Changes in Schedule Information

BCC makes this information as accurate as possible at the time of publication. However, unforeseen changes in funding, staffing, curricula, or policies may require the college to change provisions of the Credit Class Schedule or Course Catalog, or to add or withdraw courses, without prior notice. Because such changes might become necessary, this Credit Class Schedule should not be regarded as an irrevocable contract between the student and the college.

New Career Program Offerings from BCC

This year, BCC provides more career program options for students! BCC will offer new degrees and certificates in information technology, accounting, marketing and sales, media communication and more during the coming academic year.

Here's a sample of new program offerings:

- **Accounting Information Systems Certificate**

Learn to analyze accounting system needs; perform, analyze and record transactions; and prepare and communicate managerial accounting analyses using a variety of accounting software programs.

- **Computing Security Professional Certificate**

Identify key security risks associated with managing data on computer networks, then learn to design and implement security applications, policies and procedures.

- **Information Technology Certificates**

Get specific training towards Microsoft Certified Systems Engineer (MCSE) or Cisco Certified Network Associate (CCNA) certification.

- **Mobile Computing Degree or Certificate**

Learn to create applications for mobile and wireless devices such as cellular phones, personal digital assistants and portable computers.

- **Office Assistant Certificate**

Study computer and software fundamentals client relations, and key word processing, spreadsheet and business presentation applications.

For more information about these new programs, contact the BCC Business Division office at (425) 564-2311.

Tibetan Scholar to Teach at BCC

Tibetan scholar Nawang Dorjee will join the faculty as BCC's inaugural "Scholar in Residence" as part of BCC's new Center for Liberal Arts program. Dorjee, a renowned Tibetan educator and Director of the Tibetan Children's Village in Dharamsala, India, will share his knowledge of Tibetan culture and history with students, faculty, staff and community members as a teacher and guest lecturer during his nine-month tenure at BCC.

During fall quarter, Dorjee will teach "Humanities 228: Modern Tibetan History and Culture." He will discuss the Tibetan way of life and culture prior to the Chinese occupation; the journey of the Dalai Lama and over 100,000 Tibetans as they sought refuge in India, Nepal, Bhutan and the West; and Buddhist beliefs through the teachings of the Dalai Lama.

The five-credit class, Humanities 228, will be held on Tuesdays and Thursdays from 2:30 – 4:40 p.m. on the main BCC campus during fall quarter. Register online at www.bcc.ctc.edu or call (425) 564-2625. For more details about the Scholar in Residence program or the BCC Center for Liberal Arts, contact Executive Director Diane Douglas at (425) 564-2550.

Register and Buy Books Online!

 You can skip the lines to register for classes or purchase books by going straight to BCC's Virtual Bookstore! Visit www.bcc.ctc.edu/wts/webreg/register.html to pay your tuition and fees, view books required for your courses, or purchase books using Visa or MasterCard credit cards. These online services are available from 6 a.m. to 10 p.m. Monday – Friday and 6 a.m. Saturday through noon on Sunday.

Campus Construction Update

Students will find new amenities and expanded service areas when construction is complete on several campus projects this summer. After an extensive renovation, the Student Services Building (Building B) will reopen in August with more space to serve students. Program offices for Enrollment Services, Admissions, Career Center and Disability Support Services, among other programs, will return to Building B.

Students and staff can fuel up on caffeine when a new coffee bar opens this fall in Building R on the north end of campus. At the main campus entrance, the City of Bellevue will reconfigure the entrance to the college off 148th Ave S.E. starting this summer. As a result of this project, a new roundabout will replace the three-way stop sign near the circle drive by Building B, and Parking Lot #7 near the existing college entrance will be reconfigured to accommodate the new entrance. Construction on a new parking garage, which will provide over 600 new student parking spaces on campus, will begin in November, with completion scheduled for late 2003.

For more information, please contact Capital Projects Manager Don Bloom at (425) 564-2491.

general information

Basic Information

Eligibility for BCC

If you are 18 or older or have earned a high school diploma, you are welcome to apply for admission and take college credit classes. High school students may enroll at BCC; contact the High School Programs Office, (425) 564-2026.

College Credit Classes / Non-Credit Continuing Education

This Schedule deals primarily with college credit classes—classes that usually require homework, exams, etc. and that result in a grade recorded on your official student transcript. BCC also offers a wide variety of non-credit Continuing Education classes. If you plan to take non-credit Continuing Education classes only, you do not need to apply for admission, and the policies and procedures will be different from those listed here. Call (425) 564-2263, check www.conted.bcc.ctc.edu, or consult the Continuing Education publication for more information.

How to Enroll in Credit Classes

1. Admission

If you are new to BCC or returning after being gone two or more quarters, you will need to apply for admission. For an admissions application, see page 11 or go to the BCC website, www.bcc.ctc.edu/wts. If you send in your application before the admissions deadline (see calendar, p. 6), you will receive a letter setting up a registration time and telling you about assessment, advising, and other steps in becoming a BCC student. You also can learn your registration time by Remote Access.

If you do not meet the admissions deadline, you still will be able to register for classes – see Registration section below.

2. Assessment

BCC's "combined assessment" process identifies your skill level and appropriate placement in English and math. Assessment is required before registering for some classes and is strongly recommended to help all students succeed. Assessment also can help you meet the prerequisites listed for various classes. There is a \$15 fee for assessment. Stop by the Assessment

Office to determine your need to assess. Students may drop-in to take the tests between 1:00 and 5:45 p.m. on Mondays or between 9:00 a.m. and 5:45 p.m. Tuesdays and Wednesdays. Check the BCC website, www.bcc.ctc.edu, for more information (click on "How to Enroll").

If you completed college-level math or English at another college, you may not need assessment at BCC. Bring your transcripts from the other institution (and course descriptions, if that institution is out of state) to the Assessment Office for review.

3. Academic Advising

Planning your class schedule with an advisor will help you make good choices while you are here. Registration/Advising workshops give new students useful information about registration and assessment processes, schedule planning, and campus contacts. These workshops will help you select classes that will apply to your degree or transfer program and avoid enrolling in classes that might not transfer to the institution you want to attend after BCC.

A schedule of these workshops will be included in the letter with your registration appointment information, or see the website for more information: www.bcc.ctc.edu/advising/AdvRegLtr.htm.

