

Digital Photography Certificate Program

Course Substitution Form

One of the required classes may be substituted with elective course hours on a case-by-case basis. To request a class substitution, fill out this form and submit a resume or other documents showing relevant work history/experience and/or prior education in the content area you want to substitute. Please send this form and accompanying documents:

CE-Photography@bellevuecollege.edu

You will be notified by e-mail if your request has been approved.
