Employment Information:

Graduate employment data is currently provided by the Survey of Bellevue College Graduates that is conducted by the Social & Economic Sciences Research Center (SESRC) of Washington State University.

86% of the students that graduated in June 2012 were employed by December 2012.
Employment data for our 2013 graduates will be published as soon as it is available.

Interior Design Program alumni obtain positions in major Interior Design and Architectural firms, with emphasis in office, retail, healthcare, and residential design; as well as interior design-related sales and services. Below is a sampling of companies that have hired our graduates.
