**\*\*With the current Covid-19 outbreak we cannot meet in class I am going to do live instruction through Conferences tab on left (below modules) during "class-time" 12:30p-2:20p. It has audio so we can talk back and forth as well as a typing function if you want to ask a question. You can use microphone (just listen) or microphone (if you want to ask something) during this time. I would suggest you pulling up the PowerPoint for the chapter so you can follow along and ask questions...I have never done this so please be patient and hopefully we can have a good virtual classroom :)**

**Academic Etiquette:** See Netiquette rules. Be a nice human, realize we all have flaws and don't put something online that you would not say to someone's face

**Affirmation of Inclusion:** Bellevue College is committed to maintaining an environment in which every member of the campus community feels welcome to participate in the life of the college, free from harassment and discrimination. We value our different backgrounds at Bellevue College, and students, faculty, staff members, and administrators are to treat one another with dignity and respect.

**Academic Integrity:** Plagiarism or cheating of ANY kind will not be tolerated and will result in failing the test and/or the course as well as other disciplinary action (see Bellevue College Handbook, Academic Dishonesty). If you are at any time unclear about what constitutes plagiarism or cheating, see me ASAP. In all instances, you must do your own work.

**Attendance:** Obviously, if students do not attend class regularly, the opportunity to perform well in this course is greatly diminished. You should be logging into Canvas 4-5 times a week to read the chapter, review the PowerPoint, joining in conferences over chapters, completing video questions, practice quizzes and completing discussions and group assignments. I can see your page views and how you participate in Canvas as well as how long you are viewing the course...it is a bit creepy but can keep you accountable as well.

**Students with Disabilities:** I am committed to providing assistance to help you be successful in this course. If you require accommodation based on a documented disability, have emergency medical information to share, or need special arrangements in case of emergency evacuation; please make an appointment with DRC (DisabilityResourceCenter.) If you would like to inquire about becoming a DRC student, you may call 425-564-2498 or go in person to the DRC program office in B-132.

**Course Requirements:** All students are expected to read the required chapters of the textbook as outlined in the schedule section of this syllabus. Students are also expected to attend class regularly, take notes, ask questions, and participate in class discussions.

**Make-up Policy:** Any make-up quizzes or assignments are allowed only at the discretion of the instructor and immediate notification from the student is imperative. Additionally, all make-up quizzes (for any un-excused circumstance) will adhere to the following criteria: 1) administered only by the instructor during office hours/or instructor's choosing 2) cumulative in nature; and 3) given in an all-essay format. Any excused absence (with documentation-Emergency Room release, Dr. note or death notification of family member) will be allowed to take the make-up quiz or assignment without any point penalty and be given 1-2 weeks to complete the work and/or quiz.

**Assignments:** Are to be typed and turned into the instructor on Canvas in PDF or Word documents ONLY. If the assignment is posted on Canvas it is the student's responsibility to check on due dates and format to upload (ONLY in-text, PDF and Word documents will be accepted) on Canvas. NO LATE WORK WILL BE ACCEPTED due to computer issues (including Canvas issues), poor time management or incorrect format upload.

**Extra Credit:** As a general rule, there is usually no extra credit available in this course. I may, however, at any time during the quarter provide in-class extra credit opportunities. Obviously, if you are not in class on these days, you are not eligible for these opportunities.

**Bellevue College E-mail:** All students registered for classes at Bellevue College are entitled to a network and e-mail account. Your student network account can be used to access your student e-mail, log in to computers in labs and classrooms, connect to the BC wireless network and log in to MyBC. All e-mail communication from you should come to me from your BC account (not your g-mail, hotmail, yahoo, etc.). Please e-mail me through CANVAS for the quickest reply. I will respond to you within 24-48 hours (except on weekends). BC offers a wide variety of computer and learning labs to enhance learning and student success. Find current campus locations for all student labs by visiting the Computing

Services website.