4. Registration by Remote Access

If you are:

- A current student or a returning student who earned credits in the two previous quarters OR
- A new student or a returning student who earned credits more than two quarters ago AND who submitted an admission application by the deadline (see calendar, p. 6) –

you will be assigned a registration access time. You can check this time by Remote Access. You will also receive registration information including your "access time" in the mail. If you don't receive this information, make sure the college has your correct address – check the website or visit the Student Service Center. You may register for classes by Remote Access from your assigned access time through the third day of the academic quarter. You may drop or withdraw from classes by Remote Access until the end of the seventh week.

If you are:

- A new or former student who missed the application deadline (see p. 6) –

you will be assigned an access time for remote registration within 48 hours after your application is received by the Admissions Office. You may register for classes by Remote Access from your assigned access time through the third day of the academic quarter. You may drop or withdraw from classes by Remote Access until the end of the seventh week.

Remote Access Registration is available Monday - Friday, 6:00 a.m. - 10:00 p.m., and Saturday 6:00 a.m. through Sunday noon:

- Web registration – go to www.bcc.ctc.edu/wts
- Touchtone registration – dial (425) 564-2625

To use either type of Remote Access, you must know your Student Identification Number and your Personal Identification Number (PIN). Your birth date is initially assigned as your PIN. For your own protection, please change your PIN the first time you use Remote Access.

Need help with registration? Call (425) 564-2222 or come to the Student Service Center.

Registration for Distance Education:

BCC offers a variety of televised and online courses. You may register for these classes by Remote Access (Touchtone or BCC website) at any time through the third day of the quarter. If you need a registration form to be sent to you in hard copy, call (425) 564-2438. See page 39 for Distance Education requirements and fees.

5. Payment

If you register after August 9, your tuition and fees are due within seven calendar days. If you register on or after the fourth day of the quarter, tuition & fees are due immediately upon submission of the permission-to-enroll card. If you register on or after October 5, a \$100 late-registration fee will be charged for each course in addition to the regular tuition & fees.

The sections below give basic information about tuition, fees, waivers, refunds, etc., at BCC. You are responsible for learning the exact amount of tuition & fees due. You can find this information several ways:

- by Touchtone: dial (425) 564-2625, press 7#
- on the web at www.bcc.ctc.edu/wts
- at a kiosk in the Student Services Building or the Campus Information Center (C106 in the Student Union)
- in person at the Student Service Center

You may pay your tuition & fees by VISA or MasterCard at the time of Remote Access registration or at the Cashier's Office in the Student Services Building. You may pay by check through the mail, or by check or cash at the Cashier's Office.

You are responsible for verifying that payment has been made, for example if you are receiving financial aid that comes directly to the college.

If your check is returned because of a stop-payment, you will be charged \$25 and dropped from your classes immediately. If your check is returned because of insufficient funds, you will be charged \$15 and dropped from your classes after the college has notified you.

Drop for Non-Payment:

If you do not pay tuition & fees on time, the college may drop you from some or all of your classes.

You may be dropped from a class if you have not paid by the times noted under "Payment" above. You may also be blocked from registration and other student services until you pay the amount due.

If you are dropped from classes for non-payment, the college will notify you in writing after you have been withdrawn. You will be charged a \$15 fee for reinstatement into classes for that quarter. If you do not re-enroll, your future registration activity will not be affected.

What It Will Cost

Tuition & Fees

The following chart shows the basic tuition & fees per credit per quarter for residents and non-residents. (See "Residency" for definitions.) Additional fees are described below. **All tuition & fee rates are subject to change by the Board of Trustees and/or the state legislature. Check the BCC website (www.bcc.ctc.edu) for current tuition and fee amounts.**

16 Credits	\$675.60	\$2,415.40
17 Credits	\$681.10	\$2,424.70
18 Credits	\$686.60	\$2,434.00
19 & Over	(1) below	(2) below

(1) For 11 or more credits, residents will pay \$642.60 plus \$5.50 per credit up to 18 credits, plus \$56.70 per additional credit beyond 18.

(2) For 11 or more credits, non-residents will pay \$2,359.60 plus \$9.30 per credit up to 18 credits, plus \$228.40 per additional credit beyond 18.

Technology fee:

BCC has a technology fee to ensure that all credit students have access to computers and related technology in a quality learning environment. The fee is \$3.50 per credit, to a maximum of \$35 for up to 18 credits. The total tech and computer lab fees will be limited to \$115 per quarter for 10-18 credits.

E-mail accounts are available for credit students after the first day of the quarter in the Open Lab, room N250.

For more information, see the Academic Computing website, ac.bcc.ctc.edu/fee.htm.

Other fees:

Certain classes require fees for laboratory use, licensing, etc. These fees are identified in the class listing. Tuition & fee waivers generally do not apply to these fees.

Fees for Distance Education and Self-Supporting Programs:

The cost of each Distance Education class includes a licensing fee. For more information about Distance Education fees, call (425) 564-2438 or visit the website at <http://distance-ed.bcc.ctc.edu>.

Certain BCC programs are self-supporting—that is, they receive no state funding. They have their own fee structures and do not grant tuition & fee waivers. In these programs you pay the full course fee regardless of your residency status. Check the program description for details.

Transcript fee

The first three transcripts a student requests within one academic year are provided at no cost. There is a \$5 processing fee for each transcript ordered after the first three. For instructions on ordering transcripts, call (425) 564-2245 or go to the website at www.bcc.ctc.edu/wts/ofctran.stm.

Waivers

Some of your tuition & fees may be reduced ("waived") if you meet certain criteria. Waivers are available for eligible veterans, refugees, and some other categories of students. Contact the Student Service Center to ask about the eligibility rules. Waivers do not apply to technology fees, lab fees, etc., or to Distance Education or self-supporting programs.

Space-available waivers:

These waivers are available to seniors (60+ years old), state employees, and certain other groups. These waivers may be used for any class with a seat still available on the third day of the quarter. Specific information is available at the Student Service Center. Check the enrollment calendar for the registration time set aside for the eligible groups.

Refunds for Withdrawing or Dropping

If you withdraw from the college or drop classes so that your credit total is less than 10, you may be eligible for a refund. The college begins to process refunds after the third day of classes. A \$7 processing fee is deducted from the refund amount.

The amount refunded is based on your withdrawal or drop date for courses that begin the first week of the quarter. See calendar (p. 6) for the last days for 100% and 50% refunds.

If the college drops you from classes for disciplinary reasons you will not be eligible for a refund. Some fees are identified as non-refundable in the class listings. Self-supporting programs may have different refund policies; contact the program office for details.

