# BOARD OF TRUSTEES COMMUNITY COLLEGE DISTRICT VIII BELLEVUE, WASHINGTON

A regular meeting of the Board of Trustees of Community College District VIII, 3000 Landerholm Circle SE, state of Washington, was held on Wednesday, April 12, 2023. This meeting was conducted in a hybrid fashion with the physical location in B201 and the remote location on Zoom: bellevuecollege.zoom.us/j/89124939792. A telephone line, +1 253 215 8782, was also available. Merisa Heu-Weller, Chair, presided.

#### **MINUTES**

Chair Heu-Weller called the business session to order at 2:03 PM.

#### I. ROLL CALL

Chair Merisa Heu-Weller, Vice Chair Rich Fukutaki, Trustee Greg Dietzel, Trustee Richard Leigh, Trustee Conor O'Meara, Trustee Pradnya Desh, President Gary Locke, Assistant Attorney General Tricia Boerger, and Board Secretary Alicia Keating Polson were present. A quorum of the Board was present.

There were 42 guests in attendance.

#### II. APPROVAL OF AGENDA AND MINUTES

Trustee Leigh made a motion to approve the agenda (April 12, 2023) and minutes (March 15; March 24; and March 28, 2023) Trustee Desh seconded.

The motion passed unanimously.

#### III. CONSTITUENT REPORTS

#### A. College Assembly

The College Assembly report was provided by Valencio Socia, Chair of College Assembly.

- Assembly celebrates the recent completion and installation of the second rainbow pride crosswalk, near the southwest corner of campus. Thank you to the BC Foundation, Governor Locke, and BC Governance councils for continuing to make this governance proposal a reality.
- BC Governance accepted 28 nominations for next year's councils and College Assembly during the month of March. There are nearly 40 seats open for next year, so the nomination process was extended to a second round in April.
- Thank you to William Tribble and CPRC for the Capital Project 2023-2025 Biennium Future Planning presentations last month.

- Classified Council reviewed the college's land and labor acknowledgment, and seeks
  further input, as reading the statements aloud without taking action raised concerns.
  Faculty Council used the land and labor acknowledgement to discuss IPCC climate
  change report and the college commitment to sustainability (policy 1280).
- Resources & Planning Council discussed course scheduling and the need for increased alignment for students, instructors, and facility use under Guided Pathways. Faculty Council and Student Success Council continue their work on course scheduling, delivery modes, communication challenges and resources for students, as well as student advising practices for educational planning.
- Thank you to Hector Guzman who reported on the Puente program and Amanda Arboleda who reported on student clubs and organizations at Student Success Council in March.

#### B. Faculty

The Faculty report was provided by Lindsay Haney, Instructor-Associate Professor.

- The delayed OETA payments were made. A big thanks to the staff, in particular, to Greg Schmidt. Faculty hope there will be continued effort and resources to get faculty paid more timely for promotions, governance, and stipend work.
- Comment on the change to the practice of allowing classified staff to moonlight courses as adjuncts. Faculty recognize that this has been a limited practice. It is in specialized areas such as athletics, Neurodiversity Navigators, and Umoja, Puente, and FYS sections. The low pay for adjuncts and the specialized nature of the curriculum make it difficult to find a qualified adjunct to teach. This policy change is not at the faculty's behest. Faculty recognize the labor and professionalism of our colleagues, who have been teaching these sections and contributing to these programs. Faculty are concerned about the impact this policy change will have on these programs and the students that they serve.
- After carefully reading the Office of Student Engagement consultant's report, faculty are
  pleased to see it as an opportunity to collectively put the past behind us. It's been
  heartbreaking to see these needless disagreements fester, and faculty are excited to
  inaugurate a renewed era of collaboration with the Office of Student Engagement,
  particularly with a strong representative ASG. The faculty representative to the S&A
  committee is ready to support students in their decision-making.
- BCAHE wants to ensure that the Board of Trustees understands that faculty have no opposition to granting early tenure in appropriate cases.
- The faculty asks the Board of Trustees to consider the link between student success and full-time to adjunct faculty ratios.

#### C. Foundation

The Bellevue College Foundation (BCF) report was provided by Rebecca Chawgo, Vice President of Institutional Advancement.

• The college athletics and golf scramble took place on March 27. This fundraiser supports scholarships for our BC athletes, and it was a resounding success on every count. The goal was set for 104 golfers, and we ended up with 132. The revenue goal was \$30,000,

- and we came in at the end of the day with just over \$47,000. The Foundation greatly appreciates the support of donors, the trustees, staff, and faculty that participated in the event. A special thank you to Governor Locke.
- It is a scholarly read week, with over 730 applicants. Each application is read three times. That is more than 2,200 scorings by 40 volunteers.
- Community Day is next week. The Foundation is very excited to announce the excellence award during the lunch hour. During Discovery Day on Saturday of next week, the Foundation will participate in the How Do You Fund College info session.
- A special note from the Foundation Board members expressing sincere appreciation for being included in the Presidential finalist interviews. It was great to get to see all the candidates and have some input.

