- 4. Create **Username:** It must be in <u>one</u> of these formats:
 - FirstName.LastName, OR
 - FirstInitial.LastName (e.g., if First Name = John and Last Name = Doe, then it can be J.Doe), OR
 - FirstName.MiddleName.LastName

By default, your Last Name appears in the gray box:

If your Last Name appears incorrect and you wish to correct or change it, then:

- click on the "**click here if your last name is incorrect**" link. See the "NetID Account Management" screenshot below for details.
- type in your last name the way you want it to appear.
- click "**OK**" from this pop-up window:

- 5. Create **Password:** It must contain <u>all</u> of the followings:
 - o at least 8 characters long
 - may NOT contain any 3 characters or more of your username, your first name or your last name
 - at least 3 of the following: lowercase letters, uppercase (capital) letters, numbers, and/or symbols (~!\$^&*()_+-={}[]:";<>?.)

★ Write down your username and password. Keep in a safe place.

Your Bellevue College Email address will be like this: *firstname.lastname@bellevuecollege.edu* (e.g., yourFirstName.yourLastName@bellevuecollege.edu or whatever you created on #4 above)

Log into your BC Email:

- Go to <u>http://email.bellevuecollege.edu</u>
- Input your username and password which you created on #4 and #5
 → User name: whatever you created on #4 (NO NEED to add @bellevuecollege.edu)
 → Password: (whatever you created on #5)

Forward your BC emails to your personal email account (Gmail, Yahoo, Hotmail...etc.)

- Log into your BC email account
- Go to **Settings**
- Go to Mail
- Click on **Forwarding**
- o Input your personal email address
- Click "Submit"

Need Help?

Visit the <u>Technology Service Desk</u> Call: 425-564-HELP (or 4357)

IMPORTANT:

- After you are done creating your BC Email, **please wait for 24-48 hours** before you can log back into the ISSPortal with your BC Email login information.
- During this 24-48 hours waiting period, please do not log into the ISSPortal with your personal email login. Otherwise, you will create a new account in the ISSPortal.