Residency

Your residency status determines your basic tuition & fee rate for most college credit classes. You are considered a Washington State resident if you are a U.S. citizen OR have permanent resident immigrant, refugee-parolee, or conditional entrant status, AND

general information

(1) you have been financially independent from your parents or legal guardians for the calendar year during which your college enrollment begins AND you established a domicile (residence) in Washington State for reasons other than your education at least one full year immediately prior to the first day of the quarter, OR

(2) you are a financially dependent student, and one or both of your parents or legal guardians maintained a domicile in the state of Washington for at least one year immediately prior to the first day of the quarter.

You can prove your legal residence in Washington by showing that you have done the following for one full year immediately prior to the beginning of the quarter:

- held a Washington driver's license,
- owned a vehicle registered in Washington,
- been registered to vote in Washington, and
- actually lived in the state (demonstrated by utility payments, etc.).

If you wish to have your status changed from non-resident to resident, you must submit a Residency Questionnaire, with supporting documentation, within 30 calendar days of the first day of the quarter. Questionnaires received after the 30th calendar day will be considered for the following quarter. Forms are available at the Student Service Center.

Note: Residency status affects tuition & fees for state-supported classes only. Self-supporting programs charge the same amounts for residents and non-residents.

Grades

Official grades are available approximately one week after the quarter ends. There are several ways to learn your grades:

web registration

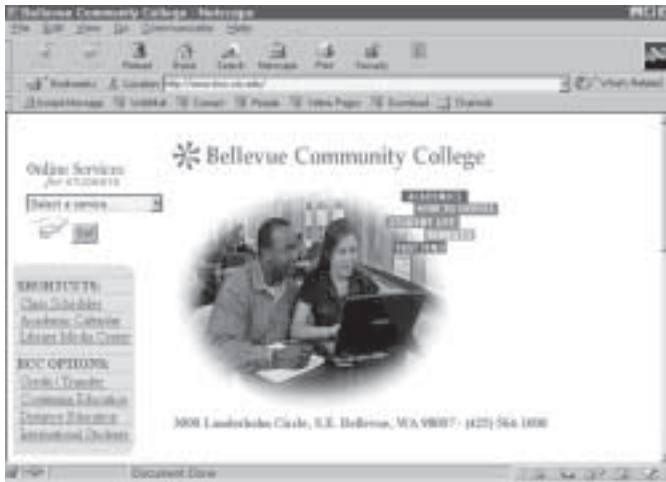

Go to the BCC website to register for classes!

Web and Touchtone registration hours:
6:00 a.m. - 10:00 p.m., Monday-Friday
6:00 a.m. Saturday - 12 noon Sunday

Additional online services are available at:
www.bcc.ctc.edu/wts

Before you start online registration, you'll need:

- the item numbers of the classes you want to take (use the online Schedule Planner, or check the printed Credit Class Schedule; be sure to line up some alternates)
- your Student ID number and Personal Identification Number (PIN)
- your Visa or MasterCard info, if you plan to pay for tuition, fees, or textbooks at the time you register.

Entry code: a 5-digit number you get from the division office, allowing you to register for a class that requires prerequisites or 'permission of instructor'

Audit: taking a class (and paying the tuition and fees) without getting grades or credits; if you audit a class it will appear on your transcript records with a grade of "N."

Need help? Call (425) 564-2222
or come to the Student Service Center

1 Log on to www.bcc.ctc.edu

- under Online Services for Students, select Registration
- Read the instructions
- click on Log in

2 Enter your information

- key in your Student ID number, PIN, and the academic quarter
- click on Register
- confirm your name and other info on the Welcome page
- click on Next
- answer the questions displayed during your first registration
- click on Next

3 Choose your classes

- on the Schedule screen, enter your item numbers under Add/Drop (up to 3 items at a time)
- when you're sure that the item numbers are complete & correct, click on Submit – a box will appear on screen for you to key in a 5-digit entry code if needed
- your class & fee info will appear in the Schedule box
- click on the Audit button if you want to take a class for no grade or credits; select the number of credits you want for variable-credit classes
- check the messages and follow the instructions if there were errors (for instance, if the class is already full) or there was a block (for instance, entry code required)
- click on Next

4 Make a payment

- select what you want to pay for at this time (tuition & fees are due within one week after your first registration)
- enter Visa or MasterCard information
- click on Finish

5 Print out your receipt

- this gives you a copy of your class schedule and a record of the transaction

Do you prefer to register over the phone?
Call Touchtone at (425) 564-2625

Summary of Parking and Traffic Regulations

Based on WAC 132H-116.

For more complete information about parking and traffic rules at BCC, contact Campus Security or Administrative Services.

Fines for violations range from \$10 to \$100.

Parking Permits

BCC students who have paid tuition and comprehensive fees are entitled to parking permits for their vehicles. Student parking permits (stickers) are available from the Cashier's Office (B126) or the Campus Security Office (K100). Student permits are required for parking in student lots, 6:00 a.m. to 3:00 p.m., Monday - Friday.

General Parking Rules

Student daytime parking is limited to areas designated Student Parking.

Staff/faculty daytime parking is limited to areas designated Staff/Faculty Parking.

Evening parking, after 3:00 p.m., for students, staff, and faculty is available in all designated parking areas with the exceptions of parking spaces for the handicapped, the college motor pool, and specifically signed reserved areas. Students may not park in those lots designated as "Staff/Faculty Parking" with signage stating "No Student Parking Anytime Mon - Fri".

Park one vehicle to a space, between a set of white lines.