#### D. Student

The Student report was provided by Rebecca Mujinga, President of Associated Student Government (ASG).

- ASG is currently working on elections. Applications are open. ASG has been tabling every
  day to talk with students and encourage them to apply. The school was working on the
  website. ASG couldn't work on online applications, using paper versions of applications
  until the website was done. The deadline is April 21, 2023. Campaigning will run from
  May to June.
- ASG is working on the S&A process, and the committee is ready. Training should start by next week.
- Lori Keller, Assoc. Director of Policies & Special Projects is helping ASG get ready with the Student Council. Students have been appointed today. The Student Council should be ready to start this spring.
- ASG worked on a short survey to discover specific issues to help make the student experience excellent here at Bellevue College. ASG would like to learn more about what students are experiencing and how ASG can help improve the student experience on campus.
- ASG is working with multicultural services (MCS) to organize a graduation ceremony, to happen in about two months.
- ASG is planning a gala to celebrate and thank student organizations for helping student success. The ASG gala will be held on June 8, 2023.
- ASG is collaborating with organizations, such as clubs, to organize activities on campus.
   ASG aims to organize something for Autism Awareness Month with the intent of
   learning more about related topics. ASG would like to work with some of the partners at
   Bellevue College that have already organized events related to autism.

#### E. Classified

The Classified report was provided by Jennifer Pritchard, Program Manager of the Math and Science Division.

- The classified staff pays respects to Lor Pao Vang, who passed away recently. He was a valued member of the Food Services team for more than 25 years and a warm presence on campus. He is missed.
- Bellevue College has a new website. Kudos to Eric Kong, Project Manager of ITS, and the
  rest of the team for overhauling 40 sub-sites, including 150 new pages and dedicated
  entries for every Bellevue College degree and certification program.
- Great job to the Running Start and the High School Program teams for exceeding their Spring Quarter FTE goals.
- The classified staff has concerns over the upcoming revisions for policy 4700 and procedure 4700P, related to employee development and training, that will soon come forward to the Board of Trustees to approve.
- Huge shout out to the Black Student Union, the Leadership Institute, and the Emojis Scholars' program for co-hosting an enriching educational opportunity for 14 students through a tour of 5 historically black colleges and universities in parts of Texas and Louisiana.
- Many classified employees viewed the released Office of Student Engagement
  consultant report during the final week of last quarter, seemingly confirming issues
  raised in the original OSE Issues report from nearly a year ago. Classified staff are still
  affected and look forward to seeing the action steps that follow.
- Classified staff are excited about the cafeteria opening this week, providing warm food options to the campus community.
- Thanks to Heather Rane and E-learning for her work with the statewide staff training for technical and community Colleges Group and the upcoming conference for staff in August.
- On Wednesday, April 5th Classified Staff affected received an email from Human Resources stating the purpose of this notice is to inform you of a change in Bellevue College's practice of allowing classified employees to perform faculty assignments.
   Some Classified Staff have taught for over 20 years and have award-winning specialty programs, specifically targeting marginalized student populations. Classified staff asks to have a conversation to talk through the impact and potential solutions.

#### B. Resolution 304: Waiver of High School Graduation Pathway Requirements

This proposed resolution would bring Bellevue College's policies for granting high school diplomas into alignment with the practices of school districts across the state.

During the COVID pandemic, Washington high schools faced high level of learning loss and credit deficiency that threatened the graduation of large numbers of students. The Washington State Board of Education responded with emergency rules that allowed students to apply to waive some high school graduation requirements so long as they demonstrated post-secondary readiness.

These rules were later formalized and extended, and they require certain safeguards and practices from school boards and colleges accessing the waiver program. The districts need to use the waiver as a last resort in individual cases, provide equitable access to the waiver, and document how students accessing the wavier demonstrate post-secondary readiness. The waiver program has been in place for the Classes of 2020, 2021, 2022, and 2023, and elements of it will remain for the Class of 2024. It will end after that time. Over 90% of the school districts in Washington are currently accessing the waiver program.

This resolution will allow Bellevue College to do the same, ensuring that our students do not face additional barriers as they transition from secondary to post-secondary education.

The Board will consider calling a special meeting to move forward on Resolution No. 304 based on the timeliness of the topic.

