

- Welcome to the Fall Quarter 2016. Quarter begins Monday September 19th. Students can access their Canvas course at 12:01 am on this date.
- [eLearning team](#) is now located in the Library Media Center. Come visit us in D140.
- Use VeriCite as the Plagiarism tool instead of Turnitin. When creating an Assignment, under More Options, under Submission Type, select External Tool, Find VeriCite and Load in a new tab. View the [Introduction to using VeriCite at Bellevue College](#) video and handy tips on using VeriCite. Your eLearning Team can provide tips on using VeriCite in D140.
- Review the [Canvas Tools Checklist](#) and [Online Course Design Checklist](#) as you build your Canvas site.
- Fall quarter Canvas sites: If you need to merge sections, please send a [Request Center ticket](#). Specify your Primary section and Secondary section. Start building content in the Primary section. Add a note to the Home Page, so students are aware of the merged sections.
- If you have questions on using the Canvas tool or need help migrating content, Faculty peer to peer hours are provided in A109 from Sept 12th to Sept 16th. If you need help building your Canvas site or have questions on Gradebook, Assignments and Discussion Threads contact the [eLearning team](#) in the Library Media Center.