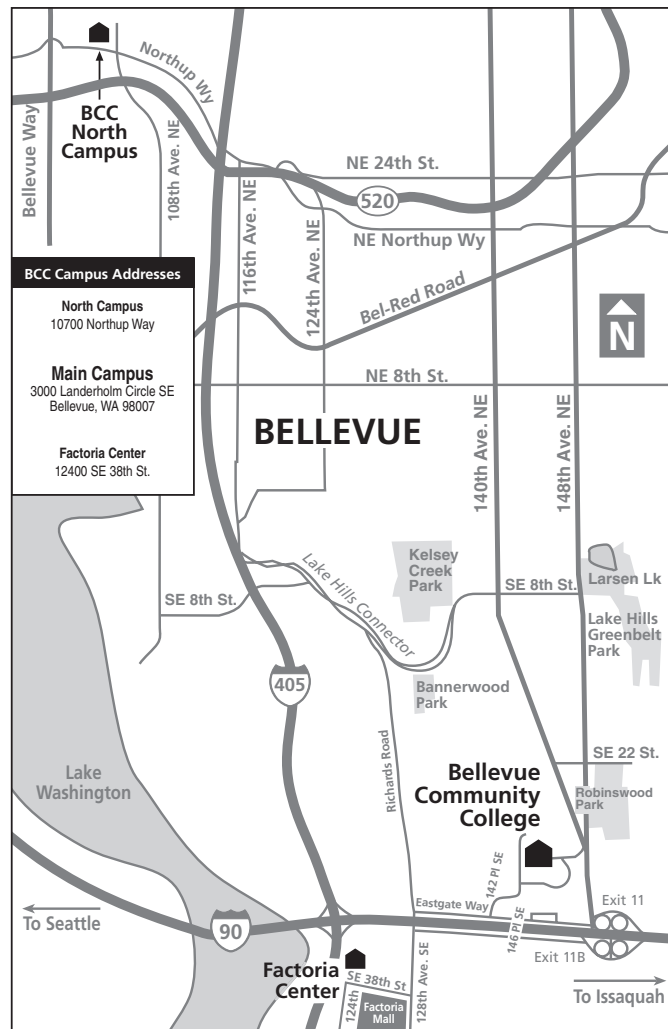

No one may park at any time in roadways, fire lanes, bus zones, loading zones, or service driveways; or on sidewalks; or in the landscaping. No one may park in a reserved space without the appropriate permit or authorization.

Students & Staff with Disabilities

You may park in a space reserved for the disabled only if your vehicle displays a valid "Disabled Persons Parking Identification Placard" issued by the State of Washington. Parking lot C-7 on the west side of campus is reserved for disabled parking. Most other parking lots include reserved spaces as well.

Visitors

Visitors on brief errands to BCC may park in Lot 7, or in the short-term parking stalls around campus.

Bellevue Community College assumes no liability for thefts or damage to vehicles parked or operated on campus. For your own protection, remove valuables and lock your vehicle.

Carpools

Lot 4-B is reserved for student carpools (3 or more people sharing 1 vehicle). Carpool permits are available from the Security Office and must be displayed on the dashboard of the carpool's vehicle.

Blocking the Roadway

Waiting in the parking lot roadway for a space to open up can create gridlock for everyone. Please be willing to come a little earlier or walk a little farther. Violators may be cited.

Speed Limit

The speed limit on campus is 20 miles per hour unless posted otherwise or unless driving conditions require a slower speed.

Pedestrians

Pedestrians have the right of way at all times. (Exception: pedestrians must yield to emergency vehicles using lights, sirens, etc.)