#### C. Capital Projects and Local Funding for 2023-2025 Biennium

The proposed 2023-2025 locally funded capital projects list was presented to the Board of Trustees for consideration and approval at their May 17, 2023 meeting. The presentation includes estimated project costs and scoring of projects by the Capital Projects Recommendation Committee (CPRC). A list of state funded projects, which are already approved by the State Board, was also provided in the presentation.

#### D. Resolution 303: W Building

An overview of the W building validation report was presented to the Board of Trustees for consideration and approval of one of three potential design options. Board approval is needed to proceed with the design and construction of this new facility. The presentation included details on the three design options, along with estimated project costs. The presentation also detailed changes in the proposed programming for the building which have occurred since the original Project Request Report (PRR).

#### VI. ACTION ITEMS

#### A. Sabbatical Leave

Motion 17.23

Trustee Leigh moved that the Board of Trustees of Community College District VIII concurs with the recommendation of the Sabbatical Leave Committee and the Interim President and authorizes sabbatical leaves for Tonya Estes (3 FTEF), Jennifer Anderson (1 FTEF), William Payne (1 FTEF), Natalie Martinez (3 FTEF), Sonya Doucette (1 FTEF), and Ahmad Ghashmari (3 FTEF) to total 12 FTEF, and authorizes Sheere Zupan, Carol Anderson, and Tim Jones to be listed as alternates for sabbatical leave.

Trustee Desh seconded.

#### VII. PRESIDENT SEARCH UPDATE

Vice Chair Fukutaki provided an update on the presidential search process.

- Special thanks to the Bellevue College Community for participating in the Presidential search process. Special thanks to Zach Morgan for the work well done on the Priorities Report, which informed the selection of Presidential candidates.
- Dr. David May enthusiastically accepted the offer and has signed the contract to become the next President of Bellevue College. Dr. May has agreed to attend the Board of Trustee conference in Walla Walla in May, where we will do work on transition planning.

# BOARD OF TRUSTEES COMMUNITY COLLEGE DISTRICT VIII BELLEVUE, WASHINGTON

A special meeting of the Board of Trustees of Community College District VIII, 3000 Landerholm Circle SE, state of Washington, was held on Wednesday, April 19, 2023. This meeting was conducted in a hybrid fashion with the physical location in B201 and the remote location on Zoom: bellevuecollege.zoom.us/j/88249206133. A telephone line, +1 253 215 8782, was also available. Merisa Heu-Weller, Chair, presided.

#### **MINUTES**

Chair Heu-Weller called the business session to order at 5:31 PM.

#### I. ROLL CALL

Chair Merisa Heu-Weller, Vice Chair Rich Fukutaki, Trustee Greg Dietzel, Trustee Richard Leigh, Trustee Conor O'Meara, Trustee Pradnya Desh, President Gary Locke, Assistant Attorney General Tricia Boerger, and Board Secretary Alicia Keating Polson were present. A quorum of the Board was present.

There were 8 guests in attendance.

#### II. APPROVAL OF AGENDA AND MINUTES

Trustee Desh made a motion to approve the agenda (April 19, 2023.) Trustee Leigh seconded.

The motion passed unanimously.

#### III. PUBLIC COMMENT

There was no public comment.

#### IV. ACTION

A. Resolution 304: Waiver of High School Graduation Pathway Requirements

Motion 18.23

Trustee Fukutaki moved that the Board of Trustees of Community College District VIII approve Resolution No. 304: Waiver of High School Graduation Pathway Requirements.

Trustee Dietzel seconded.

The motion passed unanimously.

#### B. President's COLA Amendment

Motion 19.23

Trustee Dietzel moved that the Board of Trustees of Community College District VIII amend the Interim Presidential Contract of Gary Locke so he shall receive a 3.25% cost of living salary adjustment, with an effective date of July 1, 2022, that shall increase the annual president salary to \$290,606.42.

Trustee Leigh seconded.

#### Discussion:

Board members discussed that exempt staff received a 3.25% cost of living salary adjustment (COLA) on July 1, 2022; however, due to a Board oversight, the president did not receive this same COLA adjustment in his contract. The president's contract and payroll are processed differently than other administrative exempt employees and a COLA was never entered for the president. The Board determined the most effective way to correct their oversight was to amend the president's contract, which would provide a 3.25% COLA to the president retroactive to July 1, 2022.

The motion passed unanimously.

#### V. **EXECUTIVE SESSION**

At 5:45 PM, Chair Heu-Weller announced the Board would convene for 20 minutes in executive session under RCW 42.30.110(1) for the following purpose: (g) To review the performance of a public employee. Chair Heu-Weller announced that no final action would be taken during the executive session. In accordance with RCW 28B.50.102 (2), Trustee O'Meara did not participate in the executive session.

