Academic advisors provide an unofficial review of your previous credits and assist with course selection.

University Transfer Advising:
- Business transfer, (425) 564-2212 or go to B232
- Science, Computer Science, Pre-med, and Engineering transfer, (425) 564-2321 or go to L200
- All other university transfer majors, (425) 564-2212 or go to B232

Professional Technical Advising (career preparation programs):
- Nursing and public health related, (425) 564-2012 or go to R130
- Radiation and Imaging Programs, (425) 564-2316 or go to A251
- IT and Business related, (425) 564-2311 or go to A254

For Advising Center Hours visit: www.bellevuecollege.edu/advising/.

Need Help With Registration?
Visit the website at:
www.bellevuecollege.edu/enrollment/registration/help/
for step-by-step directions or come to the Registration Office in the Student Services Building.

Step 4: Register for Classes
Register for classes on or after your registration time at www.bellevuecollege.edu.

Step 5: Pay Your Tuition
Tuition and fees must be paid within seven calendar days after registration, or by the first day of the quarter, whichever comes first. Once the quarter begins, payment is due immediately at the time of registration.

Residency for Tuition Purposes

If you are classified as a non-resident and would like to know how to become eligible to pay resident tuition, please call the Residency Office at (425) 564-4143 for information, or go online to www.bellevuecollege.edu/enrollment/admissions/eligibility. Note: Non-resident students enrolled in only online classes may be eligible for a tuition reduction. For more information, please call (425) 564-2222 or email enrollment@bellevuecollege.edu and ask about the “Distance Education Waiver”.

Costs for Self-Support Programs

Tuition for Self-Support Programs

(i.e.: Upper division Interior Design, lower level Alcohol & Drug Counseling, Fire Science, etc.) Some programs are self-supporting – that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. In these programs you pay the full fee, regardless of your residency status. Self-support fees are listed with courses in the quarterly class schedule.

Self-support programs (except bachelor’s programs) charge the same amounts for residents and non-residents. Self-support bachelor’s degree students pay $245.45 per credit for all credits beyond 18.

For details of each fee, please visit www.bellevuecollege.edu/enrollment/tuition/.

Fee for Continuing Education Courses

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

Payment Information

Tuition and fees must be paid within seven (7) calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. Classes may be dropped by the Registration Office for non-payment. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the seven (7) original calendar days. Registrations on or after the first day of the quarter require immediate payment at the time of registration. If you register after the open registration period published in the academic calendar, you must obtain permission from the instructor to enroll. You are responsible for learning the exact amount of tuition and fees due.

Find this information from your class schedule online at www.bellevuecollege.edu/services/schedule.asp.

Tuition for Lower Division Courses (299 & below)

(1) Residents pay $1,492.32 for 18 cr + $96.26 additional per credit beyond 18
(2) Non-Residents pay $3,252.40 for 18 cr + $268.26 additional per credit beyond 18

Tuition for Upper Division Courses (300 & above)

(3) $4,418.10 for 18 cr + $245.45 additional per credit beyond 18
(4) $2,533.54 for 18 cr + $234.87 additional per credit beyond 18
(5) $6,068.76 for 18 cr + $587.84 additional per credit beyond 18

*Self-Support degrees currently include Health-care Technology & Management, Information Systems & Technology, Interior Design, and Nursing. State-Support degrees currently include Radiation & Imaging Sciences.

Course Fees

In addition to the above tuition, mandatory fees include:
- A comprehensive fee of $1.50 per credit with a $15.00 maximum
- A commute reduction fee of $1.70 per credit with a $17.00 maximum
- A technology fee of $3.50 per credit 1-10 credits and $3.50 per credit beyond 18 credits.
- An environmental sustainability fee of $1.00 per credit with a $10. Maximum.
- Certain courses require fees for laboratory use, licensing, and other costs. These fees are identified in the class schedule.

Fee for Distance Ed/eLearning Courses

Online courses have a per class fee that pays for hardware, software and licensing. For details, visit www.bellevuecollege.edu/distance/tuition/.

Fee for Continuing Education Courses

May be paid in one of the following ways:
- By the first day of the quarter
- By the first day of the course, whichever comes first
- By the first day of the quarter, if the quarter begins on or after the open registration period

Tuition and fees due.

For details of each fee, please visit www.bellevuecollege.edu/enrollment/tuition/.

For details of each fee, please visit www.bellevuecollege.edu/enrollment/tuition/.
You may pay your tuition and fees by VISA or MasterCard online at https://www.ctc.edu/~bellevue/wccba/wac600.html or at the cashier’s office in the Student Services Building. You may pay by check through the mail, or by check or cash at the cashier’s office. You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

**Refunds for College Withdrawal or Dropped Classes**

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the fifth day of classes. A processing fee is deducted from the refund amount. The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. The information is available on the Enrollment Calendar at www.bellevuecollege.edu/enrollment/calendar/deadlines. If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as nonrefundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details. Refunds under $25 will not be processed but will be applied to the next academic quarter. Visit www.bellevuecollege.edu/enrollment/tuition/ for more information about refunds.

**Drop for Non-Payment**

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee. Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied.

**Transcript Fee**

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to www.bellevuecollege.edu/enrollment/records/.

The college has adopted institutional procedures in compliance with Public Law 93-380, FERPA. Your privacy is protected with certain restrictions on the disclosure of your student educational records and information. You have the following rights, protection and privacy of your educational records at Bellevue College.

1) The right to inspect and review your student education records within 45 days, the college receives a written request for access. Students must submit a written request to the Registrar identifying the record(s) they wish to inspect.

2) The right to request the amendment of the student’s educational records the student believes inaccurate. A written request identifying the records in question and justification of why it is inaccurate must be sent to the Registrar.

