

- [eLearning team](#) is located in the Library Media Center. Come visit us in D140.
- If you are developing a new course or would like help on re-building your current Canvas course site, an Instructional Designer will be able to assist you.
- Assistance can also be provided by adding a “Designer” to current Canvas course to review Accessibility and Universal Design principles applied in your course design.
- Student Help is available at the [Tech Hub and eLearning /Media Desk](#) which is located in the LMC. Tech Rovers can answer student and faculty questions on using Canvas: uploading files, taking a quiz, finding the syllabus, checking calendar dates, setting up your profile and notifications. Support is provided by our work-study student staff under the guidance and training of the [eLearning team](#).

### Blackboard Collaborate

State provided access to Blackboard Collaborate will be ending by June 2017. If you have content saved in Collaborate, please download those files and save them to your hard drive. You can use Skype for Business to connect online with your students.