At 6:05 PM, Chair Heu-Weller extended the executive session by 10 minutes. At 6:15 PM, Chair Heu-Weller extended the executive session by 10 minutes.

The executive session ended at 6:25 PM.

#### **Analysis**

M INCORNATION

Overall, Bellevue College's credit enrollment for Winter 2023 exceeded revised projections by 3% and increased over Winter 2022 by 1.5%.

Presently, for Spring 2023, the college is exceeding revised projections by 3% and have a 5% increase over Spring 2022.

Strengthened enrollment in Winter and Spring has mitigated unplanned losses from Summer and Fall of this year; the college's expected total credit FTE for this year is near exact to what was projected when setting this year's budget last Spring, though with a different distribution.

2023-2024 projections, from which enrollment revenue is calculated for the budget, have us expecting a 1.4% increase over this year's enrollments. The recovery is expected to continue into the 2024-2025 academic year, after which we expect a small decline as the lowered enrollments in the K-12 districts of our service area reach start impacting our Running Start enrollments.

#### **Recommended Motion**

That the Board of Trustees of Community College District VIII approve the college budget plan, as proposed, for the fiscal period 2023-202. This approval of the budget includes the Board of Trustees authorizing:

- the College President to proceed with the execution of the planned program;
- the College President to **transfer funds** within the General Fund, or from local and other funds, to eliminate any cash deficit as required by RCW 43.88.2601, to **provide working capital**, and to **support approved projects** and activities;
- the **tuition** and **fee schedule** as established by law, by the State Board for Community and Technical Colleges, as implemented by the College President, and as listed in the College catalog;
- the College President to accept allocation amendments from the State Board for Community and Technical Colleges, to accept such grants and contracts as may be acquired during the budget period, and to report on such changes, at least quarterly, to the Board of Trustees;
- the addition of staff and faculty positions if necessary, to carry out the College's programs; and
- the College President to determine the fee schedule for contract courses and programs.

WAC 132H-121-020: General Conduct, Hazing Rules, is proposed for repeal. This change is proposed as updates regarding hazing have been made to WAC 132H-126 Student Conduct Code of Bellevue College to be in compliance with Sam's Law (HB 1751). The Hazing Rules in WAC 132H-121-020 are redundant; therefore, Bellevue College proposes a repeal.

## **Key Questions**

\* Why is this WAC being repealed?

#### **Analysis**

This section of the General Conduct WAC is not associated with any policy except 2100 Hazing, which was revised in 2023 to comply with Sam's Law (HB 1751). Section 020, Hazing Rules, was determined to be duplicative. A public hearing was held on April 27, 2023 and no comments were received.

## **Background/Supplemental Information**

No supplemental information.

#### **Recommendation/Outcomes**

That the Board of Trustees of Community College District VIII approves the repeal of WAC 132H-121-020: General Conduct, Hazing Rules at their meeting on June 20, 2023.

Prepared by: Dennis Curran, Vice President, Administrative Services

Dennis.curran@bellevuecollege.edu

- WAC 132H-121-020 Hazing rules. Community College District VIII board of trustees has authorized the college to adopt rules to regulate hazing activities within college sponsored organizations, associations, or living groups.
- (1) Hazing is prohibited. Hazing means any method of initiation into a student organization, association, or living group, or any pastime or amusement engaged in with respect to such an organization or living group that causes, or is likely to cause bodily danger or physical harm, or serious mental or emotional harm, to any student or other person attending any institution of higher education or post-secondary institution.

#### PENALTIES

- (1) Any organization, association, or living group that knowingly permits hazing shall:
- (a) Be liable for harm caused to persons or property resulting from hazing, and
- (b) Be denied recognition by Bellevue College as an official organization, association or student living group on the Bellevue College campus. If the organization, association or student living group is a corporation, whether for profit or nonprofit, the individual directors of the corporation may be held individually liable for damages.
- (2) A person who participates in the hazing of another shall forfeit any entitlement to state-funded grants, scholarships or awards for not less than one academic quarter and up to and including permanent forfeiture, based upon the seriousness of the violation(s).
- (3) The student code of Community College District VIII may be applicable to hazing violations, WAC 132H-126-100(12), 132H-126-010 through 132H-126-340.
- (4) Hazing violations are also misdemeanors punishable under state criminal law according to RCW 28B.10.901.

