BELLEVUE
COLLEGE

Vision

Bellevue College is the region's college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

Core Values

We, the Board of Trustees, faculty, staff, and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

Mission

BC is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

College Announcements

Emergency Closure: BC will cancel on-campus classes and close its offices if severe weather or emergency conditions make the campus unsafe. Call (425) 401-6680 for a recorded message about the closure status of the college. Emergency closure information is also posted on the web at www.bellevuecollege.edu/status/, and www.schoolreport.com, and normally announced over local radio and TV stations. Online courses will continue as scheduled even when the college's physical campus is closed.

Changes in Schedule Information: Every effort is made to ensure that information in this publication is accurate. Changes to courses may occur after printing. Unforeseen changes in funding, staffing, curricula, or policies may require the college to change provisions of the Credit Class Schedule or Course Catalog, or to add or withdraw courses, without prior notice. For continually updated information, go to www.bellevuecollege.edu and click on "Classes." Comments about this publication may be sent to sharon.berg@bellevuecollege.edu.

Equal Opportunity/Antidiscrimination: BC reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation including gender identity or expression, age, marital or family status, disability, or status as a disabled veteran, or Vietnam era veteran. Please visit www.bellevuecollege.edu/equal.asp.

Two New Certificates Respond To Changing Programming Technology

Bellevue College, long a leader in technology education, is again responding to industry needs. New **Cloud Technologies** and **Mobile Technologies** certificates have been

developed so students can prepare for the future by learning how to store data in "the cloud" and how to use or build cloud-based services accessed from a wide variety of wired PCs and mobile devices.

Cloud computing is the delivery of computing as a service rather than a product, whereby shared resources, software, and information are provided to computers and other devices as a utility (like the electricity grid) over a network (typically the Internet), eliminating much of the need for new or updated applications, data processing and storage.

Charlie Calvert, a BC programming faculty member, said, "The computer industry never stands still, and we are in the middle of another huge transition which is changing the lives of everyone who uses computers in a professional capacity. Five years ago we were focused on desktop and laptop machines, and we kept our data on our hard drives and transported them with thumb drives. Now our data resides in the cloud."

Each new certificate requires two 5-credit classes: the Cloud Technologies Certificate requires PROG 280 and 282, while Mobile Technologies requires PROG 270 and 272.

- **PROG 270 – Introduction to Mobile Computing Technologies:** (offered fall quarter) Is designed for students who are interested in the technology, business people who are interested to hear what this technology can do for them, and for anyone else who is "just curious". English 101 is a prerequisite.
- **PROG 272 – Implementing a Mobile Solution:** (offered winter quarter) Requires having already taken PROG 120 (intermediate programming knowledge). Students will create mobile applications, so if you program as a hobby or work in the field, you could probably get an entry code.
- **PROG 280 – Introduction to Cloud Computing:** (offered winter quarter) Is designed for students who are interested in the technology, business people who are interested to hear what this technology can do for them, and for anyone else who is "just curious". English 101 is a prerequisite.
- **PROG 282 – Implementing a Cloud Solution:** (offered spring quarter) Prerequisite is PROG 210 (advanced programming knowledge, including database access) The students will be creating projects utilizing different services, so if they program as a hobby or work in the field, they could probably get an entry code.

BC to Host Science and Engineering Fair for High School Students

High school students are invited to compete in Bellevue College's Central Sound Regional Science and Engineering Fair to be held March 10 on the College's main campus. The fair is open to all students in grades 9-12 from public, home schools, and private schools in King and Snohomish counties. The deadline for registration is March 1. Students are encouraged to design their projects and submit the required forms before registering online at www.bellevuecollege.edu/sciencefair. For further information about the fair, contact Kate Souza at kathryn.souza@bellevuecollege.edu or (425) 564-3055. The fair is sponsored by the College's Science and Math Institute (SAMI).

Debate Team a Winner

BC's Pi Kappa Delta (PKD) debate fraternity, BC Debate, was formed only two years ago, but has climbed to regional and national success. It placed in the top 20% of the country at PKD Nationals in March and is now ranked No. 3 in the Pacific Northwest region (and only one point behind No. 2). All students are welcome at team meetings on Thursdays at 2:30 in C211 or to join the class, CMST 105: Debate. BC Speech and Debate is open to all students regardless of experience.

