## [Copyright Information for Educators](#)

Copyright Information for Educators is an introductory course offered online, for faculty and staff that provides an overview of concepts of copyright and fair use. The course is broken up into six modules: (1) copyright law in education, (2) TEACH Act, (3) Digital Millennium Copyright Act (DMCA), (4) public domain, (5) Creative Commons, and (6) copyright compliance and management. You will learn about copyright and how it impacts content you share with the public and/or integrate into your Canvas courses. This course includes assessments and a guide to creating a copyright management plan.

**Spring dates:** **Monday, April 23rd to June 4th**, [Registration Link](#)

**Facilitator:** Bellevue College Faculty Librarian

## [Teaching with Canvas: Canvas 101](#)

Register for Canvas 101, you will learn about all of these above tips and more! Earn that Canvas 101 badge, interact with other colleagues in your workshop online and start using Canvas tools effectively. This workshop is modular so instructors with varied backgrounds and experience can select the order of the modules that best apply to their needs. It is self-paced, project-based, and guided—a facilitator will be available to answer questions and to evaluate participant projects.

**Start Date:** **Monday, April 9th**. [Sign up for Canvas 101!](#) **Facilitator:** Bruce Wolcott

## [Accessibility 101: Principles of Inclusive Design](#)

Learn how you can make easy changes and additions to your Canvas courses in order to create an inclusive course environment for all students. The online workshop can be completed in six weeks. The [Course Syllabus](#) is public, so feel free to preview it before joining the course.

**Start Date:** **Monday, May 22nd**. [Registration Link](#). **Facilitators:** Debi Griggs and Betsy Zahrt Geib

## [Librarian Office Hours in eLearning](#)

The librarians will be holding office hours in eLearning once a week on Wednesdays 12-2pm in spring quarter. A librarian will be available to work with faculty on identifying relevant library resources for courses, answer questions about copyright and fair use, and discuss open educational resources (OERs) content.
