

Paperwork for

Emergency Department Technician Professional Certificate

Dear Prospective Student,

Bellevue College is offering a “professional” version of the Emergency Department Technician certificate for healthcare professionals that are either EMTs or board-certified (licensed) CNAs with 1 year of work experience in the field.

In order for us to certify that you meet these requirements, please send the following items care of the address below. For more information on this certificate, visit our website at <http://bellevuecollege.edu/health/hpro/>.

Item #	Attached	Documents/Forms
1	<input type="checkbox"/>	Current Resume – (for CNA only) showing 1 year of work experience
2	<input type="checkbox"/>	License – showing board-certification
3	<input type="checkbox"/>	CPR Card – copy (must be current)
4	<input type="checkbox"/>	Immunization Status Record – signed by a licensed healthcare provider
5	<input type="checkbox"/>	Background Check – purchased, results printed and attached (www.certifiedbackground.com)

Send completed paperwork to:

Melissa Meinhofer, Program Assistant
Health Professions (Room R130K)