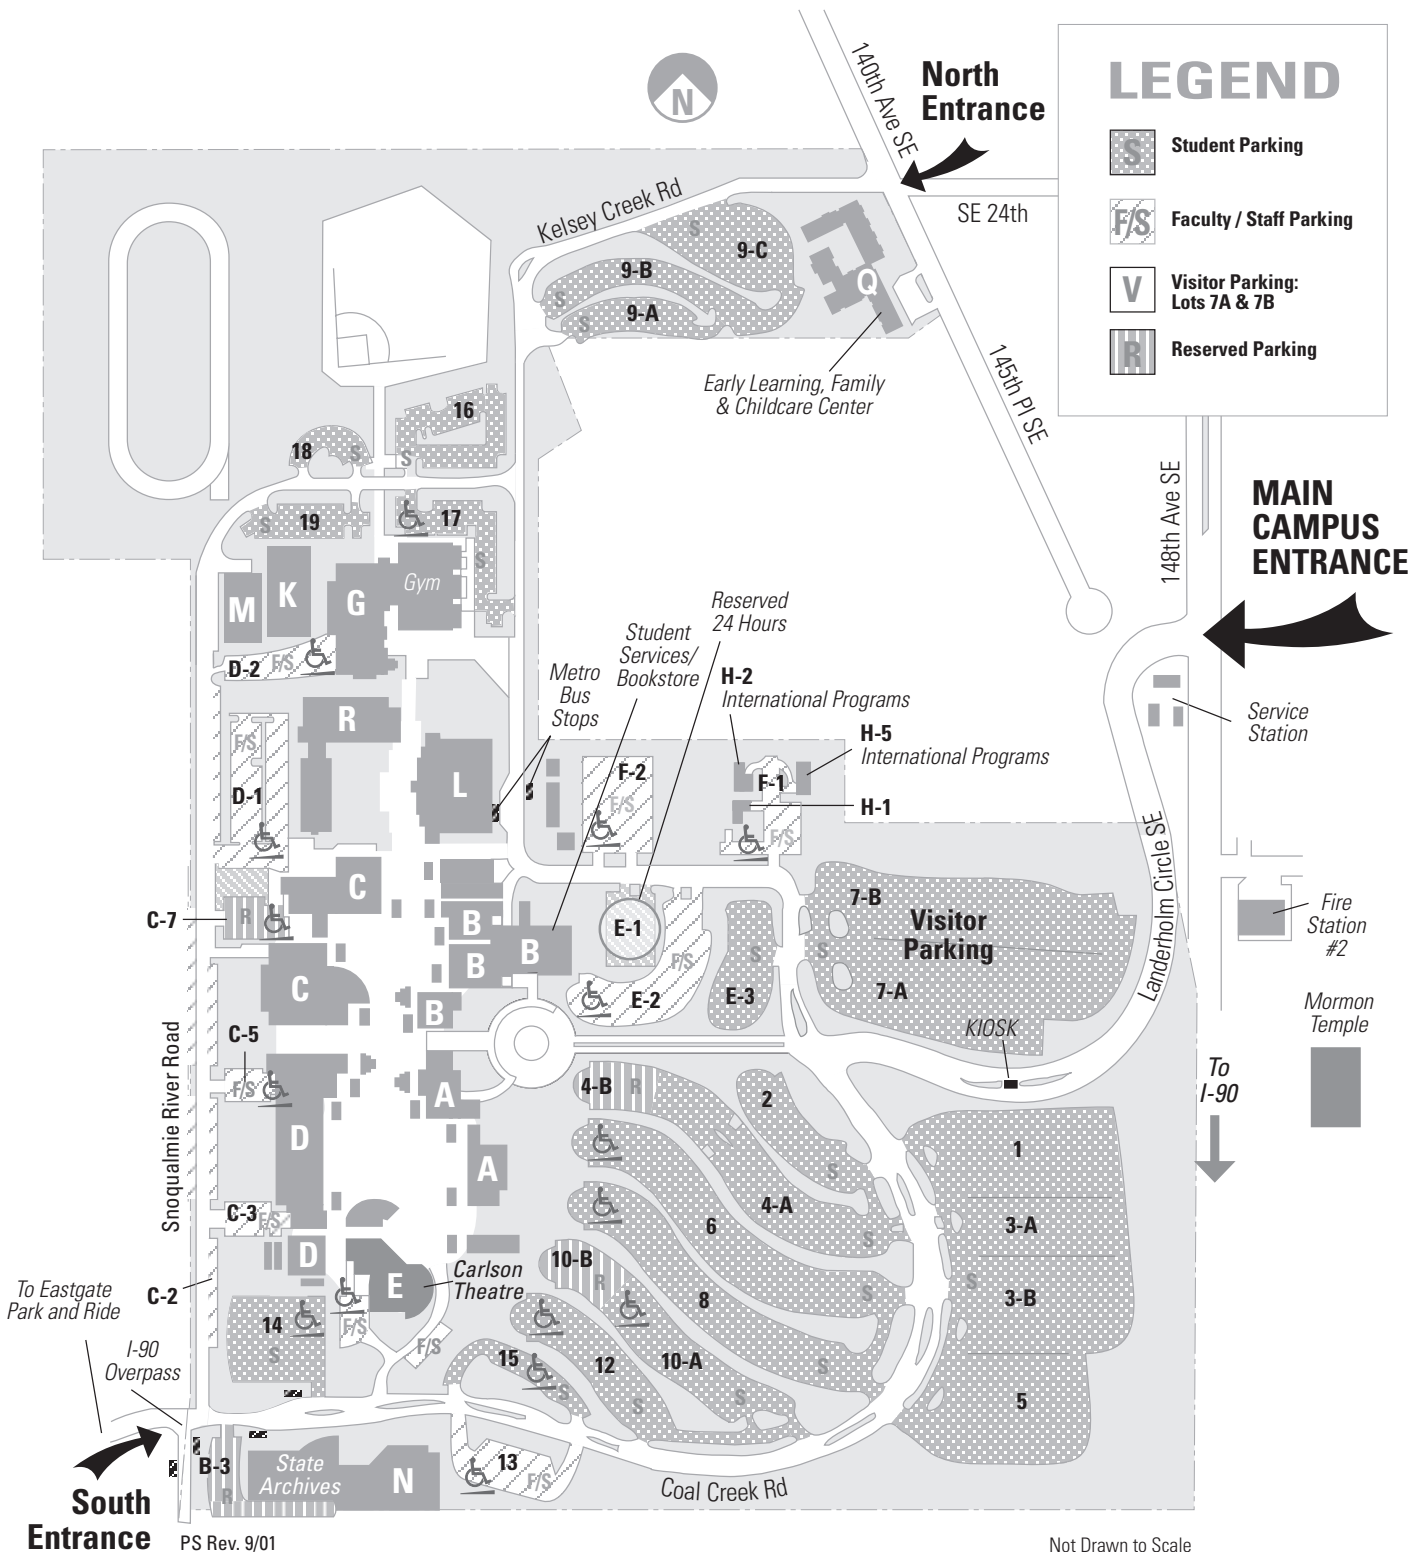

Citations and Appeals

You may be cited (get a ticket) for parking without a permit, parking in an unauthorized area, blocking a roadway, speeding, etc. If you do not pay the fine listed on the ticket, the college may delay your registration, place a hold on your transcripts or Financial Aid, or impound (tow away) your vehicle.

If you think the ticket was unjustified, do not pay the fine but fill out a citation appeal form in the Campus Security Office (K100) or Administrative Services Office (B202). You must file the appeal within 20 days after getting the ticket; after that time you must pay the fine.

Advising Center

2nd Floor, SSB (425) 564-2437

The Educational Planning & Advising Center (EPAC) is the major focal point for information regarding BCC degrees and certificates as well as transfer information. The following resources are available:

- Drop-in advising for undecided/exploring students;
- In-state baccalaureate (four-year) academic information and admission requirements;
- An online advising website, www.bcc.ctc.edu/advising, with information about in-state and out-of-state colleges as well as BCC degrees, certificates, admission information, and other student services;
- An online transfer newsletter with up-to-date advising and admission information from Washington State baccalaureate colleges and participating out-of-state colleges;
- A quarterly "transfer fair"* with representatives from major regional colleges and universities to answer your questions about policies and requirements; and
- Appointments to speak to a Washington baccalaureate/four-year advisor about admission requirements.

*Transfer fair for Fall Quarter:
October 22, 9:00 a.m.-12:30 p.m. and
5:30-7:30 p.m., BCC Cafeteria. Check the
website for a list of participating schools.

Assessment or Prerequisites

Room B132 (425) 564-2243

A student can meet course prerequisites by participating in an assessment session OR by successful completion of an equivalent course at an accredited college or university. After the Assessment Office determines the student's eligibility, either by assessment results or college transcript review, the information is uploaded to the Registration Computer System within two working days.

BCC Bookstore

1st Floor, SSB (425) 564-2285

The BCC Bookstore features textbooks, greeting cards, candy, gifts, office supplies, and clothes.

Bookstore hours during the quarter are generally 7:30 a.m. to 7:30 p.m. Monday-Thursday and 7:30 a.m. to 2:00 p.m. Friday. During the first weeks of the academic quarter, the Bookstore is open for extended hours for your convenience, including some Weekend College hours. Check the Bookstore website, <http://bookstore.bcc.ctc.edu>, for details about days and times.

Important bookstore dates:

September 3: Bookstore begins selling Fall Quarter textbooks. Buy your books early to avoid the crowds!

October 14: last day to return a textbook and receive 100% refund. Remember to save your Bookstore receipt in case you need to exchange or return a textbook.

December 10-13: Textbook buybacks.

The Bookstore will be closed October 11, November 11, November 28-29.

Career Center

2nd Floor, SSB (425) 564-2018

BCC's one-stop Career Center provides career planning and employment services to students and members of the community. The Center provides one-on-one career advising, career transition classes and workshops, assistance with job searches, and internship activities. Employers, please call (425) 564-2476 or fax information about job or internship opportunities to (425) 564-2230.

Career Education Options

2nd Floor, SSB (425) 564-4035

Career Education Options (CEO) is a program for students 16-20 years old who do not have a high school diploma but wish to gain job skills and education through selected professional-technical programs at BCC. The program serves students who are not enrolled in school or are referred by their high school. CEO provides tuition, fees, and books as well as instruction in career exploration and study skills.

Childcare Center

Q Building (425) 564-2240

The Childcare Center is available to children 3 months to 7 years old. It provides affordable, quality childcare with ongoing preschool activities from 6:45 a.m. to 10:15 p.m. on weekdays and from 7:00 a.m. to 7:00 p.m. Saturday. Parents enrolling their children are required to participate in the Parent Involvement program.

