University Transfer Checklist

Follow this two-year checklist to help make transferring into a bachelor's program easier.

First Year Checklist (0 – 45 credits)

1

- **EXPLORE** transfer options and programs at Bellevue College. Most students intending to complete a bachelor's degree start their path at Bellevue College with a transfer associate degree. Other options of transfer are available.
- **REVIEW** majors at colleges to further your career path options. Identify subjects you are interested in and read about particular career paths. Particular majors may require specific prerequisites.
- **CHOOSE** an education / career path of intended study. Choosing a future major or career to pursue will help guide your decisions related to classes and degrees at BC.
- **CREATE** an Educational Plan with your advisor
Sitting down with an academic advisor helps you visualize a path to academic success at Bellevue College and beyond.
- **FOLLOW** Educational Plan

Second Year Checklist (45 – 90 credits)

2

- **BEGIN** drafting personal statements
Personal statements are a critical component of the university admissions process. Bellevue College's Writing Center can provide you with guidance.
- **SEARCH** for and apply to scholarships
Searching for—and applying to—multiple scholarships helps reduce the increased cost of studying at a university.
- **SUBMIT** applications to your preferred college or university
- **TALK** with a university academic advisor
Before registering for continued study within a bachelor's degree program, schedule a meeting with an academic advisor wherever you'll pursue a bachelor's degree.
- **APPLY** for graduation
Student should apply for graduation as soon as they register for their final quarter classes.
- **COMPLETE** additional requirements for entry into your bachelor's degree program or new college (i.e. Housing, Orientation, Financial Aid).