Snow and other weather conditions will not close the BC campus unless:

- Current local weather conditions severely restrict travel to and from campus, or
- Campus roadways, parking lots, walkways and buildings cannot be safely maintained.

There are several ways to find out if a campus closure is in effect:

- Receive e-mail and text messages through the BC Alert System (sign up at www.bellevuecollege.edu/alerts) – also to be used for all types of emergency information
- Visit the emergency information website at www.bellevuecollege.edu/publicsafety or link to it from the home page
- Call BC's emergency information line at (425) 401-6680 or the main campus line at (425) 564-1000
- Visit www.SchoolReport.org or subscribe to their emergency e-mail and text message service
- Listen for school closure announcements on local radio or television stations

Online classes continue as scheduled even if the physical campus is closed.

Your First Time Going to College?

Step 1: Apply for Admissions

Apply at bellevuecollege.edu.

Step 2: Assess English and Math Skills

Take the assessments at the Assessment Office, 1st floor, B132.

- Bring your BC SID#, a valid photo ID and a credit/debit card or check to pay fee.
- No appointment needed. Just drop-in. Go to bellevuecollege.edu/enrollment/assessment to view the assessment schedule.
- The assessment is not timed, but plan for about 1-2 hours.

Step 3: Meet with a New Student Advisor to Select Your Classes

You are required to meet with an advisor prior to registering for classes. On or after your assigned registration appointment time, drop-in during the following hours:

New Student Advising Hours

November 28th – December 29th
Monday – Wednesday: 10:00 a.m. – 4:30 p.m.
Thursday: 10:00 a.m. – 3:00 p.m.
Friday: No new student advising

Step 4: Register for your Classes and FYE

You receive hands-on assistance with online registration immediately following your advising session. There are two freshman student success programs: the Comprehensive Success Initiative (CSI) and the First Year Experience (FYE). Your advisor will help you identify into which one you are required to enroll.

Step 5: Pay Your Tuition

Winter Quarter tuition and fees are due immediately. There is a grace period of 7 calendar days from the first day you register for classes **OR** by the first day of the quarter, whichever comes first. There is no grace period once the quarter has begun.

Need help with registration?

Call (425) 564-2222 or go to bellevuecollege.edu/enrollment/registration/help/ for step-by-step directions or come to the Registration Office in the Student Services Building.

Transferring-in or have Prior College Experience?

Step 1: Apply for Admissions

Previous BC students who have been absent for four or more quarters must re-apply at bellevuecollege.edu.

Step 2: Determine Completion of Prerequisites and English/Math Placement

- **Prerequisites:** If you have taken courses from another institution that meet our course prerequisites, visit bellevuecollege.edu/enrollment/transfer/prerequisites to learn about the procedure to clear prerequisites for registration purposes.
- **Math and English:** If you have not completed a 100-level math and/or English course, take the skills assessment prior to meeting with an advisor. Learn more at: bellevuecollege.edu/enrollment/assessment/testing

Step 3: Meet with an Academic Advisor

While meeting with an academic advisor is recommended, it is not required. Academic advisors provide an unofficial review of your previous credits and assist with course selection.

University Transfer Advising:

- Business transfer, (425) 564-2331 or go to D110
- Science, Computer Science, Pre-med, and Engineering transfer, (425) 564-2321 or go to L200
- All other university transfer majors, (425) 564-2212 or go to B232

Professional Technical Advising (career preparation programs):

- Nursing and public health related, (425) 564-2012 or go to R130
- Radiation and Imaging Programs, (425) 564-2316 or go to A251
- IT and Business related, (425) 564-2311 or go to A242

For Advising Center Hours visit: bellevuecollege.edu/advising

Step 4: Register for Classes

Register for classes on or after your registration time at bellevuecollege.edu.

Step 5: Pay Your Tuition

Winter Quarter tuition and fees are due immediately. There is a grace period of 7 calendar days from the first day you register for classes **OR** by the first day of the quarter, whichever comes first. There is no grace period once the quarter has begun.

- An environmental sustainability fee of \$1.00 per credit with a \$10. Max.;

Course fees

Certain courses require fees for laboratory use, licensing, internet service provider, etc. These fees are identified in the class schedule

Fee for Distance Education Courses

Telecourses and online/hybrid courses have a fee which pays for hardware, software and licensing. These fees are identified in the Credit Class Schedule next to each Distance Education course.

