Why Bellevue College?

CAMPUS

Surrounded by 96 acres of evergreen trees, Bellevue College campus is a beautiful, safe, and modern place to study. Students have access to world-class facilities including brand new on-campus student housing. Bellevue College encourages students to get a well-rounded college experience and offers more than 80 student clubs, recreational activities, and several music, dance, and theatrical productions for students to enjoy.

CITY OF BELLEVUE

Bellevue is a growing city with a bustling economic climate and vibrant culture. Its residents are highly educated (more than 60% hold a Bachelor's degree) and multicultural (39% of residents are foreign-born) and form a welcoming and supportive community for international students.

THE GREATER SEATTLE AREA

The greater Seattle area is a place of magnificent natural beauty, excellent employment opportunities, and many recreational opportunities. Seattle is an exciting urban, cosmopolitan city that thrives with industrial, commercial, and cultural activities but remains unpretentious and casual. It boasts large arenas, dozens of museums and galleries, numerous examples of public art, and of course countless coffee shops.

Bellevue College (BC) has taught me proactivity and diversity. Through frequent extracurricular activities with other students and faculty members, I have learned to value different cultures and backgrounds. After spending four years at BC, I am not only leaving with competent knowledge, but also a heart filled with love, compassion and a great vision for the future.

TOP 5 REASONS TO CHOOSE BELLEVUE COLLEGE

LOCATION:

Part of greater Seattle, an area with a moderate climate, clean air and water, and home to iconic corporations such as Microsoft, Nintendo, Amazon, and Starbucks.

ACADEMIC EXCELLENCE:

Small classes, dedicated faculty committed to student success, and rich student resources and services including free tutoring, personal counseling services, and comprehensive career resources.

UNIVERSITY TRANSFER:

High transfer rates to the University of Washington and Washington State University, the largest two universities in the Washington state, as well as to top universities throughout the U.S. including Columbia, Cornell, Purdue, Berkeley, UCLA and many others.

INTERNATIONAL STUDENTS SUPPORT:

Comprehensive support by International Education, from admission to extracurricular activities and cultural adjustment as well as individual advising on immigration and academic issues by experienced international advisors.

STUDENT LEADERSHIP DEVELOPMENT OPPORTUNITIES:

International students have numerous opportunities to develop their personal and leadership skills by volunteering and getting involved in student clubs, programs and organizations. They are also eligible for on-campus employment and can contribute to the diversity and multiculturalism of Bellevue College by becoming peer-mentors or Global Leaders.

College-Level Programs

Bachelor's Degree Programs

Bellevue College (BC) currently offers 12 bachelor's degrees. These are career-oriented programs designed to prepare students to successfully compete for specialized jobs that require advanced knowledge and skills for a respective industry. For more information, go to <https://catalog.bellevuecollege.edu/content.php?catoid=7&navoid=292>

- Each bachelor's program sets their own admission requirements, deadlines, fees, and admission selective processes. International applicants must complete both international student admission and their selected bachelor's program's requirements.
- Admission is competitive, and applicants are highly encouraged to start from the associate level at BC or in the U.S.
- Accepted international students will be charged the upper division non-resident tuition for their 300 and 400-level courses. See the Financial Responsibility information on page 7.

Disclaimer: Some applied bachelor's programs' courses are offered online only and do not meet the F-1 regulations. Consult both International Education and respective program manager before applying to the bachelor's program at BC.

Associate Degree and Certificate Programs

University Transfer Associate Degrees:

- Start your first two years of bachelor's degree at BC by taking general education and pre-major courses and then transfer to a university anywhere in the US to complete the last two years to earn a bachelor's degree.
- For a complete list of transfer associate degrees, please go to <https://catalog.bellevuecollege.edu/content.php?catoid=6&navoid=189>

Professional and Technical (Prof/Tech) Associate Degree:

- For career-focused students, start your specialized training at BC by choosing from 23 prof/tech associate programs or over 81 short-term certificate programs. See the complete list at <https://catalog.bellevuecollege.edu/content.php?catoid=7&navoid=292>
- Upon successful completion, F-1 students may either engage in a one-year paid work option under Optional Practical Training with the USCIS approval or advance to the BC's bachelor's degree in the related field.
- Estimated completion time for an Associate degree is 2-2.5 years and 3-18 months for most certificates.

Disclaimer: F-1 students may need to select a certificate program with a minimum of 45 credits or more. Some certificate courses are offered online only. F-1 students will be required to add enough on-ground courses to maintain their status even if those courses may not be part of the program's requirements.

English Language Proficiency Requirement:

Acceptable English proficiency test results:

- An Internet-based TOEFL (IBT) score of 61 or a Paper-based TOEFL 500
- An academic IELTS overall score of 6.0 with all sub-scores 5.5 or higher

- Underage students who have already graduated from a high school in their home country and seek direct admission to the college level program must submit proof of high school completion (e.g., diploma, IGCSE, O-level exam results with a minimum of 5 subjects including English – First Language, Mathematics, Science and two other subjects with grades of C or above, or an expected graduation letter from a school official)

International High School Completion (IHSC) Program

Bellevue College's International High School Completion (IHSC) is a program for academically motivated F-1 students who are 16 and 17-years old and have not yet earned a high school diploma. IHSC allows qualified students to take courses that count for both a high school diploma and transfer associate degree at the same time.

Eligibility:

- Be 16 years old or older before the first day of the quarter
- Be on a valid F-1 status to study full-time
- Have completed the U.S. equivalent of 9th grade in the student's home country or other location. Successful completion of the U.S. equivalent of 10th grade is strongly advised
- Not have already received a high school diploma or equivalent in student's home country or in the US

Disclaimer: IHSC program is a regular college program taking classes with local students. Students must be academically motivated and mature. Universities may require IHSC students to satisfy international freshman admission requirements instead of transfer. Plan ahead by working closely with BC advisors and university admission counselors.

As a condition of participating in the international student program, F-1 visa holders on the BC's I-20 are required to join the BC-Foundation arranged medical insurance plan every quarter including approved vacation and first time Reduced Course Load (RCL) term. Please go to <http://fig-insurance.com/> to learn about the eligibility and coverage information.

The plan does not cover dental and vision. There is a pre-existing condition limitation which includes a 6-month waiting period with a 3-month look-back period. Some students are not eligible to enroll in this plan. They include: 1) U.S. citizens; 2) permanent residents (i.e., green card holders); 3) unauthorized part-time (below 12 credits) students; and 4) students who will take a second (and beyond) medical RCL per insurance plan year.

Mandatory medical insurance is a requirement imposed by the BC Foundation in the International Shared Funding Agreement. F-1 students who become ineligible for the BC-Foundation arranged plan should secure other coverage and submit proof of coverage to IE immediately. Exemptions from the mandatory enrollment are:

- Students who are covered by their family member through their US employer-based medical insurance plan
- Students whose finances and insurance are covered by a third-party sponsorship (e.g., SACM)

- IBP students referred by the BC's authorized IBP referral agency while students remain in the IBP program only
- Effective Fall 2017, students on Optional Practical Training (OPT) are exempted from the mandatory enrollment in the plan; however, coverage is available directly from Firebird International Insurance Group.
- Students who need a plan with additional coverage including a coverage limit of more than \$250,000 USD during the plan year

Please contact **Firebird at (206) 909-8550** for questions about coverage and limitations.
