WHY BC?

Bellevue College's innovative programs, exceptional learning facilities, and growing list of bachelor's degrees are creating a buzz.

People are talking... find out why.

In recent years BC has added new innovative programs, opened our new state-of-the-art health technology building and expanded our list of bachelor's degrees. Our extensive list of classes and programs continues to grow as we respond quickly to changes in technology, healthcare, business, and other industry and societal needs.

At BC, students are surrounded by an intellectual community where their uniqueness is valued. BC provides many resources to help our students succeed, including our Academic Success Center, Library Media Center and several computer labs. Students are encouraged to discover their passions, pursue their ideals, form friendships, and to get involved with leadership opportunities.

"My parents saved more than \$100,000 by sending me and my siblings to Bellevue College for our first two years of college."

"Thanks to Running Start at BC I knocked out my AA in a year."

"I entered the UW as a junior with my transfer associate degree from BC."

MONEY MATTERS

Bellevue College is an affordable alternative to tuition at a four-year institution – about one-third the average cost to attend one of Washington's state colleges. More than 33% of BC students receive grants and needs-based scholarships.

WHY CHOOSE BC?

BC's vibrant learning community welcomes students of all ages and backgrounds while offering low tuition, small class sizes and close contact with faculty. Our wide variety of programs includes 11 bachelor's degrees, seven transfer associate degrees, and more than 90 professional-technical programs, plus high school programs, ESL classes and more. Flexible options include online, evening and weekend classes.