### SANCTIONS FOR IMPERMISSIBLE CONDUCT NOT AMOUNTING TO HAZING

- (1) Impermissible conduct associated with initiation into a student organization or living group or any pastime or amusement engaged in, with respect to the organization or living group, will not be tolerated.
- (2) Impermissible conduct which does not amount to hazing may include conduct, not otherwise protected by law, which causes embarrassment, sleep deprivation or personal humiliation, or may include ridicule or unprotected speech amounting to verbal abuse.
- (3) Impermissible conduct not amounting to hazing and not otherwise protected by law may be subject to sanctions available under WAC 132H-126-100(12), 132H-126-010 through 132H-126-340, the student code of Community College District VIII, depending upon the seriousness of the violation.

#### Description

The Washington Administrative Code (W.A.C) requires that a list of Board meeting dates be filed with the Code Revisers Office each calendar year so that the appropriate notice of meeting dates can be given to the public. The following dates are being submitted for the Board's consideration as regular meeting dates for the 2023-2024 academic year.

#### 2023-2024 Academic Year

| Regular Meeting                  | Tuesday   | June 11, 2024      | 2 PM |

## **Key Questions**

- \* Do the proposed dates meet the needs of the college in maintaining its administrative and contractual obligations?
- \* Do the proposed dates conflict with any major religious or secular holidays, local school district breaks, or other dates that might cause key personnel to be unavailable?
- \* Do the proposed dates meet the needs of the individual trustees?

#### **Analysis**

The proposed dates meet the needs of the college in maintaining its administrative and contractual obligations and do not conflict with any major religious or secular holidays according to the <u>common religious and U.S. public holiday calendar</u>. None of the proposed dates conflict with school breaks during the 2023-2024 academic year for the Bellevue, Issaquah, and Mercer Island School District calendars.

Further, the last meeting in June occurs before the final day of school for the school districts. The proposed meetings dates do not conflict with the ACCT Leadership Congress, ACCT National Legislative Summit, or ACT Fall, Winter, or Spring Conference dates.

As requested by the Board, there are a total of nine regular meeting dates, two dates for the summer Board retreat, and one date for the winter Board retreat. Other dates may be scheduled further into the 2023-2024 year.

## **Recommendation/Outcomes**

That the Board of Trustees of Community College District VIII approve the schedule of Board meeting dates for 2023-2024.

## CAPITAL PROJECTS AND LOCAL FUNDING APPROVAL FOR 2023-2025 BIENNIUM

| INFORMATION | FIRST READ |      |
|-------------|------------|------|
| Description |            |      |
|             |            | <br> |

The proposed 2023-2025 locally funded capital projects list is presented to the Board of Trustees for consideration and approval at their May 17, 2023 meeting. The presentation includes estimated project costs and scoring of projects by the Capital Projects Recommendation Committee (CPRC). A list of state funded projects, which are already approved by the State Board, is also provided in the presentation.

#### **Key Questions**

- \* What are the projected costs for the biennium?
- \* What funding is expected from the state?
- \* How was the capital project list created and evaluated?

#### **Analysis**

The college receives state funds to complete projects identified as most critical by the SBCTC. The college also allocates local funds, typically between 3-5% of the operational budget, to complete additional infrastructure and campus identified projects.

