

Hiring for Fall 2016

Applications open July 15
No experience necessary

- Open to ages 18-25 **OR** all ages of Gulf War era II veterans, reservists, and dependents
- Earn **\$9.47 an hour** plus a **\$5,775 AmeriCorps education award** after one year of work
- Gain hands-on experience, work outdoors, get training and job skills
- Work on a team to serve the community and the environment
- Learn about the environment and salmon habitat restoration

The WCC works year-round to protect and enhance Washington's natural resources. The four King County crews work on a variety of projects on our rivers, streams, and wetlands. Learn about native plants, invasive weeds, salmon habitat, wetlands, and how to protect and restore these natural areas. Tasks include planting of native trees and shrubs, removing invasive species, fence-building, erosion control and more!

Start Date: October 3rd, 2016

End Date: September 14th, 2017

Applications open July 15th

Apply online at www.ecy.wa.gov/wcc and select the **CREW RENTON/KING COUNTY DNRP** crew
