Introduction to Criminal Justice (7th Edition) by: Bohm & Haley ISBN: 9780078111532. McGraw Hill Publishers, 2011.

Course Description: This course serves to introduce students to the main components of the Criminal Justice System: The Police, The Courts, and Corrections. Important background information on crime, classifications and definitions of offenses, and victims and offenders is discussed as well. The focus of this introductory course includes: 1) Police organization, roles and functions, and responsibilities; 2) Court organization, processes, and outcomes (e.g. sentencing); 3) Punishments issues including probation, jail, prison, and community corrections.

Learners will be able to:

1. Use a working vocabulary based on the terminology used in the three components of the Criminal Justice System.
2. Differentiate between the workings and responsibilities of the three major components of the American Criminal Justice System: the police, the courts and corrections.
3. Describe the theories, models and concepts within the Criminal Justice System and determine their strengths and weaknesses.
4. Explain how laws are made, categorized and enforced and the process of deciding how these laws are applied to case based situations.
5. Identify the reasons why experts in the field think the term Criminal Justice System is a myth and a true system is non-existent.
6. Examine the current major issues within the Criminal Justice System and be able to explain those issues giving case based examples of what they are.

Incomplete:

If a student fails to complete all the required work for course, an instructor may assign the grade of Incomplete ("F"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an ("F")).

F Grade:

Students who fail a course will receive a letter grade of "F."

Final Examination Schedule:

The Social Science Division will adhere to the final examination schedule as stated in the BC schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstances beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designed by the instructor.

Withdrawal from Class:

College policy states students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

Hardship Withdrawal:

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

Distribution of Grades:

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades online through Blackboard Vista.

Return of Papers and Tests:

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if students supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.
