

BC International Partnerships Assessment Tool

Moving From Incidental Collaborations to Intentional Ones

International Partnership Elements	Assessment Questions	Elements in Existence		Comments
		Yes	No	
Institutional Arrangements	Is the partnership initiated by BC?			
	Is the partnership driven by an individual (faculty or staff)?			
	Does it represent a critical region for BC in the world?			
	Is there a history of collaboration between the two institutions? (e.g. MOU that has expired)			
	Have BC representatives visited the institution?			
	Have representatives of the foreign institution visited BC?			
	Are the two institutions similar? (enrollment/degrees offered...etc)			
Alignment with College and OIEGI missions	Does the proposed partnership support college's mission and/or other initiatives?			
	Does it have campus-wide significance?			
	Is the partnership important to more than one unit of BC?			
	Does it have the potential to enhance international learning and engagement?			
Support from Administration	Is the proposed agreement supported by OIEGI Dean and higher Administration?			

Benefits and Costs	What are the benefits of proposed partnership? 1. 2. 3.			
	That are the costs to promote and sustain the partnership (e.g. who is going to manage the partnership)? 1. 2. 3.			
	Do benefits outweigh costs?			
Other				

Decision:

YES (The assessor(s) answered YES to most questions and provided a rationale for the answers)

No (The assessor(s) answered YES to most questions and provided a rationale for the answers)
