### **Class Attendance and Participation**

Attendance and active participation in class discussions and problem solving are essential in the learning process. Active participation means to come to class prepared by reading the assigned material, have questions, comments and generate discussion topics on current economic issues.

Each new class builds on the foundation developed in the previous class. Therefore, consistent attendance is essential to your success in this course. If for any reason, you miss a class, it is

your responsibility to see me or your classmates to find out what you missed and how to make up the material you missed.

## Course Structure

### In-class Exercises and Team Quizzes

The class will be divided into teams. Each team will have four to five members. You will have questions/problems to solve in class as a team to test your understanding of the subject matter. There will also be team quizzes over the course of the quarter that will be graded out of a possible total of 100 points. A student must participate in team activities and be present on quiz due days to get credit for team quizzes. The objective of teamwork is to learn through interactions with your peers and enhance understanding of the course material.

### Exams

Over the course of the quarter there will be two one-hour exams and a final. Exams may contain multiple choice and/or short essay questions.

Do not miss a class or an exam. If an emergency arises on the exam date notify me beforehand to be able to make up for it. The make-up exam could be different from the original, and most likely contain extended multiple choice and essay questions.

The final exam must be taken in order to receive credit for the course.

**Revised Spring 2008**

**Cheating, Stealing and Plagiarizing\***

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue Community College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue Community College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

**Incomplete**

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

**F Grade**

Students who fail a course will receive a letter grade of "F."

**Final Examination Schedule**

The Social Science Division will adhere to the final examination schedule as stated in the BCC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

**Withdrawal From Class**

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

**Hardship Withdrawal**

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

**Students Who Require Disability Accommodations:**

Students with disabilities who have accommodation needs are encouraged to meet with the Disability Resource Centre (DRC) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DRC office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DRC accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with Disability Resource Centre, and review those needs with the instructor as well.

**Distribution of Grades**

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BCC Web site.

**Return of Papers and Tests**

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers.