Low income families may apply for enrollment in Head Start, an enhancement program available for children 3 and 4 years old. The program supports full time childcare, encourages parent involvement, and provides comprehensive social and health services to eligible families. Call for information: (425) 564-2240 or (425) 564-2308.

Counseling Center

2nd Floor, SSB (425) 564-2212

The Counseling Center helps students and prospective students to achieve satisfactory entry, progress, and completion. Services include career testing, educational planning, career classes, and workshops dealing with assertive communication, career and life goal decisions, self-esteem, leadership development, learning strategies for student success, fear of tests and new situations, college survival, stress management, etc. Faculty counselors provide personal, educational, and career counseling and student advocacy on an appointment or drop-in basis.

Disability Support Services

Room B132 (425) 564-2498

Disability Support Services provides classroom accommodations and advocacy for eligible students who have disabilities. Appropriate accommodations are authorized when a student requests them and completes the mandated intake procedures. As a part of the process, students must submit documentation of the disabling condition(s) before DSS can authorize and arrange auxiliary aids or academic adjustments for classes. Contact DSS at (425) 564-2498; TTY line, (425) 564-4110.

Financial Aid Office

1st Floor, SSB (425) 564-2227

Applying for financial aid is a lengthy process, controlled by rules and regulations set by the federal and state governments. Priority consideration is given to students who complete and submit all required forms to the office by April 15. All forms and instructions are available from the Financial Aid Office. Applicants completing and submitting forms after the priority deadline will be considered on a first-come, first-served basis.

Students applying and/or receiving financial aid are required to make and maintain satisfactory academic progress in their course of study. A copy of the policy is made available at the time of application.

A student who withdraws from all classes or completes zero credits during a quarter when he or she received financial aid is subject to a different refund and repayment policy than applies to other students. See the Financial Aid Office for further details.

GED

Room B132 (425) 564-2243

Information on taking a General Educational Development (GED) exam is available from the Assessment Office. Students may wish to take the free GED preparatory class in advance.

High School Programs

2nd Floor, SSB (425) 564-2026

Running Start: An option for academically motivated high school juniors or seniors who wish to begin college early. Classes are offered to the student tuition-free, and credits are applied toward both high school and a college degree. Students qualify by demonstrating college-level English skills on the BCC assessment, and may attend part-time or full-time on the BCC campus. Application deadlines are early. For more information, see our website, www.bcc.ctc.edu/hsprograms.

High School Completion: This is an opportunity for adults to earn a high school diploma at BCC. This program is recommended for adults with strong basic skills and a desire to continue on with college. Students enroll in college courses to finish diploma requirements, making this a challenging program for the serious student. To enroll, please contact the High School Programs office at least one month before the start of the quarter.

Enrichment Program: An option for any quarter, but especially popular in the summer. This program allows students aged 16-17 to enrich their high school education by taking more rigorous college level courses. This option is not intended for the student who struggles with high school coursework, but is designed for the motivated student who desires a greater academic challenge.

International Student Programs

2nd Floor, SSB (425) 564-3185

International Student Programs provides primary support for international students who wish to enroll in credit classes, non-credit community ESL classes, Intensive English Language Program, and the International Business Professions Program. Services include international admissions, housing, academic advising, and international student activities. For further information, please contact:

International Student Services
Bellevue Community College
3000 Landerholm Circle SE
Bellevue, WA 98007-6484 USA
FAX: (425) 564-4065

Multi-Cultural Services

2nd Floor, SSB (425) 564-2208

Multi-Cultural Services provides academic support and advocacy for students of color, low-income students, and students with disabilities at BCC. The program goal is to provide an environment that will help each student reach the highest level of personal and career success and to promote cultural awareness within the college and community.

Parent Education – Preschool

Room R130 (425) 564-2366

BCC's Parent Education program provides quality early childhood education classes combined with parent education and participation. Pre-schools meet at various locations in Bellevue, Carnation, Fall City, Issaquah, Mercer Island, Sammamish, and Snoqualmie as well as on the BCC campus. Some evening classes are available. Programs for specific age groups include:

- Infant Labs (0-12 months)
- Pre-3's (13-36 months)
- Cooperative Preschools (3-6 years)

Parent Education also offers one-day-a-week Enrichment Classes for 3- to 7-year-olds during the September-June school year, Summer

Kids Camp for 2- to 7-year-olds every summer, and Parent Education for families enrolled in the Early Learning, Family, and Childcare Center.

Initial registration for each school year begins in February and continues until classes are full. For details and registration information, call (425) 564-2366 or visit the website, www.bcc.ctc.edu/parent-ed.

Remote Access System

Students can use Remote Access to register for classes and to check grades for past quarters, current grades (as soon as they are posted), financial aid application status, and date and time for registration for the coming quarter. Remote Access is available

- on the Web at www.bcc.ctc.edu/wts
- by Touchtone at (425) 564-2625

Remote Access hours are Monday - Friday, 6:00 a.m. - 10:00 p.m. and Saturday 6:00 a.m. through Sunday noon. To use Remote Access you will need to know your Student Identification Number and your Personal Identification Number (PIN). Your birth date is initially assigned as your PIN. Please change your PIN the first time you use Remote Access.

Student Service Center

1st Floor, SSB (425) 564-2222

If you need assistance using Touchtone or the BCC website, come to the walk-up kiosks or the Student Service Center. You can

- see your schedule;
- drop or add a class;
- get your grades from last quarter;
- order transcripts;
- give BCC your new address or phone #;
- find out about other college services.

During the academic quarter, the Center is open 8:00 a.m. to 8:00 p.m. Monday - Thursday and 8:00 a.m. to 5:00 p.m. on Friday. During the breaks between quarters, the Center is open 8:00 a.m. to 5:00 p.m. Monday - Friday.

Tech Prep Program

2nd Floor, SSB (425) 564-6159

Tech Prep is a program for students who have taken certain professional-technical classes at participating high schools. Students who earned an A or B in those classes may be eligible for college credit at BCC.

college programs & services

TRIO Student Support Services

2nd Floor, SSB

(425) 564-5745

TRIO Student Support Services provides personal, academic, and other assistance for up to 160 eligible students. The program is designed to help students succeed and excel in college. To qualify, a student must either be a first-generation college student (neither parent has a bachelor's degree) or be financially disadvantaged (according to federal low-income standards). TRIO offers a variety of services, including:

- study skills development;
- individual tutoring;
- personal, academic, and financial aid advising;
- study center and computer lab; and
- student advocacy.