Residency

Your Washington State residency status determines your basic tuition for most college credit state-supported classes. If you have questions about eligibility requirements for residency for tuition purposes, please contact the residency office at (425) 564-4143 or (425) 564-2205. Information is also available online at www.bellevuecollege.edu/enrollment/admissions/eligibility/.

Self-supporting programs charge the same amounts for residents and non-residents.

Costs for Self-Support Programs

Tuition for Self-Support Programs

(ie: Upper division Interior Design, lower level Alcohol & Drug Counseling, Fire Science, etc.)

Some programs are self-supporting - that is, they do not receive state funding. They have their own tuition structures and do not grant tuition and fee waivers. In these programs you pay the full fee, regardless of your residency status. Self-support fees are listed with courses in the quarterly class schedule.

For details of each fee, please visit <http://bellevuecollege.edu/enrollment/tuition/>.

Fee for Continuing Education Courses

Fees for Continuing Education classes are listed in the quarterly Continuing Education schedule. Residency in Washington State is not required for some of these classes; in these cases, all students are charged the same stated fees regardless of residency status.

Payment Information

Tuition and fees are due immediately upon registration. Your registration is not complete until payment is made. Classes may be dropped by the Registration Office for non-payment. There is a grace period of 7 calendar days from the first day you register for classes OR by the first day of the quarter, whichever comes first. Adding then dropping and re-registering for the same class before the quarter begins does not extend or renew the 7 original calendar days of the grace period. **Registrations on or after the first day of the quarter require immediate pay-**

ment at the time of registration. There is no grace period once the quarter has begun. If you register after the third day of the quarter, you must obtain a blue permission card from the instructor to enroll. If you register on or after January 18th, you must obtain a red permission card from the instructor and pay a late registration fee for each course in addition to regular tuition and fees.

You are responsible for learning the exact amount of tuition and fees due. Find this info:

- at www.bellevuecollege.edu/enrollment/costs
- at a kiosk on the first floor of the Student Services Building or the Campus Information Center (C106 in the Student Union)
- in person at the Student Service Center

You may pay your tuition and fees by VISA or MasterCard online at <https://www.ctc.edu/~bellevue/wccba/waci600.html> or at the cashier's office in the Student Services Building.

You may pay by check through the mail, or by check or cash at the cashier's office.

You are responsible for verifying that payment has been made; for example, if you are receiving financial aid that comes directly to the college.

Refunds for College Withdrawal or Dropped Classes

If you withdraw from the college or drop classes, you may be eligible for a refund. The college begins to process refunds after the third day of classes. A processing fee is deducted from the refund amount.

The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 5) for deadlines for 100% and 50% refunds. Classes with alternate start and end dates are governed by a different refund policy. Please contact Enrollment Services for details: (425) 564-2222.

If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as non-refundable in the class listings. Self-supporting programs may have different refund policies. Contact the program office for details.

Refunds under \$25 will not be processed but will be applied to the next academic quarter.

Drop for Non-Payment

Non-payment of tuition and course-related fees (including returned check and/or credit cards) may result in the student being withdrawn from some or all classes. (BC Policy 7250). A withdrawal fee will be charged if you have ever been dropped for non-payment in the past. Returned checks and/or credit card charges are assessed a fee.

Admission to or registration for classes, conferring of degrees, and issuance of academic transcripts may be withheld for failure to meet financial obligations to the college and may result in the account being sent to a collection

service (BC Policy 5150). All collection fees are the responsibility of the check/credit card writer and/or the student. If a student writes three checks (including third-party checks) which are returned, his/ her privilege of check-writing will be denied. Transcript Fee

A fee will be charged for official transcripts. For instructions on ordering transcripts, call (425) 564-2222 or go to www.bellevuecollege.edu/enrollment/records/.

- 2) The right to request the amendment of the student's educational records the student believes inaccurate. A written request identifying the records in question and justification of why it is inaccurate must be sent to the Associate Dean of Enrollment Services.
- 3) The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. The college will disclose the following directory information (name of student, degree or certificate awarded, dates of attendance, athletic statistics, scholarships received, membership or position in BC student government or honor society, part-time or full-time student status, previous schools attended, e-mail address.) Exceptions to disclose includes those records requested by subpoena, in emergency situations, in compliance with the Solomon Amendment (Military requests), Department of Education requests, IRS Hope Scholarship and Lifetime Learning tax credit programs and information provided to the National Student Clearinghouse. Students may request through written notice, that the college does not release directory information at the Student Services Office.
- 4) The right to file a complaint with the US Department of Education concerning alleged failures by Bellevue College to comply with the requirements of FERPA.

