Academic Etiquette: Class begins promptly at 10:30 a.m. Please make every effort to be in class and to be here on time. If it is unavoidable that you arrive late- or even leave early- please do not disrupt the class. Respect for opinions voiced in class is essential, and I expect all students to treat each other courteously. Any type of disruptive or discourteous behavior is unacceptable and will not be tolerated; these types of behaviors will result in the student(s) being asked to leave the class. Cell phones, paging and other such devices must be turned off in class; you may not bring them to the exams. Cell phones or other electronic devices that are visible during exams will be considered prima facie evidence that you are cheating. Lap Tops are permitted in class for note taking purposes only.

Attendance: All students are expected to attend every class. Obviously, if students do not attend class regularly, the opportunity to perform well in this course is greatly diminished.

Course Requirements: All students are expected to read the required chapters of the textbook as outlined in the schedule section of this syllabus. Students are also expected to attend class regularly, take notes, ask questions, and participate in class discussions.

Make-up Policy: Any make-up tests are allowed *only at the discretion of the instructor* and immediate notification from the student is imperative. Additionally, *all* make-up exams (for *any excused* circumstance) will adhere to the following criteria: 1) administered *only* by the instructor during office hours/or instructor's choosing and 2) *cumulative* in nature.

Extra Credit: There will be zero to a maximum of three "pop" in-class assignments worth 10 points each. You must be present to receive credit. There is no make-up for the extra credit work.

Cheating, Stealing and Plagiarizing*

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

Incomplete

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

F Grade

Students who fail a course will receive a letter grade of "F."

Final Examination Schedule

The Social Science Division will adhere to the final examination schedule as stated in the BC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

Withdrawal from Class:

College policy states students must withdraw from a class **without a "W" posted on their transcript by January 17**. College policy also states students must withdraw from a class **in-person on February 21 by 4:00 pm ("W" will be posted on your transcript)** or withdraw from a class **online on February 21 by 11:59 pm ("W" will be posted on your transcript)**. If a student has not withdrawn by these dates, an appropriate letter grade will be assigned for the course.

Hardship Withdrawal

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office **BEFORE** grades are assigned in cases of hardship.

Students Who Require Disability Accommodations:

Students with disabilities who have accommodation needs are encouraged to meet with the [Disability Resource Centre](#) (DRC) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DRC office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DRC accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with [Disability Resource Centre](#), and review those needs with the instructor as well.

Distribution of Grades

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BC Web site.

**If you are accused of cheating, stealing exams and/or plagiarism, there is a Bellevue College Student Discipline and Appeals Procedure (the right to due process) which you may pursue. Contact the office of Division Chair (D110), the Dean of Student Services (B231A) or the Associated Student Body (C212) for information regarding the appeals process.*
