Academic Regalia

Academic regalia refers to the clothing worn during academic ceremonies at colleges and universities. It's historically traced to 12th century English universities. In the United States, from colonial times until the Civil War, students wore gowns to class on a daily basis. In 1893, a system was established to create a uniform code for caps, gowns and hoods which designate various degrees and the sources of the degrees. Today's academic dress is established by the American Council on Education which approves the Intercollege Commission guidelines on academic costume.

Gowns

There are three types of gowns: bachelor's gowns, master's gowns and Ph.D. gowns. Associate degree students wear bachelor's gowns. The sleeve style distinguishes the three types of gowns. A bachelor's degree gown has typical straight bottomed sleeves. A master's degree gown features an unusual sleeve style with oblong sleeves and an arc cut away with a slide for the wrist opening. Doctoral robes are characterized by a bell shaped sleeve that is trimmed with three bars of velvet across the sleeve.

Hoods

Hood types are distinguished by their length. Baccalaureate degree hoods are three feet long. Master's hoods are three and one-half feet long, and Doctor's hoods are four feet in length. The lining of the hood represents the official colors of the school from which the wearer earned their degree. The velvet colors indicate the field of study.

Caps

There are two styles of caps worn at academic ceremonies. An academic tam is a type of flat cap worn with doctoral regalia. It may come with four, six or eight sides and is made of velvet. All other degree regalia is worn with the mortarboard.

Honor Cords

Honor cords are two intertwined lengths of gold cording. They are awarded to Bachelor degree students who have achieved a 3.6 GPA or higher, and to Associate degree and certificate students who have achieved a 3.5 GPA or higher.

Red, white and blue cords are worn by graduating veterans who are recognized for their academic achievement and service to the country.

Phi Theta Kappa Honor Society members have the option of wearing Phi Theta Kappa cords or wearing a Phi Theta Kappa stole.

Stoles

Recognized student associations and programs that support academic achievement may use stoles to denote student participation.

Tassels

Tassels are worn on the right side until after a degree has been conferred, upon which time graduates move them to the left.

About the Speaker

Doug Baldwin, Jr.

Doug Baldwin Jr. graduated from Stanford University with a Bachelor of Science degree in Science, Technology and Society before signing with the Seattle Seahawks as an undrafted free agent in 2011. He is the Seahawks' third all-time leader in team receptions and receiving yards and was selected to the Pro Bowl twice. He helped his team secure victory in Super Bowl XLVIII.

In 2017, Baldwin helped establish the Players Coalition – an NFL player-led organization advocating for criminal justice and education reform. Subsequently, four out of five ballot initiatives supported by the Players Coalition were voted into law. For his service, Baldwin was awarded the Martin Luther King Jr. Medal of Distinguished Service Award in 2018 from King County. He was also named as a finalist for the Muhammad Ali Sports Humanitarian Award.

Since retiring from the NFL in 2019, Baldwin has steered his focus toward building his company, Vault 89, a vehicle used to serve the community in innovative ways. He also spearheads the effort to build the Family First Community Center in Renton. Additionally, Baldwin is a Senior Advisor at Intellectual Ventures. Most importantly, Doug is a devoted husband and father.