The name and address which administers FERPA is:

Family Policy Compliance Office, US Department of Education
400 Maryland Avenue, SW, Washington DC 20202-4605

Limitation of Liability

The college's total liability for claims arising from a contractual relationship with the student in any way related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes or programs. In no event shall the college be liable for any special, indirect, incidental, or consequential damages, including but not limited to, loss of earnings or profits.

State Support for Community & Technical College Students

The Washington legislature wants students to know how much the state contributes to the cost of their instruction at community and technical colleges (RCW 28B.10.-44). The following chart shows support by tuition category averaged statewide for academic year 2010-2011.

Undergraduate student category:

	Residents	Non-Residents
Total instructional cost per FTE student	\$6,603	\$6,603
(less operating fees paid)	(\$2,521)	\$7,356
Net state support per FTE student	\$4,082	—
In addition to supporting basic instructional costs, students also receive state-supported financial aid, including local or institutional financial aid funds:		
State financial aid appropriated per FTE student	\$747	\$68
Institutional financial aid fund	\$10	n/a

Go to the BC website to register for classes!

To register online, you'll need:

- Item numbers for classes you want to take (use the online Schedule Planner, or check the Credit Class Schedule; determine alternates)
- Your Student ID number and Personal Identification Number (PIN)
- Registration access – A current student or a returning student who earned credits in any of the four previous quarters or new students who submitted an admissions application with the non-refundable fee will be assigned an access time, viewable at <http://bellevue.college.edu/services/appointment.asp>.

All registering students will receive registration information, including your access time, via your e-mail. If you don't receive this information, make sure the college has your correct e-mail address; check the website or visit the Student Services Center. You may register for classes on the Web from your assigned access time through the second day of the academic quarter. You may drop or withdraw from classes on the Web until the end of the seventh week of the quarter.

Entry Code: a 5-digit number you get from the division office, allowing you to register for a class that requires prerequisites or "permission of instructor."

Audit: taking a class (and paying the tuition and fees) without getting a grade or credits; if you audit a class it will appear permanently on your transcript records with a designator of "N." (Request in-person only)

Wait List Feature: Registration for most credit courses at BC uses a Wait List process, offering students a fair and consistent method to enroll in a full class if openings occur. Students can add their name to the Wait List; the student will be automatically enrolled in the class when a space occurs through the **third** day of the quarter. You may add or remove your name:

- **Online** at the registration website:
www.bellevuecollege.edu
- **In Person** at the Registration Office:
Student Services Building

Check your schedule **DAILY** to learn if you have been enrolled in the waitlisted classes and to be informed of any resulting changes to your tuition and fees. Registering into another section of the same waitlisted class will cause you to be dropped from the Wait List section. Students who have not been registered via the waitlist process by the first day of classes should go to the class on the first day for further instructions.

English - Combination Classes

ARTS & HUMANITIES DIVISION

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement unless otherwise specified.

ENGLISH COMPOSITION I AND THE BIBLE AS LITERATURE • 10 CR

This linked course allows you to fulfill your basic English credits while studying the history, traditions, and literature of both the Old and New Testaments. Interdisciplinary Studies

ARTS & HUMANITIES DIVISION

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for ten or more credits. Each IDS course features a theme that forms a common thread across disciplines.

The focus of these courses is YOU. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student-centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

For additional information regarding the Interdisciplinary Studies program, contact Michael Meyer at (425) 564-2537.

BITE ME 2.0: FOOD SECURITY & SUSTAINABILITY • 10 OR 11 CR

Drive-thru or dining room table? Factory-processed or home-grown? Broccoli, barley, beans or edible food-like substances? What's cheap about cheap food? Is all food equal? What is real? Do you eat for nutrients, taste or cost? The focus of this course is the impacts of lifestyle choices in regard to food. We will examine our behaviors, choices, and responsibilities and consequences of our actions to our communities, nation and the entire globe by investigating ecosystem interconnections. Through our readings and discussions, we will evaluate diverse opinions and values in order to scrutinize our own personal beliefs.