#### **Background/Supplemental Information**

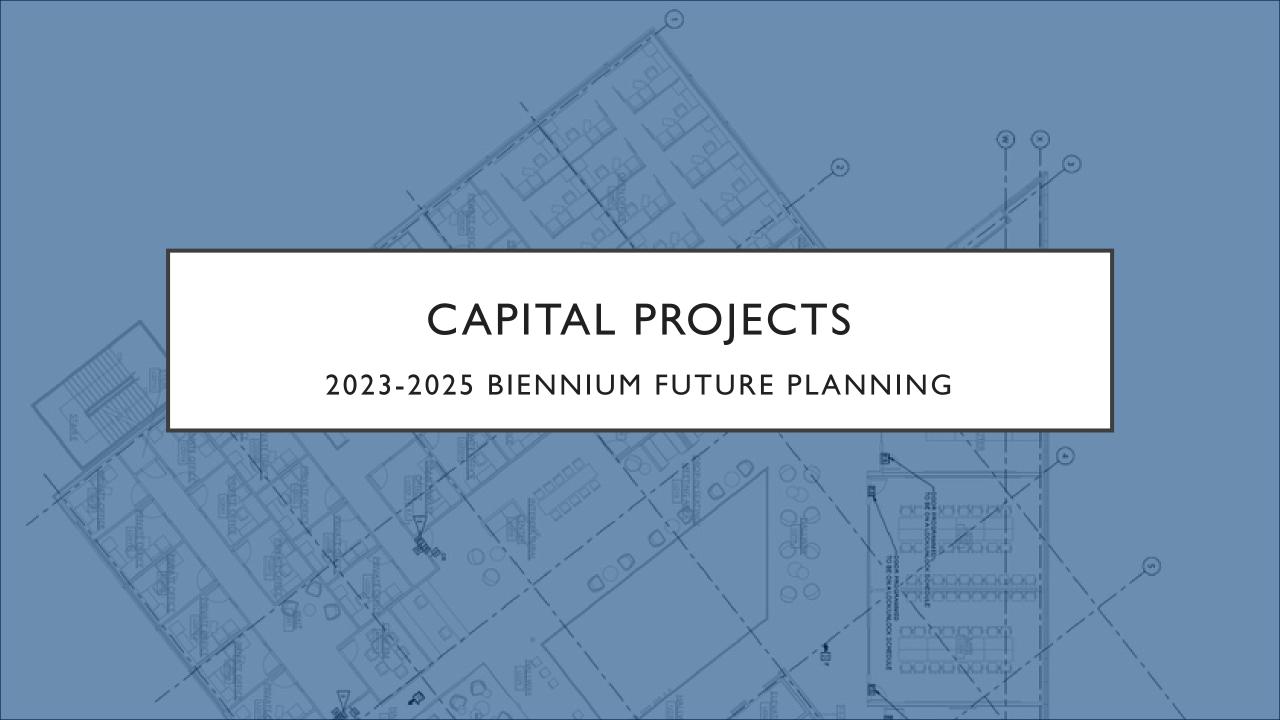

## What are the estimated funds for capital projects?

• Total local funding: \$9,695,545

#### How was the capital project list created?

Proposed capital projects include those identified by the state (state funds), those requested from the wider campus community (local funds) or those identified by campus operations as necessary infrastructure improvements (local funds).

• State funded projects were identified during a biennial review with campus operations staff and SBCTC. The SBCTC scores building needs and publishes a list to identify areas of greatest need. Those projects are approved by the state and funded via state dollars.

• Locally funded project ideas are submitted by employees and are reviewed/approved by the appropriate dean/director and area cabinet member. The proposals are then scored by the CPRC. The campus submitted a total of 30 requests for local funding in the 2023-25 biennium.

#### How were the proposed locally funded capital projects evaluated?

All requests were reviewed and scored by the CPRC. The CPRC is intended to provide recommendations on the planned use of and allocation of local funds for capital projects.

The CPRC is led by the Executive Director of Physical Plant Operations and the Capital Project Manager and is composed of representatives from councils within the College Governance structure. Non-voting advisory members include the Infrastructure Council Chairperson and appointments by the Vice President of Administrative Services, the Vice President of ITS, and the Budget Director.

The CPRC evaluated and scored project requests based on the following criteria:

- Code compliance
- Enhance health, safety and/or address accessibility (including sustainability)
- Positive impact on student retention, engagement, and extracurricular experiences
- Meet accreditation or grant requirements
- Assists with continuity of operations
- Cost

A graph of the ranked scores can be found in the attached presentation.

## List of locally funded projects (in order of scoring):

Project #5 Exterior Breezeway Floors Lighting

Upgrade lights to LED and replace controls to all exterior walkway lights. This will improve safety and accessibility.

Project #4 D Building Elevator Upgrade

This project will modernize the existing D Building elevator and increase the reliability of the elevator to ensure consistent vertical circulation between floors of the D Building and adjacent E Building. This project will also improve the function and safety of the elevator and communication devices.

Project #21 Increase Accessibility Campuswide

Request for auto-operators in OLS specific classrooms (B215 and B252) and evaluation for added accessibility features across campus.

Project#27 Theatre Seating

Replacement of seating to address worn fabric, seat lighting for walkways, and other disrepair issues.

Project #1 Archive Boiler Room Upgrades

The boiler and dehumidification unit in the N Building requires replacement to ensure continued functionality. This area is used by the Puget Sound Branch of the Washington State Archives.

Project #9 HVAC Units South C Building

HVAC air handling units on the C Building serving the student union building and cafeteria are aged and nearly past serviceable life expectancy. This project would replace these units with new air handling units to ensure consistent heating and cooling of the C Building and guard against any sudden failure and lengthy repairs in the future. The project would also change the units from having natural gas back up to 100% electric in line with future climate goals.

## Project #3 Classroom Upgrades

Refurbishment of flooring, lighting, AV equipment, furniture and other items.

### Project #14 Water Bottle Filling Stations

Twenty water bottle filling stations were installed during the 21-23 biennium and additional locations are requested to work towards ensuring equitable access to drinking water. The proposed project will address areas that still lack adequate access to drinking water as well as ADA needs and requirements.

## Project #26 Theatre Lighting

New electrical system and addition of data cable in the Carlson Theater and Stop Gap Theater. Request to upgrade to new lighting instruments that use different power requirements.

### Project #29 Kitchen Boiler

Replacement of unreliable boiler to ensure continuity of operations in the cafeteria.