State Support for Community and Technical College Students

The Washington legislature wants students to know how much the state contributes to the cost of their instruction at community and technical colleges (RCW 28B.10.044). The following chart shows that support averaged statewide for academic year 2000-01. On average statewide, Washington State supports 74% of the cost of instructing a full-time student at a community or technical college.

	Undergraduate student category:	
	Residents	Non-Residents
Total instructional cost per FTE student (less estimated tuition & operating fees paid)	\$5,094 (\$1,314)	\$5,094 (\$5,760)
Net state support per FTE student	\$3,780	—
In addition to supporting basic instructional costs, students also receive state-supported financial aid, including local or institutional financial aid funds (3.5%):		
State financial aid appropriated per FTE student	\$425	\$23
Institutional financial aid fund	\$51	n/a

Security Information Now Available

BCC is committed to assisting all members of the BCC community in providing for their own safety and security. The annual security compliance report is available on the BCC Public Safety website at www.bcc.ctc.edu/campus_ops/security/public_safety/clery.htm.

If you would like to receive a booklet containing this safety and security information, stop by the BCC Security Department at 3000 Landerholm Circle SE, Room K100, Bellevue, WA 98007, or call (425) 564-2400 to request that a copy be mailed to you.

The website and booklet contain information regarding campus security and personal safety including:

crime prevention, college security law enforcement authority, crime reporting policies, disciplinary procedures, and other important issues related to security on campus.

The website and booklet also contain information on crime statistics for the three previous calendar years. The statistics concern reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by BCC; and on public property within or immediately adjacent to and accessible from the campuses.

This information is required by law and is provided by the BCC Security Department.

Looking for an Internship?

Internship Seminar-HD 199 V1-5 CR

Students interested in learning about (paid or unpaid) credit-bearing internships or registering for such an internship are encouraged to attend a two-hour pre-internship orientation. **Students may begin at any time during the quarter by attending any pre-internship orientation.** A credit-bearing internship includes a two-hour pre-internship orientation, a (paid or unpaid) internship with industry or a community-based organization, and a two-hour post-internship seminar. Students may begin at any time during the quarter by attending any pre-internship orientation. Registered students will earn credits for the class by integrating knowledge and skills from their college courses with their internship experience. **Students interested in simply learning more about internships may attend any two-hour pre-internship orientation with no obligation to register for the class.** Be-

fore formally registering, students are required to attend one pre-internship orientation; permission to register will be arranged at the orientation.

E-Commerce Degree

Only 5% of businesses have commerce sites, but projections are that all business will need commerce sites in the next 5-10 years.

BCC's innovative E-Commerce program focuses on small businesses and implementing real commerce sites. Learn and practice the broad range of skills and complex problem-solving it takes to put up a successful digital business.

VP of Costco.com talks to E-commerce students.

English— Combination Classes

ARTS & HUMANITIES DIVISION

The English Department's "combination classes" give students the opportunity to approach two topics at the same time to improve their skills and understanding of both. For example, in a 10-credit composition and literature combination, students read, discuss, analyze, and write about significant literary works. The Department recommends that students in combination classes have college-level placement.

ENGLISH COMPOSITION & LITERATURE • 10 CR

Earn English 101 credit as you learn about the human experiences described in literature, both past and present. We will study the themes of Home and Family, Love and Its Complications, Life and Its Lessons, and The Natural and Unnatural in works of poetry, fiction, and drama. The course will emphasize analysis and response to literature in reading, writing, and discussion. We will read selections from William Faulkner, Emily Dickinson, Tennessee Williams, and many others.

"Hollywood and the Political Thriller" will focus on the fascinating impact of film on American society, history, and politics. Students can fulfill English 101 requirements by exploring movies as a mirror of our popular culture. Topics covered in the course include power, conspiracy, government corruption, political scandals and how Hollywood has portrayed our fears and anxieties about government. Using DVD films, we will examine history, government agencies, and society in the 20th century.

Plan ahead for Winter Quarter!

SKIN DEEP: A WORLD OF DIFFERENCE

Back at BCC in Winter 2003! Plan to enroll Winter Quarter in an exciting interdisciplinary class, back by popular demand. "Skin Deep" will focus on how we develop our identity, how it is shaped by race, class, gender, and nationality, and how the sense of "us" and "them" can be a source of interpersonal and global conflict. How can we celebrate our diverse identities and address the misunderstandings that can lead to conflict and violence, within the U.S. and internationally?

Students sign up for a **17-credit block** (9:00-1:00 daily) and earn transferable credit in English composition, Economics, Psychology, and/or American Studies. We will form a learning community, with lots of interaction and the chance to know the teachers and other students well.

Instructors: Kim Pollock (English and American Studies), Michael Righi (Economics), and Helen Taylor (Psychology)

Look for details in the Winter Quarter schedule.

IT 297**Special Topics in IT: Support Linux • 5 CR**

Note: Support Linux: covers technical competencies from CompTia Linux+.

Prerequisite: Entry code: completion of IT 217 or A+ certification. For more information and how to obtain an entry code see: www.teachgeek.com/Linux.

Interdisciplinary Studies**ARTS & HUMANITIES DIVISION**

Interdisciplinary Studies combines the study of several subjects into one integrated course or "learning community," usually for 10 or more credits. Each IDS course features a theme that forms a common thread across disciplines. The focus of these courses is YOU. Students learn with each other and from each other by discussing readings in small groups (seminars), taking part in group activities, and, in some courses, by taking field trips. These programs emphasize the process of learning as well as course content. The student-centered, discussion-oriented format encourages and supports different points of view and creates a social climate that promotes collaborative learning.

OF MICE AND MATTER

When you think about a zipper, do you think about your jeans or your genes? Is a cell found only in the King County Jail? Do you want to take the Chem-mystery out of Chemistry? Are you still looking for the card catalog in the BCC Library? Do you need biology and chemistry for an Allied Health field or a transfer degree?

Enroll in this supportive learning community that combines beginning sciences with study skills and research techniques. Develop learning strategies and critical thinking abilities while participating in lively lab activities and fascinating field trips! Unravel the mysteries of the World Wide Web and probe controversial issues in science.

Earn 15 credits from the following courses:

- BIOL 101 General Biology (6 credits)
- CHEM 101 Introduction to Chemistry (6 credits)
- BASCI 103 Research Skills in Science (3 credits)

Distance Education Options

Online courses (pages 61-67)

Online classes are conducted over the Internet. Students must access each online class daily for assignments, discussion, etc.

Successful online learning requires:

- The motivation and self-discipline to focus, set goals, and complete course assignments on time without daily face-to-face contact with an instructor.