Their phone number is 425.564.2400. ### **Religious Holidays**

Students who expect to miss classes, examinations, or any other assignments because of their religious observance should be provided with a reasonable alternative opportunity to complete such academic responsibilities. It is the obligation of students to provide faculty with reasonable notice of the dates of religious holidays on which they will be absent, preferably at the beginning of the term. The Request for Accommodations for Reasons of Faith or Conscience Form  
(Links to an external site.)  
provides more information about and the steps to request this accommodation.  
Students who are absent on days of examinations or class assignments should be offered an opportunity to make up the work without penalty (if they have previously arranged to be absent), unless it can be demonstrated that a makeup opportunity would constitute an unreasonable burden on a member of the faculty. Should disagreement arise over what constitutes an unreasonable burden or any element of this policy, parties involved should consult the department chair, or Dean.

### **Confidentiality and Mandatory Reporting**

As an instructor, one of my responsibilities is to help create a safe learning environment on our campus. It is my goal that you feel able to share information related to your life experiences in classroom discussions, in your written work, and in our one-on-one meetings. I will seek to keep information you share private to the greatest extent possible. However, I am required to share with the Title IX Coordinator any and all information regarding sexual assault and other forms of sexual misconduct (e.g. dating violence, domestic violence, stalking) that may have occurred on campus or that impacts someone on campus. Students may speak to someone confidentially by contacting the BC Counseling Center at (425) 564-2212. The Title IX Office can be contacted at 425-564-2441 and more information can be found at [www.bellevuecollege.edu/titleix/](http://www.bellevuecollege.edu/titleix/)

### **Cheating, Stealing and Plagiarizing\***

Cheating, stealing and plagiarizing (using the ideas or words of another as one's own without crediting the source) and inappropriate/disruptive classroom behavior are violations of the Student Code of

Conduct at BellevueCollege. Examples of unacceptable behavior include, but are not limited to: talking out of turn, arriving late or leaving early without a valid reason, allowing cell phones/pagers to ring, and inappropriate behavior toward the instructor or classmates. The instructor can refer any violation of the Student Code of Conduct to the Dean of Student Services for possible probation or suspension from Bellevue College. Specific student rights, responsibilities and appeal procedures are listed in the Student Code of Conduct, available in the office of the Dean of Student Services.

### **Incomplete**

If a student fails to complete all the required work for a course, an instructor may assign the grade of Incomplete ("I"). The student must complete the coursework by the end of the next quarter, or receive the assigned letter grade (usually an "F").

### **F Grade**

Students who fail a course will receive a letter grade of "F."

### **Final Examination Schedule**

The Social Science Division will adhere to the final examination schedule as stated in the BC Schedule. Final examinations will be held at the end of each quarter at fixed times. Instructors will not give examinations in advance of the regular schedule. A student who is absent from any examination held at any time during the quarter may forfeit the right to make up the examination. If, for illness or some other circumstance beyond the student's control, the student is unable to be present at any scheduled examination and has contacted the instructor on a timely basis, the student may be permitted to take such examination at a time designated by the instructor.

### **Withdrawal From Class**

College policy states that students must formally withdraw from a class by the end of the seventh week of the quarter (Registration Office, B125). If a student has not withdrawn by that date, an appropriate letter grade will be assigned for the course.

### **Hardship Withdrawal**

Instructors may assign the grade of "HW" (hardship withdrawal) at their discretion in the event that a student cannot complete the coursework due to extreme and exceptional circumstances. Students may also contact the Enrollment Services office BEFORE grades are assigned in cases of hardship.

### **Distribution of Grades**

Grades will not be posted in the Social Science Division or in faculty offices, and secretaries will not give out grades. Students should access their grades through the BC Web site.

### **Return of Papers and Tests**

Paper and/or Scantron score sheet returns will be arranged in the following ways ONLY: by mail, if student supplies the instructor with stamped, self-addressed envelope (with appropriate postage); or by the instructor designating a time and place whereby the student may retrieve his/her papers. Unclaimed papers and/or Scantron score sheets must be kept by the instructor for a minimum of sixty (60) instructional days following the end of the quarter.