3) The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent. The college will disclose the following directory information (name of student, degree or certificate awarded, dates of attendance, athletic statistics, scholarships received, membership or position in BC student government or honor society, part-time or full-time student status, previous schools attended, BC e-mail address.) Exceptions to disclose includes those records requested by subpoena, in emergency situations, in compliance with the Solomon Amendment (Military requests), Department of Education requests, IRS Hope Scholarship and Lifetime Learning tax credit programs and information provided to the National Student Clearinghouse. Students may request through written notice, that the college does not release directory information at the Student Services Office.

4) The right to file a complaint with the US Department of Education concerning alleged failures by Bellevue College to comply with the requirements of FERPA. The name and address which administers FERPA is:

Family Policy Compliance Office, US Department of Education
400 Maryland Avenue, SW, Washington DC 20202-4605

Limitation of Liability

The college’s total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.

# Occupational and Life Skills

### Selective Degree Program

OLS at Bellevue College is an innovative 90 credit associate degree program unlike any other program in the nation. This program gives adults with cognitive disabilities the opportunity to acquire an accredited college degree that leads to post-graduation employment rates well above the national average. The curriculum is occupational and life skills based taught through scaffold instruction and universal design. All OLS courses focus on developing critical thinking skills, soft skills, and self-determination skills. Courses incorporate service learning in the community with local businesses as a way to help students utilize new skills outside of the classroom. Students create a career pathway over a 3 year period that is specific to their self-identified skills, strengths, and passions. An internship of 200 hours related to their self-identified skills, and self-determination skills. Courses incorporate service learning in the community with local businesses as a way to help students utilize new skills outside of the classroom. Students create a career pathway over a 3 year period that is specific to their self-identified skills, strengths, and passions. An internship of 200 hours related to that career pathway is completed during their last 2 quarters. Additional information can be found at www.OLSAtBellevueCollege.com.

No courses offered Summer Quarter.

Distance Education is Becoming eLearning!

We’re rolling out a new name for our online class program. BC has offered Distance Education classes for several decades – since before the Internet! Our new name reflects the learning methods used today.

How to Get Started in Distance Ed/eLearning Classes

1. Apply for admission: If you are new to BC – at www.bellevuecollege.edu/enrollment/admissions/apply/credit/or see page 4 for in-person instructions.
2. Register in person or online: www.bellevuecollege.edu/enrollment/registration/register/
   You will see several code numbers in class descriptions:
   - O stands for Online
   - A, B, or C are section designators when there are multiple offerings of the same class.
   - S stands for state support.
   - For example, an OAS class is an Online class, section A, and State supported.
3. Pay fees:
   - A $52.50 Distance Ed/eLearning fee is added to the per-class cost for all classes. This fee covers hardware, software and licensing and maintenance fees for the online resources.
   - Additional course fees vary in Distance Ed/eLearning due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
   - If you are a US citizen/permanent resident requesting the online tuition discount, you must contact the Registrar’s Office each quarter to have your tuition adjusted after registering for classes. Phone (425) 564-2222.
   - Check the website for details: www.bellevuecollege.edu/distance/tuition/
4. Buy your textbooks: Online from the BC Bookstore at bcc.collegestoreonline.com. Check the website for days and hours or call (425) 564-2285.
5. Log in to Canvas: www.bellevuecollege.edu/distance/classroom.asp

Hybrid Classes: On Campus & Online

Hybrid courses combine campus classroom sessions and online, giving you the best of both worlds. The combination makes it so that you can come to campus less often, but still have face-to-face classroom interaction with your faculty and fellow students. See department listings (pages 9-21) for more details.

BC NOW OFFERS SIX BACHELOR’S DEGREES

OPPORTUNITY AWAITS OUR BACHELOR’S DEGREE GRADUATES

Grow professionally, financially and pursue your educational goals in programs designed to accommodate both individuals new to higher education and working professionals.

A CONVENIENT SOLUTION

Whether you want to complete your degree close to home on one campus, or are juggling work and family obligations, our degree programs are designed so you can advance your education and your career.

FIND OUT MORE AT: www.bellevuecollege.edu/programs/degrees/bachelor/

NEW! DATA ANALYTICS (BAS)

Modern data analytics brings together tools from business, communication, graphic arts, information technology and statistics to collect, mine, interpret and represent large datasets to illustrate concepts and inform decisions. Graduates will be prepared to work as data analysts, data technicians, and in some circumstances, data managers, in a wide range of organization and industries.

HEALTHCARE TECHNOLOGY & MANAGEMENT (BAS)

Designed to prepare individuals to successfully compete for jobs that require knowledge of the healthcare system, information technology knowledge and skills, and supervisory or management skills. There are two degree concentrations: Healthcare Information Technology or Healthcare Management.

INFORMATION SYSTEMS & TECHNOLOGY (BAS)

Graduates of the BAS in IST will have a broad base of theoretical and technical knowledge, as well as specialized knowledge in one of four concentration areas: Application Development, Business Intelligence, Information Security or Systems Administration.

INTERIOR DESIGN (BAA)

Prepares and inspires designers of the future. The BAA program is accredited as a professional level degree by the Council for Interior Design Accreditation (CIDA). The degree offers a combination of core courses, general education and electives.

NURSING (RN-BSN)

Builds upon the academic foundations and experience of the Associate Degree prepared nurse. The RN to BSN program enhances professional values and role development, scholarly inquiry, leadership, communication skills, health information technology and community and public health.

RADIATION & IMAGING SCIENCES (BAS)

Designed to prepare radiation and imaging professionals to successfully compete for jobs that require highly developed technical skills, advanced certifications or supervisory and management skills. The degree completion program is designed for certified professionals in radiologic technology, diagnostic ultrasound, radiation therapy, or nuclear medicine.