Parent Education & Early Learning

HEALTH SCIENCES, EDUCATION & WELLNESS INSTITUTE

Join a weekly class for you and your child to learn and have fun together. Classes for parents and their infants or toddlers meet once per week. Preschoolers attend a cooperative preschool on multiple days with parent participation. We also offer hands on science exploration and creative arts.

Every class offers an age appropriate children's program along with parenting information providing support, skills and knowledge to help with the task of raising healthy families. Parent and child classes are located in the communities of Carnation, Snoqualmie, Sammamish, Issaquah, Bellevue, Renton and Mercer Island. Registration is ongoing so call to join a class anytime. For additional information, class schedules and registration forms visit our Parent Education website at: www.bellevuecollege.edu/parented, or call (425) 564-2365.

Do you need an online class for adults? We also offer PARED 136, listed below, a 2-credit parenting course you are sure to find helpful. See registration information elsewhere in this schedule.

How to Get Started in Distance Education Classes

1. Apply for admission:

If you are new to BC – at www.bellevuecollege.edu/enrollment/admissions/apply/credit or see page 4 for in-person instructions.

2. Register in person or online:

www.bellevuecollege.edu/enrollment/registration/register

You will see several code numbers in class descriptions:

- **O** stands for Online and **T** stands for Telecourse
- **A, B, or C** are section designators when there are multiple offerings of the same class.
- **S** stands for state support.
- For example, an OAS class is an Online class, section A, and State supported.

3. Pay fees

- A \$52.50 Distance Education fee is added to the per-class cost for all classes. This fee covers hardware, software and licensing and maintenance fees for the online resources.
- Course fees vary in Distance Education due to the wide variety of types of classes (such as those with a science lab), methods of distribution, costs of programming, and residency status.
- Check the website for details: www.bellevuecollege.edu/distance/tuition

4. Buy your textbooks online from the BC Bookstore at bcc.collegestoreonline.com. Check the website for days and hours or call (425) 564-2285.

5. Log in to Blackboard Vista:

<http://bellevuecollege.edu/distance/classroom.asp>

Hybrid Classes: Partially On Campus/Partially Online

Hybrid courses combine campus classroom sessions and online, giving you the best of both worlds. The combination makes it so that you can come to campus less often, but still have face-to-face classroom interaction with your faculty and fellow students. See department lists (p. 9-39) for details about days, times, rooms, instructors, prerequisites, etc.

Academic Internships

EXPRL 191, 192, & 193

Earn course credits while working and learning in a professional environment. We work with companies, community organizations, and government agencies in the Puget Sound area and nationwide to help develop opportunities that you can pursue.

- Earn 1-5 credits
- Explore a career
- Enhance your résumé
- Gain valuable experience
- Network with professionals

To learn more, visit www.bellevuecollege.edu/internships or attend one of our free weekly orientations. See "Weekly Orientations" or call (425) 564-2279.

Learning Portfolio Fundamentals

2 credits, hybrid class, EXPRL 190

Introduces the steps and benefits of building an online portfolio. Through this flexible, creative and evidence-based approach, you will demonstrate learning gained from class assignments or projects, volunteer work, and job experiences. You will reflect, select and develop evidence of your learning and organize it using simple, readily accessible online tools. The completed learning portfolio enables you to communicate interests, experience, skills, and personal qualities to prospective employers, universities, and scholarship providers.

Class combines online learning with two on-campus meeting times. First class meets Tuesday, Jan. 17. Second in-person meeting is Tuesday, Feb. 7, 3:00–5:00 pm, Room R205. Credit tuition and fees apply. Register for these credit classes via www.bellevuecollege.edu/enrollment/registration/register. If you aren't a current student, follow the instructions to apply to BC via www.bellevuecollege.edu/enrollment/admissions/apply before you register.

CRIMINAL JUSTICE

CJ 253:
**Drug Use & the Law in
American Society**

**Uppers, Downers, Weed, Speed,
and Brew... how well do they
mix with the law?**

Come find out how drugs and drug use
demand attention in the criminal justice
system and the outcomes of drug policy
in our country and prison system.

This class fulfills the requirements for the AA in Criminal
Justice, AAS-T, or as elective credits for the direct transfer
degree (DTA) program. See page 17 for class listing.
