Required Text: International Business, Griffin & Pustay; Prentice Hall

Course Description: This is primarily an international business and trade survey class. Students will focus on the inter-relationships among technology, culture, law, and economics in the contemporary world. **Learning is the most effective when it is fun!** My goal is to make everything we discuss interesting and fun! A significant portion of this class will contain lively conversations and debates. Be prepared to contribute.

**At the conclusion of this course, the student will be able to:**

1. Survey and understand the global business environments
2. Comprehend contemporary international business concepts, principles and practices
3. Exhibit critical thinking skills
4. Have proficiency in oral and written business communications by presenting and supporting your findings and recommendations on a variety of topics
5. Solve international business problems in the workplace using available resources and teamwork
6. Understand the importance of diversity in the workplace

Learning requires hard work, discipline and commitment. For a five-credit course, expect to spend an average of 10 hours-per-week outside of class studying (studying includes reading; preparing assignments; analyzing synthesizing and integrating information).

## My Expectations of You:

1. **All emails to me need to include your class line and your full name (including nick names) in the subject line of your message.** 5 points will be deducted from your grade for each email without this information. Due to the threat of viruses, I do not open attachments.
2. You are required to speak up in class and share your ideas with the whole class, but **please do not talk to other students during class lecture.** (Everyone has a pet peeve, this is mine!) Sarcasm and cultural insensitivity are close seconds. Please turn off your cell phone before coming to our classroom. If your cell phone goes off during class, please see me after class. (Requirement)
3. Please be on time and attend class regularly throughout the quarter. Absences and tardiness disrupt the entire class. If you cannot attend faithfully and on time, you should not take this class. **Significant, unexcused absences/tardiness will result in a failing grade -- once a week is VERY significant.** If you do not send me an email before class starts, are not present when attendance is taken or do not raise your hand up high and say that you are present, you do not get marked as attending class.
4. Please respect due-dates for written assignments and delivery of presentations. Assignments are due at the very beginning of class. 25% will be the minimum deducted for late assignments and 50% will be deducted for each full day an assignment is late. All make-up exams will be in essay format and are only granted with prior approval.
5. Read each chapter prior to class, including Review and Discussion Questions
6. If you require accommodation based on a documented disability, have emergency medical information to share, or need special arrangements in case of emergency evacuation; please make an appointment with me as soon as possible. If you need course modifications, adaptations, or accommodations because of a disability, I can refer you to our Disability Resource Center (DRC). If you prefer, you may contact them directly by going to B132 or by calling 425.564.2498 or TTY 425.564.4110. Information is also available on their website at <http://bellevuecollege.edu/drc/>
7. Please fill up the fronts before sitting towards the back of the room.

## PROCEDURES AND GUIDELINES OF THE SOCIAL SCIENCE DIVISION

### Cheating, Stealing and Plagiarizing\*

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue Community College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue Community College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

### Incomplete

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

### F Grade

Students who fail a course will receive a letter grade of "F."

### Final Examination Schedule

The Social Science Division will adhere to the final examination schedule as stated in the BCC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

### Withdrawal From Class

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

### Hardship Withdrawal

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

### Students Who Require Disability Accommodations:

Students with disabilities who have accommodation needs are encouraged to meet with the Disability Support Services (DSS) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DSS office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DSS accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with Disability Support Services, and review those needs with the instructor as well.

### Distribution of Grades

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BCC Web site.

### Return of Papers and Tests

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.

*\*If you are accused of cheating, stealing exams and/or plagiarism, there is a Bellevue Community College Student Discipline and Appeals Procedure (the right to due process) which you may pursue. Contact the office of Division Chair (A251), the Dean of Student Services (B231A) or the Associated Student Body (C212) for information regarding the appeals process.*

## Grading for this course:

**Please do not use any folders or binders. All assignments are to be stapled with the student name & class period in the top right corner of the paper. Any deviation from these requirements may result in more than 50% being deducted from your grade. All reports and assignments need to be double-spaced and typed in Times New Roman 12-point font.**

Cheating is illegal and will not be tolerated! Cheating includes, but is not limited to, copying answers on tests or assignments, glancing at nearby test papers, swapping papers and, plagiarizing. Plagiarism is a form of academic dishonesty occurring when students use information or material from outside sources and do not properly cite those sources. This is grounds for disciplinary action that may include suspension or an immediate failing grade for the entire course. It is your responsibility to understand plagiarism and its consequences. Plagiarism occurs if:

- a. You do not cite quotations and/or attribute borrowed ideas.
- b. You fail to enclose borrowed language in quotation marks.
- c. You do not write summaries and paraphrases in his/her own words and/or doesn't document his/her source.
- d. You turn in work created by another person.
- e. You submit or use your own prior work for a current or past course, or work from one current course in another course *without express permission* from your professors. This may also be considered academic dishonesty.
- f. Consequences: If it is determined that you have plagiarized or engaged in other forms of academic dishonesty, you will likely fail the assignment and possibly the course, despite points earned through other work. Acts of academic dishonesty are reviewed for disciplinary action.
