

Have you repeated a math class and are still struggling? Not sure where to begin studying or how to improve? Come join Math 084!

DON'T "JUST SURVIVE"....MOVE FORWARD IN MATH

What is Math 084?

Math 084 is a math class taken along with another math class. To take Math 084 students must also be enrolled in Math 076, 078, 098, or 099.

Math 084 provides extra one-on-one tutoring, academic math mentorship, and assistance throughout the quarter.

Math 084 is designed to help students understand the concepts and techniques covered in the regular math class.

- Receive 2 hours each week of individual tutoring in addition to class time
- Have frequent consultations with the Math 084 instructor
- Built in study group/learning community
- Improve test taking strategies
- Establish good work/study habits
- Learn about:
 - Time management
 - Test taking strategies
 - Note-taking for mathematics
 - Using and understanding math textbooks
 - Working with your math instructor

Online meetings M/W from 11:30 to 12:20 or in-person/on-campus meetings T/Th from 11:30 to 12:20 with asynchronous expectations.
