WELCOME TO SURVEY OF ANTHROPOLOGY!

WELCOME TO ANTHROPOLOGY!

Anthropologists are scientists who study both biological and cultural characteristics of human beings, both modern and ancient. We travel far and wide and generations back in time in order to understand where we came from, where we are now, and where we are going. As a comparative science, anthropologists also study the traditions and customs of our own society. This course will offer a new perspective of your own culture, and a deeper understanding of human history and diversity, as it emphasizes global perspectives

Course Description and Objectives

Anthropology& 100 (Item 5100) is a 5-credit course that introduces you to the discipline of anthropology. You are exposed to the basic underlying principles, theories, and methods of anthropology through lectures, textbook readings, discussions, and visual materials. This introductory course will explore the 4 subdisciplines of anthropology: cultural anthropology, linguistics, biological anthropology, and archaeology. Numerous contemporary cultures, as studied by the ethnologist, will be discussed in a comparative fashion. We will explore the general topic of evolution and specifically how it applies to humans. We will look at our primate relatives and come to understand our similarities and differences with them. The viewpoint of archaeology will enhance your understanding of human history, and an introduction to linguistics will provide you with the basics of studying human communication. We will also discuss how various types of anthropologists go about collecting their data, and the rewards and challenges of conducting fieldwork in anthropology.

Course Requirements

The Syllabus

You are required to review this syllabus and the attached Procedures and Guidelines of the Social Science Division. Enrollment in the course constitutes an agreement to abide by the policies set forth in these items.

Attendance

Attendance is required and will be taken at every class. If you are absent for any class, it is your responsibility to obtain class material for that day. Attendance at *every* class is important and will be noted. You must be present at the time roll is taken!

Active Participation

Active Participation will be expected of each of you. Discussion of textbook chapters will be an important part of class participation. You should read all material for each class ahead of time in preparation for constructive participation. Participation figures importantly in borderline final grades.

Film Reflection Papers

For each in-class film students will be responsible for writing a 1-page thoughtful reflection paper on what they have learned from the film. Reflection papers will be due at the beginning of the following class. Students are permitted to miss one film reflection paper over the course of the quarter without a penalty (total 25 points).

On-line Reading Discussions

To enhance your learning and experience at BC, the class will participate in online learning discussions. These will vary in format; some will require you to read a designated article (available on MyBC) before responding. You are expected to provide thoughtful, respectful comments that are based on your educated opinion from course materials (10 points each; total of 50 points).

Quizzes

A major part of your course grade will be derived from five quizzes. The first four quizzes are each worth 50 points and Quiz 5 will be worth 100 points (total = 300 points). Quiz 5 will be cumulative. Please show up prepared and on time. It is disruptive to enter the classroom once the testing period has begun. Questions are derived from assigned readings, class lectures, videos, overheads, exercises, handouts, discussions, and any other instructional material presented in class. Cheating and plagiarism will not be tolerated (see below). Conduct during quizzes will comply with the College policy for academic honesty. If you are caught cheating, you will be prosecuted.

Project

You will each conduct and interview of a person who participates in a cultural group unfamiliar to you. At the end of the quarter you will write and present an analysis of the data you collected during this interview. Please see the project assignment sheet for more details. (total 100 Points).

If you are interested in joining other weird anthropologists in their pursuit of understanding humans in all our diversity, contact Anthropology Prof. Tony Tessandori (tony.tessandori@bellevuecollege.edu)

Classroom Learning Atmosphere: General Class Conduct

It is important to make sure that the classroom environment is as conducive to scholarship as possible. You are encouraged to participate in discussions of the theories and concepts that will be presented to the class, as long as they pertain to class material. You are also encouraged to learn the names of your fellow students and to be respectful of them. **However, side comments directed to fellow students contribute to distractions, not to learning, and will not be tolerated.** Please review BC's policy in the Student Handbook as well as the policies for this class. All infractions of policies will be reported to the Dean of Student Services, with the recommendation that the Dean take further action.

