Campus News - Spring Quarter 2021

BC Goes Hybrid in Spring 2021

Bellevue College (BC) will continue to offer **limited hybrid classes** in both Intensive English and College Programs for new/initial international students in Spring Quarter 2021. The College has implemented strict "Safe Return to Campus" plans to ensure the safety of our students and staff while maintaining to provide an exceptional educational experience to all our students.

Virtual Commencement Ceremony 2021

After serious deliberation and a review of the best available science, BC has made decision to hold a virtual Commencement instead of an person ceremony on campus. The virtual Commencement will be held on Friday June 25, 2021. As usual, There will be two ceremonies that day (Blue Ceremony and Silver Ceremony) Transfer associate degree graduates will attend the Blue Ceremony while other graduates (bachelor's, prof/tech associate, certificates, etc.) will attend the Silver Ceremony. BC is inviting Keynote Speakers for the ceremony, Mr. Brad Smith, President of Microsoft and Mr. Jay Inslee, Governor of the State of Washington as the Keynote Speakers in 2020.

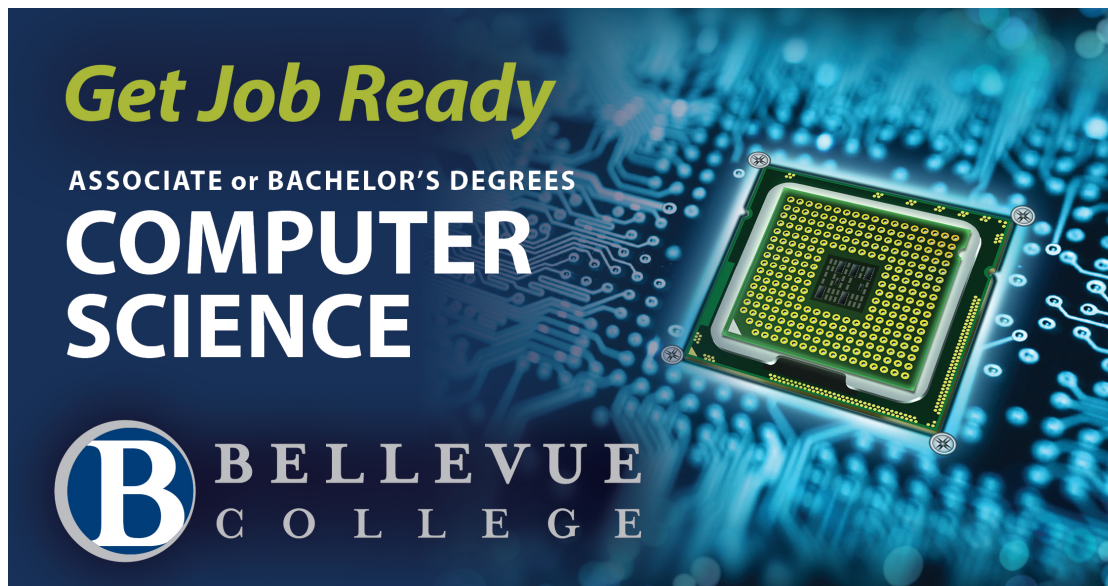

Fall quarter 2021 Application Deadline

Fall Quarter 2021 is approaching. If you have students who are considering applying for Fall quarter, we strongly suggest starting the application process as soon as possible. The deadline for overseas students to apply is August 16, 2021; while for students who are already in the US is September 2021. Fall quarter 2021 orientation will begin on September 16, 2021. Remember that the earliest a student can apply for visa is six months prior to the start date.

Computer Science

Computer Science major is one of the most popular programs in Bellevue College (BC), including both associate and bachelor's degrees in Computer Science. As the neighbor of many iconic high-tech corporations such as Microsoft, T-mobile, Expedia, Amazon, BC's commitment are Project-Based Learning and Career-oriented, offering students the high-ROI pathway to success and the graduates are very competitive in the employment market. To find out more, visit Computer Science website.

"Book a Meeting"

Great News! Prospective students and BC's partners (agents, partner institutions) can now schedule a virtual meeting with one of International Recruitment Team members by simply one-click of "Book a Meeting" icon on the International Education's official website:

> Prospective Students/Parents

> Agents & Institutions

Please keep in mind that the date & time shown in your schedule are Seattle local time, remember to convert it into your local time if you are in a different time zone.
