Choose one
elective from the
class list below

LANGUAGE & CULTURE PROGRAM: JUNE 26-JULY 21, 2023

PROGRAM DETAILS: Students will live and study at Sogang University for four weeks. All students must take two 5-credit classes. Korean Language class is required, and you can choose a second class from the Class List below (see lower left corner of this flyer). Beginner, Intermediate and Advanced Korean language sections are available.

LOCATION: Seoul, South Korea – Sogang University is a private university in the heart of Seoul. It has modern classroom facilities and a beautiful campus located within close walking distance to many cafes and restaurants.

HOUSING: You will live with a roommate in an international on-campus dormitory. The dormitory building is new, and has a cafeteria, fitness center, laundry, chapel, and lounge for public use. Each room has beds, desks, chairs, wardrobes, shoes cabinets, internet cables, restrooms and shower rooms. There are 12 floors with an elevator.

ACTIVITIES: You will have many opportunities to visit local cultural and historical sites, including weekly field trips, bi-weekly "Buddy Activities" with local Korean students, and the option to participate in bi-weekly start-up club and E-Sports club activities. Special excursions include the Demilitarized Zone and K-Pop events.

ADDITIONAL DETAILS: You must be at least 17 years old to participate. Running start students can participate, but tuition waiver is not applicable to summer programs. Financial aid can be applied if courses count toward your degree path.