What do you need to succeed in online learning?

- The ability to learn from written materials, including lectures, e-mails, threaded discussions, and chat rooms.
- A good working knowledge of your computer and your Internet Service Provider (ISP), including e-mail.

- The ability to learn and use WebCT, and specialized software when required, for our web-based courses.
- Appropriate hardware and software. (See information for online students on page xx.)

Telecourses (page 67)

Televised courses at BCC combine video programs, textbooks, study guides, and on-campus orientation and review sessions.

What do you need to succeed in a telecourse?

- Attendance at mandatory on-campus orientation and exam sessions. Some courses have other mandatory attendance requirements, especially for lab sciences and foreign languages. Check the course listings for details.
- A way to view to video materials. (See page 67 for viewing options.)

What is Distance Education?

Distance Education at BCC is designed for students who prefer to learn at home, according to their own schedules. Distance Education students get the same breadth and depth of material and earn the same college credit as students in classrooms do.

Distance Education students need the self-motivation and self-discipline to focus, set goals, and complete course assignments on time without daily face-to-face contact with an instructor.

Although you save time commuting to campus, you still need to put in the hours a college-level course requires to absorb material, read textbooks, and complete assignments and exams.

OAS? TAC? Item Numbers & Sections

Most Distance Ed classes have two item numbers for the same class. Here's what the code letters mean:

O = online

T = telecourse

A, B, C, etc. = the section designator

S = state-support basis

C = contract basis

Washington State Residents:

We recommend that you sign up for the xxS section. The class cost includes BCC's current per-credit tuition, the technology fee, and a \$35 non-refundable Distance Education fee.

Non-Washington State Residents:

If you live outside Washington State, we recommend that you sign up for the xxC section. The class cost includes \$425 per 5-credit class and a \$35 non-refundable Distance Education fee. See "What Will It Cost?" on our web page.

How to Get Started

- If you are new to BCC, apply for admissions (www.bcc.ctc.edu or see page 8)
- Register either by Touchtone: (425) 564-2625, or online at www.bcc.ctc.edu
- Pay fees (Additional fees apply in some cases, e.g., science labs)
- Read How to Start Fall Quarter at: <http://distance-ed.bcc.ctc.edu> (some online classes have specific information; check the listings for details)
- Buy textbooks

**Online instruction starts on the
second day of the quarter: Tuesday, September 24**

Dropping a Distance Ed class? Check the refund policy on page 9.

**Is Distance Education right for you?
Take the self-assessment test online at
<http://distance-ed.bcc.ctc.edu/>**

Online Courses

Information for online students:

Basic computer literacy is required.

You must have a good working knowledge of your computer and your Internet Service Provider (ISP) including e-mail and the ability to learn and use WebCT and specialized software when required, for our web-based courses.

You must access each class daily via an Internet account including e-mail and web access via a server with a browser that reads JavaScript—the most recent version of Netscape or Internet Explorer.

Textbooks for classes are available from the BCC Bookstore: check the website for days and hours <http://bookstore.bcc.ctc.edu/> or call (425) 564-2285.

Questions? Call the Distance Education Office at (425) 564-2438 for information.

TELECOURSES**Information for Telecourse Students:**

Telecourse instruction incorporates video programs, textbooks, study guides and/or lab manuals, and on-campus review sessions with BCC instructors.

Attendance is required at orientation (first review session) and all sessions where exams will be given. Individual instructors may require additional attendance. Please note mandatory attendance requirements for lab science and foreign language courses.

There are several ways you can view the video programs. BCC telecourses are broadcast by the college campus television station. To view this way, you will need access to The College Channel on AT&T Cable Channel 28 to Bellevue, Redmond, Kirkland, Issaquah, Juanita, Woodinville, Bothell, and Mercer Island. Some viewers are now able to get our programming in the Auburn, Black Diamond, Kenmore, Kent, North Bend and Renton areas.

Videotapes used in the telecourses are also available for viewing and/or overnight checkout from the Library Media Center on campus. There is no charge for this service.

Students registered in a telecourse may also rent sets of videotapes for a non-refundable fee of \$30/set/quarter. The tapes must be returned at the end of the quarter.

Questions? Call the Distance Education Office at (425) 564-2438 for information.

PROJECTED ANNUAL COURSE OFFERING 2002-03

To help you plan what to take when, here are the courses that BCC expects to offer during each quarter of the 2002-03 academic year.

This list is accurate as of May 2002. The list should not be considered complete, and it should not be considered a guarantee that these courses will be offered in each quarter and each format shown. Classes may be added and removed as necessary throughout the year. For up-to-date information, check the BCC website or the published Credit Class Schedule for each quarter.

An asterisk (*) means that the course has prerequisites. Check the BCC Catalog for details about requirements for these courses.

www.bcc.ctc.edu/programs/proftech.stm

BCC offers a diverse range of career programs including health sciences, information technology, business, media communication, accounting, marketing and more! If you want to start a new career or upgrade your skills, you'll find a variety of program options to meet your needs. See our offerings in the BCC Credit and Continuing Education class schedules.

Academic Transfer Programs

(425) 564-1000

www.bcc.ctc.edu/programs

Complete your first two years of college at BCC, then transfer to a four-year university. Take advantage of small class sizes, talented instructors, challenging courses and lower tuition than most four-year institutions. BCC offers a smart, cost-effective way to start your college career. See our offerings in the BCC Credit class schedule.

Personal Enrichment Classes

(425) 564-2263

www.conted.bcc.ctc.edu

Pursue a hobby or develop a new skill! You'll find nearly every subject imaginable in BCC's personal enrichment classes in yoga, ceramics, world languages, massage, T'ai Chi, cooking, parenting, photography and much more. Take time for yourself and discover a new interest! See our offerings in the BCC Continuing Education class schedule.

Adult Literacy Programs

(425) 564-2347

www.bcc.ctc.edu/artshum

BCC offers free English-as-a-Second-Language classes for adult immigrants, refugees and citizens who want to develop English language skills necessary for employment and daily survival in the community. Free Adult Basic Education courses are open to adults who want to improve basic reading, writing and math skills. GED classes prepare students to take the high school equivalency exam. Instructors provide a supportive, safe learning environment.

Services for Business

(425) 564-4154

www.conted.bcc.ctc.edu/BizTrain.htm

BCC's Business & Professional Training Institute offers flexible customized training solutions for large or small businesses. Classes are taught by experienced business professionals and are tailored to individual organization needs. The Small Business Development Center at BCC offers free resources and low-cost workshops to small business owners in Washington.
