

International Education Evaluation Services

The below listed agencies provide evaluation and translations services for education completed overseas to determine the equivalency in the United States. Bellevue College does not have any association with these agencies, but we accept their evaluation reports and translations as a reference to determine if the credits are acceptable.

If you have obtained a credential evaluation from one of the following agencies and plan to apply credits to your degree or certificate at Bellevue College, you must submit the evaluation report and translation in a sealed envelope from the evaluation agency. The original documents in the original language must also be submitted in a sealed envelope from your school.
