CANVAS:

Canvas is Bellevue College's "Learning Management System" or "LMS". It enables instructors to build and maintain a secure workspace to share course content, communicate with students, provide online learning activities and assessments, and keep track of their students' progress.

LEARN ABOUT CANVAS WITH A STUDENT CANVAS WORKSHOP:

Before getting started, familiarize yourself with Canvas through one of the workshops below. These workshops are geared towards the student experience and cover the basic concepts that are used in most Canvas sites at Bellevue College.

- [On-campus student workshops](#). During the first week of the quarter, you can stop in for live, hands-on instruction in the use of Canvas.
- [Recorded webinars](#). View a recorded session that will give you a 30 minute overview of what you will experience in Canvas.
- [Canvas student orientation](#). This page is a full learning resource for Canvas, starting with student questions, technical requirements, and information on how to use Canvas on your mobile device, followed by videos that step you through using Canvas. To watch the student orientation, scroll down to the fourth topic heading, "Canvas Student Orientation."
- [Canvas online learning workshops](#). This is a workshop sponsored by the eLearning Department and is offered for students taking Online and Hybrid Courses using Canvas. The workshop is offered on specific days, before the start of the quarter, but on those days, you may work at home, at a time of your own choosing, at your own pace. Advanced registration is required.

YOU LEARNED ABOUT CANVAS, BUT YOU HAVE MORE QUESTIONS:

If you've taken one (or more) of the workshops listed above, and you are encountering issues in Canvas, take a look at our self-help guides below:

- [Why can't I see my course\(s\)?](#)
- [Having trouble logging in?](#)
- [Common error messages in Canvas](#)
- [General troubleshooting in Canvas](#)
- [Where can I get help with Canvas?](#)
- [Self-paced Canvas course for students](#)

FAQ:

Learning about Canvas is the first thing you must do before you begin using it. If you've taken one (or more) of the workshops listed above, but you still have questions, you can get more information on the Canvas FAQ and troubleshooting pages below:

- [Getting started with Canvas](#)
- [Tips and tricks when using Canvas](#)

DUE DATES AND DEADLINES:

All assignments for the course will be open from the first day of the quarter, but have weekly due dates and times when work is due.

Because of this generous and open schedule, no late work will be accepted, except under the following circumstances:

- If you are able to provide written documentation, such as a letter from your health care provider, which explains your need for an exception, it will be considered.
- It is each student's responsibility to know the due dates and times for all assignments and make sure there is an alternate computer (public library, on campus, friend or family member) from which to complete assignments and take exams.
- Computer malfunction or technical problems are not valid excuses to grant an exception to the due date. Plan ahead.
- **Put all due dates and exam times in your phone** to help manage your time efficiently. Save your work early, often, and in multiple locations, such as the cloud, a memory stick, or another computer.

EMAIL COMMUNICATIONS:

All email communication must be done through the Canvas learning system during the quarter. My regular BC email is only in the event of an emergency when Canvas is down. No communication regarding course work or grades will be sent to student's personal non-Bellevue College email accounts.

INSTRUCTOR AVAILABILITY:

As your instructor for this course, I will make every effort to answer your email questions in a timely manner. My goal is to respond to a question within 24 hours of receiving it Monday through Thursday between the hours of 9am and 7pm, and on Friday between 9am and noon. Outside of these times I will reply only if I happen to visit

the course site. Note that this response time is only applicable to email questions, not to graded assignments. I will also hold virtual office on our Canvas website. Instructions for participating in online office hours is available in the Getting Started folder.

ADVISING:

The Psychology Department has an in-house advisor, Deanne Eschbach, located in D110C. Call 425-564-2216 or 425-564-2212 for personal appointment.

WITHDRAWAL FROM CLASS:

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter during the standard academic year (Registration Office, B125).

If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course. *Merely stopping participation does not qualify as withdrawal.* Check the Enrollment Calendar Deadlines, and Refunds/Withdrawals, for additional details. As with most enrollment deadlines, it is the student's responsibility to be aware of these dates and act accordingly.

INCOMPLETE:

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

HARDSHIP WITHDRAWAL (HW):

HW indicates a withdrawal request made because of extenuating circumstances after the official withdrawal period is over. You must make your request in writing to be considered for this exception, and you must provide documented proof of the need for this exception. An example of qualifying circumstances for a Hardship Withdrawals are:

- Death in the immediate family (spouse, child, parent) documented by an obituary listing the student as a survivor.
- Significant illness or injury (documented by a health care provider's note) of self or a person for whom the student is primarily responsible.

Also be aware that a hardship withdrawal cannot be used as an option to avoid receiving a failing grade for the course.

TIPS FOR SUCCESS IN THIS COURSE:

Log onto our Canvas site every day: In order to complete the weekly assignments and be informed about any changes to the schedule, assignments, and other information about the course it will be necessary for you to check Canvas course website regularly.

Read the Textbook: Reading the course textbook as well as assigned readings/ articles will be essential for understanding the course material. It will also give you the opportunity to experience the material in a different media. It will be assumed that you have completed the readings before completing the discussions and case studies so that you will be able discuss and reference the material that you have read.

Manage Your Time Efficiently: Do not wait until the last minute to start an assignment. Even though all assignments are open for the entire quarter, each assignment has a weekly due date. Starting your work early allows you to spend the appropriate amount of time on the assignment, and it allows you to contact the instructor if you have any questions. Plan ahead. Save your work early, often, and in multiple locations. Submit proofread work only.

Talk with me: I will be available for virtual office hours every week throughout the quarter. You can also send me an email through our Canvas website where we can correspond or set up a private chat on our site.

If you work late and are uneasy about going to your car, Public Safety will escort you to your vehicle. To coordinate this, please phone ahead and let Public Safety know when and where you will need an escort.

Please familiarize yourself with the emergency postings by the door of every classroom and know where to go in the event of an evacuation. Your instructor will be asked if anyone might still be in the building, so check in before you do anything else. Emergency responders will search for anyone unaccounted for.

If a major emergency occurs, please follow these three rules:

- 1. Take directions from those in charge of the response** We all need to be working together.
- 2. Do not get in your car and leave campus (unless directed to)** - Doing so will clog streets and prevent emergency vehicles from entering the scene. Instead, follow directions from those in charge.
- 3. In an emergency, call 911 first, then Public Safety.**

Please do not hesitate to call Public Safety if you have safety questions or concerns at any time. You may also visit the [Public Safety](#) web page for answers to your questions.
