

ADN/BC Vision, Mission & Core Values Alignment

BELLEVUE COLLEGE	ADN PROGRAM
<p>VISION Bellevue College (BC) is the region’s college of choice, based on its excellence, innovation, and national recognition for exemplary programs.</p> <p>MISSION BC is a student-centered, comprehensive and innovative college, committed to teaching excellence that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high- quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.</p> <p>CORE VALUES: We, the Board of Trustees, faculty, staff and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism, value collaboration and shared decision making, and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to</p>	<p>VISION The Bellevue College ADN Program stands as the region’s Associate Degree in Nursing (ADN) program of choice, distinguished by its commitment to excellence and innovation in nursing education. It’s recognized as a national leader in nursing education, due to its dedication to enhancing the health, well-being, and overall quality of life for our students, patients, and the community.</p> <p>MISSION The Bellevue College ADN program is a student-centered program, committed to educating a diverse nursing workforce to meet the unique healthcare needs of our local and global community. The program is dedicated to developing graduates who are prepared to pass the NCLEX examination, demonstrate readiness to practice as registered nurses, and who are prepared to continue lifelong learning through advancement in education. The ADN program will cultivate nursing graduates who become valuable and active contributors to our local, regional, and global health community by providing safe patient-centered care.</p> <p>CORE VALUES: Bellevue College Nursing upholds its mission of excellence in nursing education and practice, guided by core values that are woven throughout the program:</p> <ul style="list-style-type: none"> • Health Equity • Inclusivity & Diversity • Nursing Excellence

excellent post-secondary education is the cornerstone of a democratic society.
