

# BELLEVUE COLLEGE COMPASS ASSESSMENT SCORES AND PLACEMENTS

How to read the SD1002, Test Scores screen on HP

**Test name: the name of the assessment the student took. There are three different test names:**

- **COMPSS**- includes the scores of the following assessments:
  - The COMPASS English as a native speaker (reading and writing skills) assessment
  - The COMPASS math assessment when taken in Summer, Fall and/or Spring
- **WNMA**- The COMPASS math assessment scores when taken in Winter quarter
- **ESL**- The COMPASS English as a non-native speaker (listening, reading and grammar usage) course placement

**SD1002**

**TEST SCORES**

| Test Name | COMPT 01                       | READ 02                         | WRITE 03                             | BUCKT 04                    | P-ALG 05          | ALG 06        | C-ALG 07              | TRIG 08            | YYM 09      | MDD 10     |
|-----------|--------------------------------|---------------------------------|--------------------------------------|-----------------------------|-------------------|---------------|-----------------------|--------------------|-------------|------------|
| COMPSS    | Composite Score                | Reading Score                   | Writing Score                        |                             | Pre-Algebra Score | Algebra Score | College Algebra Score | Trigonometry Score | Year, Month | Month, Day |
| WNMA      |                                |                                 |                                      |                             | Pre-Algebra Score | Algebra Score | College Algebra Score | Trigonometry Score | Year, Month | Month, Day |
| ESL       | FRE Placement into ESL classes | 060 Placement into DevED 061/06 | 070 Placement into ENGL 071/72/73/74 | 093 Placement into ENGL 093 |                   |               |                       |                    | Year, Month | Month, Day |

**NOTES:**

- The raw scores of the ESL COMPASS assessment are not entered on the Test Scores screen. Only the student’s final placement, which is determined from the sum of the student’s listening, reading and grammar usage scores, are entered.
- The date when the test was taken is under column YYM 09 and MDD 10 in the format of YYMMDD.

**English and Math Placement Charts**

| English Scores and Placement                                       |  |
|--|--|
| <b>Composite Score</b><br>(Test name: COMPSS,<br>Column: COMPT 01) | <b>BC English Course Placement</b>   |
| 0 – 38   | English as a non-native speakers: re-test with COMPASS ESL assessment<br>English as a native speaker: make an appointment with the ABE advisor |
| 39 – 59  | ENGL 071/072/073/074   |
| 60 – 79  | ENGL 092 for English as a native speaker<br>ENGL 093 for English as a non-native speaker   |
| 80 – 99  | ENGL& 101  |