A Note About Course Content

Since anthropologists examine just about every aspect of the social world, we talk about provocative material. Please be advised that we will likely explore controversial topics, they will always be framed within an academic context. When we find ourselves in a space outside of our comfort zone, it provides a great example of our own cultural constructs and is a powerful opportunity for learning. You will be responsible for any course material you miss if you choose not to participate. If you have any questions or concerns about content or climate, feel free to speak with me about it right away.

Classroom Learning Atmosphere: Attendance and Punctuality

This class is based on the assumption that you will be attending regularly, participate fully, and support the learning environment for your fellow students. I will take attendance once at every class session at the beginning of the class. If you are absent, **you** are responsible for obtaining lecture notes from fellow students and to gain information regarding announcements or changes to the schedule that you may have missed. Studies have shown that the students who attend class regularly also achieve better grades and a greater comprehension of course content. Please **be on time** for class. If circumstances prevent you from arriving on time, please take a seat **closest to the door** to reduce the number of students who are distracted by your late arrival. Students sometimes encounter circumstances in which they have to leave before the end of class. Once again, this creates a distraction for others. If you should have to leave early, **please arrange to sit close to the door, inform the instructor of your need to leave early, and do not re-enter the room once you have left.**

Classroom Learning Atmosphere: Technology in the Classroom

Electronic devices (cell phones, pagers, laptops, etc.) are a convenience, not a right. They create a distraction for your fellow students. **Cell phones and pagers are to be turned OFF while in a classroom.** Laptop computers serve to enhance note-taking but they may also be used to engage in other activities during class time. These activities are disruptive to the learning environment for all students. **If you have a medical need to use a laptop computer for note-taking, please see me immediately.**

Classroom Learning Atmosphere: Cheating and Plagiarism

Cheating and plagiarism are concerns on every college campus. All work handed in must be your own. Cheating or plagiarism is legitimate grounds for failing the course and dismissal from class. Cheating behavior on quizzes includes, but is not limited to, looking at someone else's quiz, asking another student for answers, assisting another student with cheating, passing notes, writing on the desk, talking during the testing period or otherwise being disruptive, using sources for information, etc. All quizzes are closed book and closed notes. For writing assignments, if you quote from sources, you must acknowledge those sources; otherwise you will fail this course. If you are unfamiliar with what constitutes plagiarism, please inquire. All course work, except team reviews, is to be performed by you without the assistance of others. Cheating or plagiarism will result in failure of the course.

Information about Bellevue College's copyright guidelines can be found at:

<http://bellevuecollege.edu/lmc/links/copyright.html>. A good resource for Plagiarism is the Writing Lab:
<http://bellevuecollege.edu/writinglab/Plagiarism.html>

Classroom Learning Atmosphere: Quiz-Taking and Testing Expectations

Once the testing period has begun, you may not converse with your fellow students. Cheating and plagiarism will not be tolerated, per the regulations of this syllabus and the Social Science Division. All quizzes are closed book and closed note. You may not use any sources when taking a quiz, including pocket dictionaries or electronic devices. You may not listen to any electronic device (e.g., iPod) while taking a quiz or while in attendance of any class. Once the testing period has begun, you may not leave the classroom. If you do so, you will have terminated your quiz. **Prior** approval to miss a quiz or other class assignments is necessary. Vacation, work, attendance at social activities, sleeping in, picking up someone from the airport, etc. are not valid excuses for missing class work and you will not be able to make up class assignments for those reasons. *Make-up quizzes are given at the discretion of the instructor.* Just because you missed a quiz or class assignment does not automatically entitle you to make it up. It is in your best interest to appear for all quizzes and class meetings, the timings of which are clearly marked on the schedule.