## Project #6 Restrooms Upgrade Exterior Towers

Complete refurbishment of the exterior tower restrooms for the first and second floor of the A, B, C, D, and E buildings. Including improvements to ADA access, ventilation/airflow/heating and cooling, and gender-neutral floor layout.

## Project #31 E Building Music Wing Renovation

Refurbishment of the E Building music wing including the ensemble rehearsal room (E129), lobby (E126), three student practice rooms (E130 A, B, & C), music library (E128), sound control/audio room B (E127), and piano lab (E222).

## Project #28 Sinks and Dishwashers for S213 S313

Replacement of sinks, dishwashers and any damaged cabinetry, ceiling tiles, electrical and conducting possible mold remediation in S213/S313.

#### Project #11 Pedestrian Improvements

This project would improve accessible routes around campus and between buildings.

## Project #20 Housing Key System

Replacement of electronically programmed unit access function with proximity scan and installation of scanners on doors to replace malfunctioning keys with hard key and scan cards.

#### Project #8 Housing Solar Panels

The Student Housing building is solar ready and this request would allow the purchase and installation of solar panels, which would then tie into the main power distribution for the building. Overall, this project will lower the college's greenhouse gas emissions and reduce utility costs.

## Project #15 Wayfinding

Alongside the Infrastructure Council, the College is looking to improve signage, both through use of physical signs and technology.

## Project #17 BC Entry Sign

Request to purchase of a new sign, removal of the existing sign, running of conduit for wiring and the installation of the new sign.

#### Project #7 Faculty Office Upgrades

Refurbish faculty offices in towers. These towers require replacement of lighting, flooring, ceilings, structural improvements, and ventilation upgrades.

### Project #13 Road and Parking Lot Repair

Campus roads and parking lots require annual maintenance and resurfacing to maintain the safe operation of the campus. State funds cannot be used for roads or parking lots.

#### Project #2 Cafeteria Upgrades

Refurbishment and improvements to finishes and furniture in the cafeteria. Addition of roller blinds for the west windows.

## Project #25 Restrooms Update

Request to make restrooms accessible through repairs and improvements and creating additional gender-neutral restrooms.

## Project #23 Parking Lot WIFI

Request to expand wireless footprint to the parking lots to provide WIFI access to those who may not have sufficient services at home, live in areas where WIFI services are not adequate, or cannot afford WIFI.

### Project #16 ASC Carpet Replacement

Request for new carpet in ASC tutoring space to improve the study environment.

#### Project #10 Irrigation Upgrades

The current irrigation system on campus requires new controls and improved metering. This would allow for better water management as well as identifying any cost discrepancies in our utility bills, ultimately resulting in saved costs and reduced water consumption for the college.

#### Project #24 Playground Canopies

Request for canopies to protect children and staff from the sun in the summer and from the rain during fall and winter months, improving conditions for them to play and work outside in all seasons.

## Project #18 Flagpole for Baseball and Turf Fields

Request for flagpole on the hill between the baseball and turf field allowing multiple fields to share one flag location.

A list of state funded projects is included in the presentation.

#### **Recommendation/Outcomes**

That the Board of Trustees of Community College District VIII approves the expenditure of local funds and the list of proposed capital projects for the 2023-2025 biennium at their meeting on May 17, 2023.

**RESOLUTION 303: W BUILDING** 

| INFORMATION | FIRST READ | ACTION |
|-------------|------------|--------|
|             |            |        |

#### Description

An overview of the W building validation report is presented to the Board of Trustees for consideration and approval of one of three potential design options. Board approval is needed to proceed with the design and construction of this new facility. The presentation provided to the Board in April 2023 included details on the three design options, along with estimated project costs. The presentation also detailed changes in the proposed programming for the building which have occurred since the original Project Request Report (PRR).

## **Key Questions**

- \* What is the history of the project?
- \* What are the current proposals for development of the W Building?
- \* How do the new proposals meet the original intent and programmatic need for the building?
- \* What has changed since the original envisioning of the building relating to program needs and achievable goals with available budget?
- \* What are the estimated costs for the building?
- \* What is the remaining anticipated schedule for the project?

## **Analysis**

The state allocated \$42M to design and construct the W building; an additional \$2M was allocated in the FY24-26 biennium to account for inflationary increases. Three potential design schemes are presented, all of which include a new W building, along with varying degrees of demolition and refurbishment of the north wing of the C building. BOT approval is required to proceed with the design and construction of a preferred option because all three options require the use of local funds. Approval is also requested for the change in programming for the new building.

