Please go to the main Bellevue College website and in the search box, type in college in the high school or copy and paste the link below.

https://www.bellevuecollege.edu/chs/

In the menu on the right side of the page, select “Admissions/Application Process”.

**College Credit in High School**

Students in grades 9 through 12 have an opportunity to earn college credit while completing their graduation requirements without leaving their high school campus through Bellevue’s College in the High School program. These rigorous, college-level courses are taught by high school teachers who have been approved by the college and who work closely with their Faculty Coordinators.
Part One: Create the Account

Create a username and password (Password should be 8 characters long, including 1-special character, 1-alphabetical character, and 1-number). Write this information down and keep it in a safe place.

Complete the rest of the fields. NOTE: you should use your “legal” first name for the application, you will have the opportunity to add a preferred name after you activate your account.
Create your security questions.

**NOTE:** write the questions and answers down and keep in a safe place.

Click the “I am not a robot” checkbox and then click “Submit”.

---

12/03/2021
Next you will need to go to the email account you used in the create your account page and look for the email that says “OTP Verification”. If it is not in your inbox, check “clutter” and/or “Junk” boxes too.

This email will contain a OTP (One Time Password). Write down the password or copy and paste it in the space as shown below.

Next click, “Submit OTP”
Once your OTP (one time password) is verified you get a message in the middle of the screen to “Login”.
Click “Login”.
Enter the “Username” and “Password” you chose.

Click the “I am not a robot” checkbox and then click “Login”.
This page is the “Welcome” page for the application.
Click “Close” to begin the application.

Choosing the right college is an important decision. Enrolling in a Washington community or technical college is a smart choice. No matter who you are, where you come from, or what you’re interested in, there’s a program or degree here for you...all at a fraction of the cost!

- Get started in a career
- Learn a skilled trade
- Earn credits that transfer to universities or polish your professional skills
- Help with basic math, reading, writing and English Language skills

You’ll study on campus or online with dedicated instructors in small classes and within a supportive campus environment. We know what employers and universities look for because we work them every day to match what you learn with what they need. The education you need, we’ve got you covered.

Just as important...you can be yourself. We welcome students of all ages, races, ethnicities, sexual orientations, and backgrounds, celebrating everyone for who they are and what they bring to our college communities.

You’re at the start of an amazing journey. Let’s get going!