Classroom Learning Atmosphere: In-Class and On-line Discussions

Class discussions and team work, while enriching, can also be challenging and disturbing. You may find that your fellow students hold beliefs and opinions that conflict with your own. This is an opportunity to exercise your listening skills, perfect your critical reasoning skills, and learn to examine claims based on supporting evidence. **It is imperative that this learning environment be safe and open for all students regardless of age, sexual orientation, race, ethnicity, religion, gender, disability, or perspective.** Students who do not adhere to this code of conduct will be asked to leave the class. This behavior will be reported to the Dean of Student Services. We will observe the following guidelines for discussion:

1. We are not here to persuade others to our point of view; rather to examine the merits of each position, based on evidence.
2. We can respect the person even if we don't share his/her opinions.
3. We will give each participant his/her time to express their views without interruption, argumentation, or disrespectful gestures, laughter, or facial expressions, etc.
4. We will question the evidence or the claim; not the person.
5. We will remain open to corrective feedback as to our views and/or the impact of our communication style.
6. We will remain aware of the time and seek to not dominate the discussion. (No more than two comments/questions before yielding the time to others.)
7. We will avoid phrases such as: "People like that..." "That's a stupid question....idea....etc." "They always..."
8. No one should be understood to be 'representing' the **entire** racial/ethnic, gender, class, etc. group to which he or she belongs. You speak only for yourself.

Classroom Learning Atmosphere: Instructor's Expectation

HOW CAN YOU SUCCEED IN THIS CLASS?

1. **ATTEND class:** Students who come to class get a better understanding of anthropology, a better education and better grades.
2. **TAKE NOTES:** Notes will highlight what the instructor has emphasized. Take notes that you can understand and use. Review your notes right after class and before the next class meeting to reinforce learning.
3. **READ:** all assigned chapters in the textbook (keep up with the reading). Material that is not covered in class, but is found in the reading assignments, is fair game for testing. You are responsible for your own reading and comprehension of material.
4. **PARTICIPATE:** Be prepared for every class by reading the assignments *ahead of time*. This preparation will help you to more fully comprehend material presented in class and feel more confident participating in class discussions.
5. **STUDY FOR QUIZZES.** Prepare for exams by reading the text ahead of time and reviewing class notes.
6. **APPROPRIATE BEHAVIOR:** Obtain a copy of the BC Student Handbook to familiarize yourself with policies and behaviors that are appropriate to the college environment. Lewd, abusive, disruptive, or harassing behavior will not be tolerated. Turn off all electronic devices before entering the classroom. Arrive to class on time.
7. **ABSENCES:** If you know you will be absent for in-class assignments or quizzes, let the instructor know well in advance via EMAIL.
8. **COMPREHENSION:** If you are not understanding course material, come and see me right away. I want you to do well in this course, but I cannot help you if I don't know you need help or want help. Student success is important to me, but you must be serious and an active participant in your own learning.
9. **ACCOMMODATION:** "If you need course adaptations or special accommodations because of a disability, or if you have medical information that needs to be shared with me in the event that the building needs to be evacuated, please contact me during the first week of the quarter. If you require accommodations due to a diagnosed disability, please contact the Disability Resource Center office in B132. Phone: 425-564-2498 (Voice) TTY: 425-564-4110." Please let me know if I may assist you in any way; I'll be glad to help you.
10. **TUTORING:** If you are struggling with this class or any other class, there is help available on campus and on-line. You may contact the tutoring service on campus. Come and talk with me about how I can help you.

Winter 2010**

Cheating, Stealing and Plagiarizing*

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

Incomplete

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

F Grade

Students who fail a course will receive a letter grade of "F."

Final Examination Schedule

The Social Science Division will adhere to the final examination schedule as stated in the BC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

Withdrawal From Class

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

Hardship Withdrawal

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

Students Who Require Disability Accommodations:

Students with disabilities who have accommodation needs are encouraged to meet with the Disability Resource Centre (DRC) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DRC office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DRC accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with Disability Resource Centre, and review those needs with the instructor as well.

Distribution of Grades

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BC Web site.

Return of Papers and Tests

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.

**If you are accused of cheating, stealing exams and/or plagiarism, there is a Bellevue College Student Discipline and Appeals Procedure (the right to due process) which you may pursue. Contact the office of Division Chair (D110), the Dean of Student Services (B231A) or the Associated Student Body (C212) for information regarding the appeals process.*