## **Background/Supplemental Information**

**Project:** Center for Transdisciplinary Learning and Innovation

OFM project number: 40000168

#### Legislative district(s): 41, 48

The Center for Transdisciplinary Learning and Innovation (now referred to as the W Building) was proposed and awarded funding following a Project Request Report (PRR) submitted by Bellevue College in 2017. The following programs were included in the proposal:

- Engineering
- Computer Science
- Interior Design
- Art
- Digital Media Arts
- Maker Space
- General use classrooms

Based on cost increases and other factors, the college proposes the following program changes to the W building:

- Remove Engineering, Computer Science and Interior Design
- Add Ceramics

Many factors have influenced design changes and overall evolution of the project since 2017, these include:

- Changes to enrollment and enrollment growth projections;
- Escalation in construction costs;
- Changes in the ability for Bellevue College's jurisdiction over land use determination;
- Proposed changes of programs to be provided for within the W Building.

#### **How are Program Changes Made to an Approved Project?**

- RCW 28B.50.140(2) gives college boards of trustee the authority and duty to create education and training programs that address local student and community needs.
- RCW 28B.50.090(1) gives the state board the power and duty to submit a single budget request for state capital funding.
- The college Board of Trustees must approve any program changes in a public meeting with an agreed resolution.
- SBCTC submits all changes through OFM for final approval of alternative changes from those presented in the approved predesign.

#### Explain further the proposed use of the Local Funds.

In order to meet the programmatic needs of the proposed new building, and renovation of existing space, current estimates for the presented options would require additional local capital expenditure. The amount requested ranges between \$6.76M to \$12.59M. Based on current capital reserve funds, the College could commit up to \$10M, with an additional \$2M from the legislature's inflation allocation. We are recommending option 2 or option 3, and requesting up to \$10M in local funds to complete the construction project.

## **Recommendation/Outcomes**

That the Board of Trustees of Community College District VIII approves Resolution No. 303: Program Change & Use of Local Funds for the Center for Transdisciplinary Learning and Innovation.

## Prepared by:

## Bellevue College Community College District VIII

Program Change & Use of Local Funds for the Center for Transdisciplinary Learning and Innovation May 2023

#### **RESOLUTION NO. 303**

A RESOLUTION of the Board of Trustees of Bellevue College of Community College District VIII approving the program change for the Center for Transdisciplinary Learning and Innovation from that proposed in the original 2017 PRR. Along with approval of expenditure of up to \$10,000,000 of local capital reserve funds to meet the additional financial needs of the project in addition to the previously allocated state funds.

**WHEREAS,** RCW 28B.50.140(2) gives college boards of trustee the authority and duty to create education and training programs that address local student and community needs. And may resolve to change the program of a built environment during design and construction; and

**WHEREAS,** the program needs of the college have changed since the initial submission of the Project Request Report in 2017 due to falling enrollment and reduced space utilization; and

**WHEREAS,** Local Capital Reserve Budget is available for use in the design and construction of the Center for Transdisciplinary Learning and Innovation up to a value of \$10,000,000.

**NOW, THEREFORE BE IT RESOLVED** that the Board of Trustees of Community College District VIII hereby approves the attached document titled "SBCTC program updates for major projects" which approves the program change for the Center for Transdisciplinary Learning and Innovation from that proposed in the original 2017 PRR; and that the Board of Trustees of Community College District VIII approve the expenditure of up to \$10,000,000 from local capital reserve funding for the use in the design and construction of the Center for Transdisciplinary Learning and Innovation.

APPROVED AND ADOPTED: May 17, 2023

Merisa Heu-Weller, Chair Board of Trustees Bellevue College District VIII

## **Authority:**

- RCW 28B.50.140(2) gives college boards of trustee the authority and duty to create education and training programs that address local student and community needs.
- RCW 28B.50.090(1) gives the state board the power and duty to submit a single budget request for state capital funding.

#### **Procedure:**

The capital request includes a narrative that describes the program needs being addressed by the proposed project. Some narratives also identify the programs that need temporary accommodation during construction and how that need will be met.

Based upon the request, the Governor and members of the legislature develop expectations as to which programs will benefit from their decision to fund or continue funding a project. However, for a variety of reasons, the programs affected by a project may change between the time the project is initially proposed and the time construction is completed. The legislature has expressed interest in being kept abreast of program changes once a project has received state funding and until it is completed. There is also interest in knowing that the college has addressed stakeholder interests impacted by any changes.

To meet these needs, please update the following list of programs impacted by the capital project and provide documentation that the college board of trustees has approved any program changes in a public meeting. If there are no changes, please indicate that on the list also.

Requests for state appropriations will not be submitted to the Office of Financial Management for Governor or legislative consideration without this update.

Attach a copy of the college Board of Trustees resolution for every change.
