General Education Outcomes

Emphasizing core abilities provides a consistent educational focus that encourages students to develop knowledge, habits and skills for life-long learning. Bellevue College students experience many opportunities across the curriculum to develop and apply college-wide abilities in preparation for their roles in an increasingly diverse, technologically complex, information-driven society. These abilities include Critical Thinking, Creativity, and Problem Solving (2), Cultural Diversity (2), and Nature of Science (2). Over the course of this class, you will be given the opportunity to practice and hone each of these abilities.

Exams

MC Exams There will 10 multiple-choice exams throughout the quarter. Each exam will be worth 25 points. Your grade will be calculated on the basis of your best 9 scores. Your lowest test score will be dropped automatically. Each exam will cover information from the text. You will need to bring a Scantron and No. 2 pencil to each exam.

SA Exams There will be two short-answer exams throughout the quarter. Each is worth 100 points. Both will cover information from class lecture, class discussions, and videos. A portion of the points will be accumulated throughout the quarter in the form of in-class activities. These points cannot be made up if you miss class; it is in your best interest to attend each class session. With each exam, you can expect to make connections between the lecture material and your life by coming up with real-life examples. The final exam is not comprehensive. Neither of these scores will be dropped.

Exams will not be given late. If you are unable to attend class on a MC exam day, the missed MC exam may be used as your lowest score. Only one missed MC exam score will be dropped. If you know ahead of time that you will be unable to attend class on any exam day, you may make arrangements with me to take an alternative exam early. If you come late to class on an exam day, you will not be allowed any additional time. Make-up exams will be allowed only with appropriate documentation. All exams given outside of class must be taken during office hours.

Assignments

Throughout the quarter, you will work on 3 written assignments that deal with critical thinking, experimental design, and the multiple perspectives in the field of psychology. Details and scoring criteria will be posted on the class site on MyBC. Late assignments will lose 20% of the total possible points per calendar day late. Assignments will *not* be accepted via email. See the Class Calendar for the due dates.

Extra Credit

There will be opportunities to earn extra credit for this course. These opportunities may consist of outside activities (e.g., attending a campus lecture or workshop, viewing a film, etc.) and written papers pertaining to the topics covered in this course. Such opportunities will be announced in class.

COURSE POLICIES

Attendance

Attendance is not optional. As adult students, you are expected to be able to manage your own time and priorities. If you miss any class session, you are responsible for obtaining any lecture or class notes from fellow students, missed assignments from me, and for staying abreast of any class announcements or changes to the class schedule or policies. Attendance will be taken in the form of in-class activities. If you are not in class, you cannot participate; if you do not participate, you will not receive credit for in-class activities. Note: when emailing me, please include your full name and class section; in the email subject line, start with "STUDENT:" so that it does not get lost in the melee of emails.

Class Conduct

"Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Vice President of Student Services for possible probation or suspension from Bellevue College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Vice President of Student Services."

Student conduct expectations will be in compliance with policies described in the BC student handbook. *Cheating and plagiarism* will not be tolerated. All work that you submit in this course must be the product of your own efforts. In either case, zero points will be allotted. In addition, *cell phone* use in class is not allowed; cell phone ringers/modes are to be turned off prior to entering the classroom. *Laptop/iPad* use will not be allowed in class. For more information and to see the Student Code, Policy 2050, in its entirety, please visit: http://bellevuecollege.edu/policies/2/2050_Student_Code.asp

Participation

You are encouraged to participate in discussions of the theoretical issues presented in class. Some theories may appear counter-intuitive and may provoke much reaction, sparking lively discussions. Within these discussions, it is important to remain respectful of your fellow students. Everyone has a point of view. While discussion is encouraged and will be solicited, side comments and off-topic talk will not be tolerated.

Punctuality

Please be on time for class. Arriving late or leaving early undoubtedly breaks the flow of the class and causes a distraction. If you arrive late, please take a seat close to the door. If you need to leave early, make arrangements with me ahead of time and sit close to the door.

PROCEDURES AND GUIDELINES OF THE SOCIAL SCIENCE DIVISION

Fall 2010

Cheating, Stealing and Plagiarizing*

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

Incomplete

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

F Grade

Students who fail a course will receive a letter grade of "F."

Final Examination Schedule

The Social Science Division will adhere to the final examination schedule as stated in the BC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

Withdrawal From Class

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

Hardship Withdrawal

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

Students Who Require Disability Accommodations:

Students with disabilities who have accommodation needs are encouraged to meet with the Disability Resource Centre (DRC) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DRC office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DRC accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with Disability Resource Centre, and review those needs with the instructor as well.

Distribution of Grades

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BC Web site.

Return of Papers and Tests

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.

**If you are accused of cheating, stealing exams and/or plagiarism, there is a Bellevue College Student Discipline and Appeals Procedure (the right to due process) which you may pursue. Contact the office of Division Chair (D110), the Dean of Student Services (B231A) or the Associated Student Body (C212) for information regarding the appeals process.*
