

## Are you wondering about SCHOLARSHIPS?

Anytime is a good time to start looking for scholarships! There are so many scholarships to apply to that this process should be done throughout your senior year – do not expect to apply to scholarships just in one sitting.

1. Start by checking for **Local scholarships!** Often you can find these on your HS's College & Career center webpage on your HS's website
2. Next check to see if the **schools you are applying** to have any scholarships you are eligible to apply to
3. Use the [TheWashBoard.org: Smarter Scholarship Matches \(for Washington state students only\)](https://www.thewashboard.org/scholarship-matches)
