

## Credit Policy for International Baccalaureate (IB) Exams

Credit is awarded for International Baccalaureate (IB) “Standard Level” (SL) and "Higher Level" (HL) examinations with the scores 4, 5, 6, or 7. **Students interested in transferring to a four-year university should check the requirements of their target school to determine the best way to use their IB exam credits.**

**Credit will be awarded on the basis of official IB results, not transcript notation. Contact the IB Organization to request that an official IB transcript be sent directly to the Bellevue College.**
