## **Exams**

### **MC Exams**

There will 10 multiple-choice exams throughout the quarter. Each exam will be worth 25 points. Your grade will be calculated on the basis of your best 9 scores. Your lowest test score will be dropped. Each exam will cover information from the text. The exams will consist entirely of multiple-choice questions. You will need to bring a Scantron and No. 2 pencil to each exam.

### **SA Exams**

There will be two short-answer exams throughout the quarter, the midterm and the final. Both will cover information from class lecture, class discussions, and videos. With each exam, you can expect to make connections between the lecture material and your life by coming up with real-life examples. The final exam is not comprehensive. Neither of these scores will be dropped.

### **SA Midterm Exam Corrections**

If you are not satisfied with your midterm exam score, you will be given the opportunity to make corrections and resubmit your exam. If you take advantage of this opportunity, you will be able to make up 50% of any missed points. Additional details will be provided after the midterm has been handed back.

**NO MAKE-UP EXAMS WILL BE GIVEN.** Missed exams will be assigned no points. If you are unable to attend class on a MC exam day, the missed MC exam may be used as your lowest score.

Only one missed MC exam score will be dropped. If you know ahead of time that you will be unable to attend class on a quiz or an exam day, you may make arrangements with me to take the quiz or exam early. If you come late to class on an exam day, you will not be given additional time. Exams will not be given after the prearranged exam time. See the Class Calendar for exam dates.

### **In-Class Activities**

There will be a variety of in-class activities worth a total of 75 points. Individually, each activity will be worth 5 to 10 points. These will include short written assignments, surveys, and group work. These will not be announced and will depend upon lecture progress. These points cannot be made up. This means that it is in your best interest to attend each class meeting.

### **Extra Credit**

There will be opportunities to earn extra credit for this course. These opportunities may consist of outside activities (e.g., attending a campus lecture, viewing a film) and written papers pertaining to the topics covered in this course.

## **COURSE POLICIES**

### **Attendance**

As adult students, you are expected to be able to manage your own time and priorities. Therefore, if you miss class, you are not required to phone or explain an absence. However, you are responsible for obtaining any lecture or class notes from fellow students and for staying abreast of any class announcements or changes to the class schedule or policies. It is in your best interest to attend every scheduled class meeting.

### **Participation**

You are encouraged to participate in discussions of the theoretical issues presented in class. Some theories may appear counter-intuitive and may provoke much reaction, sparking lively discussions. Within these discussions, it is important to remain respectful of your fellow students. Everyone has a point of view. While discussion is encouraged and will be solicited, side comments and off-topic talk will not be tolerated.

### **Class Conduct**

Student conduct expectations will be in compliance with policies described in the BCC student handbook. All work that you submit in this course must be the product of your own efforts. Cheating and plagiarism will not be tolerated. In addition, cell phones are to be turned off prior to entering the classroom. Cell phone use in class will not be tolerated.

### **Punctuality**

Please be on time for class. Arriving late or leaving early undoubtedly breaks the flow of the class and causes a distraction. It is important that we utilize our time wisely. If you arrive late, please take a seat close to the door. If you need to leave early, make arrangements with me ahead of time and sit close to the door.

## Revised Fall 2007

### Cheating, Stealing and Plagiarizing\*

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of Conduct at Bellevue Community College. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue Community College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

### Incomplete

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

### F Grade

Students who fail a course will receive a letter grade of "F."

### Final Examination Schedule

The Social Science Division will adhere to the final examination schedule as stated in the BCC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

### Withdrawal From Class

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

### Hardship Withdrawal

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

### Students Who Require Disability Accommodations:

Students with disabilities who have accommodation needs are encouraged to meet with the Disability Support Services (DSS) office located in B132 (telephone 425.564.2498 or TTY 425.564.4110), to establish their eligibility for accommodation. The DSS office will provide each eligible student with an accommodation letter. Students who require accommodation in class should review the DSS accommodation letter with each instructor during the first week of the quarter.

Students with mobility challenges who may need assistance in case of an emergency situation or evacuation should register with Disability Support Services, and review those needs with the instructor as well.

### Distribution of Grades

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BCC Web site.

### Return of Papers and Tests

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.
